

UNITY COLLEGE

ANNUAL
MAGAZINE
2026

Our Founder President

Padma Bhushan Awardee,
Late (Dr) S Kalbe Sadiq Saheb—
an eminent visionary whose
remarkable legacy continues to
shape the spirit and direction of
the College. His values remain
the cornerstone of our pursuits,
inspiring generations to grow
with purpose, uphold integrity,
and strive for excellence.

Members of the Editorial Board

Mr Deepak Mervyn Mathews
(Principal)
(Chief Editor)

A forward-thinking and modest leader, rooted in strong values and ethical principles, he promotes discipline through simplicity and compassion. Warm and accessible, he motivates both students and staff with his tireless enthusiasm and dedication.

Ms Farheen Fatima Naqvi
(English Teacher)
(Editor)

An accomplished English Educator, she exemplifies linguistic proficiency and cultivates confident expression through active English conversation, enriched by her adept use of emerging technologies.

Ms Nilofer Jafri
(Urdu Teacher)

A dynamic, enthusiastic, and highly accomplished Senior Urdu Teacher recognised for inspiring students and effectively mentoring NCC girls.

Mr Aamir Ali
(Sports Teacher)

An energetic and inspiring Sports Teacher who encourages students to excel, particularly in football and cricket, and drives them to achieve success and earn accolades for the College.

Ms Mahlaqua Siddiqui
(English Teacher)

A seasoned, dynamic, and multifaceted English Teacher committed to imparting meaningful lessons that motivate and create a lasting impact on her students.

Ms Barkha Sharma
(Hindi Teacher)

An experienced Hindi teacher whose diligent efforts and creative methods consistently enrich students' learning and overall development.

Ms Sarah Abbas
(English Teacher)

A highly committed and motivating English Teacher, she designs creative, engaging, and lively lessons that spark curiosity and strengthen students' confidence.

Ms Sadhana Pal
(Art Teacher)

A composed and understanding Art Teacher who nurtures creativity in her students and helps refine their artistic abilities.

Dr Roopam Gupta
(Hindi Teacher)

A devoted and proficient Hindi Teacher who strives to make a positive impact on her students through innovative teaching methods and supportive guidance.

Fatima Rizvi
(Student Member: XII-A)

A skilled writer and articulate speaker, endowed with a wealth of creative ideas and the ability to craft captivating stories.

Mohd Sajjad Baqri
(Student Member: XI-B)

The College Topper, distinguished by a strong aptitude for learning and marked by excellent writing abilities, an analytical mind, and a keen sense of curiosity.

Dear Students, Teachers and Parents,

It is a pleasure to address you through this year's Annual Magazine themed 'Curiosity Unlocks Dreams: Embracing a Futuristic World'. The theme reflects our times—a world driven by rapid technological advancement and endless possibilities for those willing to explore and innovate.

Curiosity is the foundation of learning and progress. It encourages questions, new thinking, and moving beyond comfort zones. I urge students to nurture inquiry, creativity, and forward thinking. The future belongs to those who are adaptable, imaginative, and ready to solve problems confidently.

Teachers, as mentors, play a crucial role in fostering this mindset. Education today is not only knowledge acquisition but also the development of critical thinking, innovation, and courage to experiment. Together, teachers and students must embrace creativity to shape tomorrow's world.

The rapid development of Artificial Intelligence (AI) has brought both excitement and concern. Many fear job loss; however, history shows similar fears during the introduction of computers in offices. Instead of reducing opportunities, computerisation improved efficiency and created the IT sector with countless new careers. Likewise, AI should be understood and used wisely. With training, we can harness it to enhance productivity and innovation, while human values, empathy, and judgement remain irreplaceable.

I sincerely appreciate the Editorial Board, teachers, and students for their dedicated efforts in bringing out this wonderful magazine. Readers are encouraged to engage with its content and offer valuable suggestions for future improvement.

Let us move forward with curiosity, confidence, and commitment to a brighter future.

With best wishes,

Najmul Hasan Rizvi

From the Jt Secretary | Dr M Talha

Dear Students and Readers,

In a time of constant change and emerging possibilities, this year's theme, 'Curiosity Unlocks Dreams: Embracing a Futuristic World', feels especially relevant. Curiosity is the starting point of every meaningful journey, encouraging questions, exploration, and seeing beyond the known.

As students prepare to step into a fast-changing, technology-driven world, the ability to think independently and stay open to learning is increasingly important. This mindset is growing across the College, with students taking initiative, participating actively, and making full use of available opportunities.

It is heartening to see students expressing themselves through writing. The College Magazine provides a platform to share ideas, experiences, and creativity, enabling students to pause, reflect, and express thoughts in words—an essential practice in a rapidly evolving world.

While students excel in public speaking, strengthening writing skills remains equally important. In today's digital age, clear writing is vital. It fosters deeper thinking and helps present ideas in a structured, impactful way—skills that remain relevant throughout life.

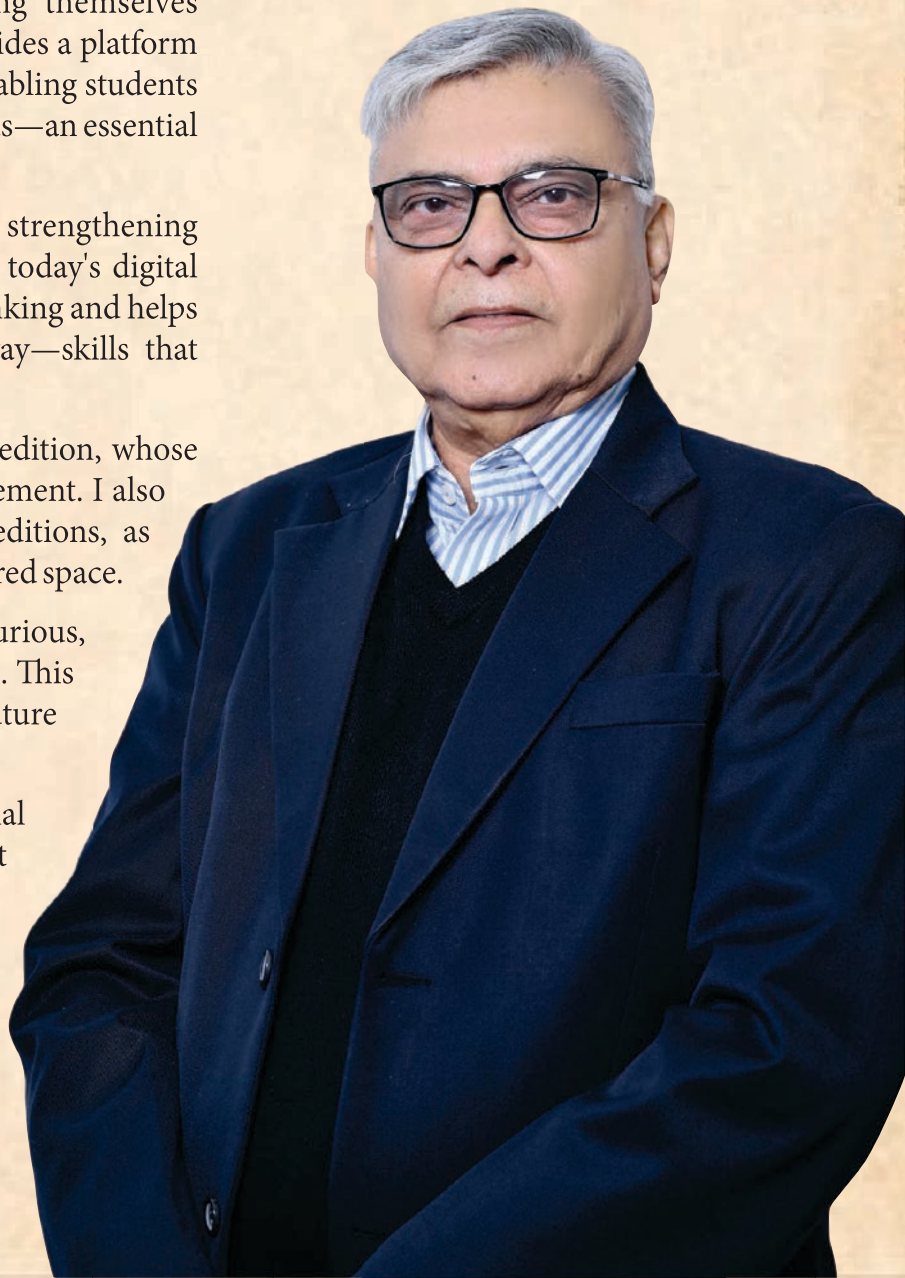

I appreciate all contributors featured in this edition, whose work reflects originality, thought, and engagement. I also encourage others to participate in future editions, as every voice adds something unique to our shared space.

As we move forward, let us continue to stay curious, keep learning, and remain open to new ideas. This will help us grow, adapt, and face the future confidently.

I would also like to acknowledge the Editorial Team for their sincere efforts in bringing out this publication. Their dedication and teamwork deserve appreciation.

With warmest regards,

Dr M Talha

Dear Parents, Teachers and Students,

The academic year 2025–26 has been one of remarkable achievements and proud milestones for our College. In line with this year's theme, 'Curiosity Unlocks Dreams: Embracing a Futuristic World', our students have shown how curiosity nurtures excellence and innovation. They have excelled in numerous Inter-School Competitions across literary, sports, and artistic platforms, bringing great honour to the institution and reflecting the spirit of holistic development.

As rightly said, "Excellence is not an act, but a habit," and our students' consistent efforts truly embody this ideal, driven by a desire to explore, learn, and grow.

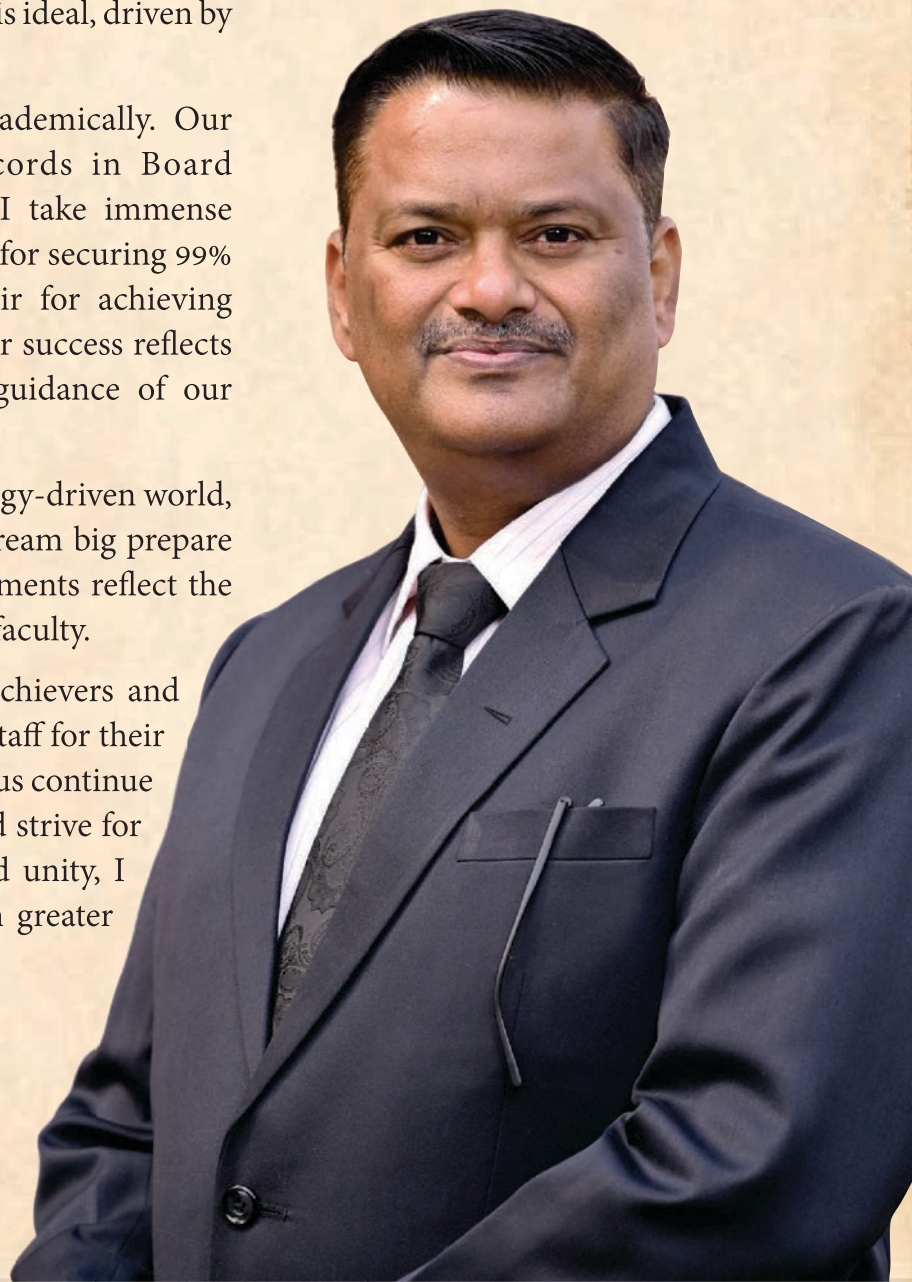

This year has also been outstanding academically. Our students have surpassed previous records in Board examinations, setting new benchmarks. I take immense pride in congratulating Mohd Sajjad Baqri for securing 99% in the ICSE Examination and Riza Amir for achieving 97.75% in the ISC Examination 2025. Their success reflects perseverance, dedication, and the able guidance of our committed teachers.

As we embrace a rapidly evolving, technology-driven world, this spirit of inquiry and the courage to dream big prepare our students for the future. These achievements reflect the collective commitment of our students and faculty.

I extend heartfelt congratulations to all achievers and sincere gratitude to the Management and staff for their unwavering support. As we look ahead, let us continue to nurture curiosity, strengthen values, and strive for higher standards. With determination and unity, I am confident our students will scale even greater heights.

Warm regards,

Deepak Mervyn Mathews

Dear Parents, Guardians and Unity Family,

Education is often seen as a means to secure good jobs, wealth, and a comfortable life. However, its true purpose lies in transforming one's thinking—guiding individuals to contribute positively to society, the nation, and the world. In essence, education is about the holistic development of a child. It goes beyond academics, enabling students to apply their knowledge meaningfully and lead disciplined, purposeful lives.

At Unity, we believe every child is a gift of God and that excellence is a way of life. With this vision, we strive to provide value-based education along with opportunities for growth in academics and personality development. Our students continue to excel not only in academics but also in co-curricular activities, games, and sports, steadily progressing towards greater achievements.

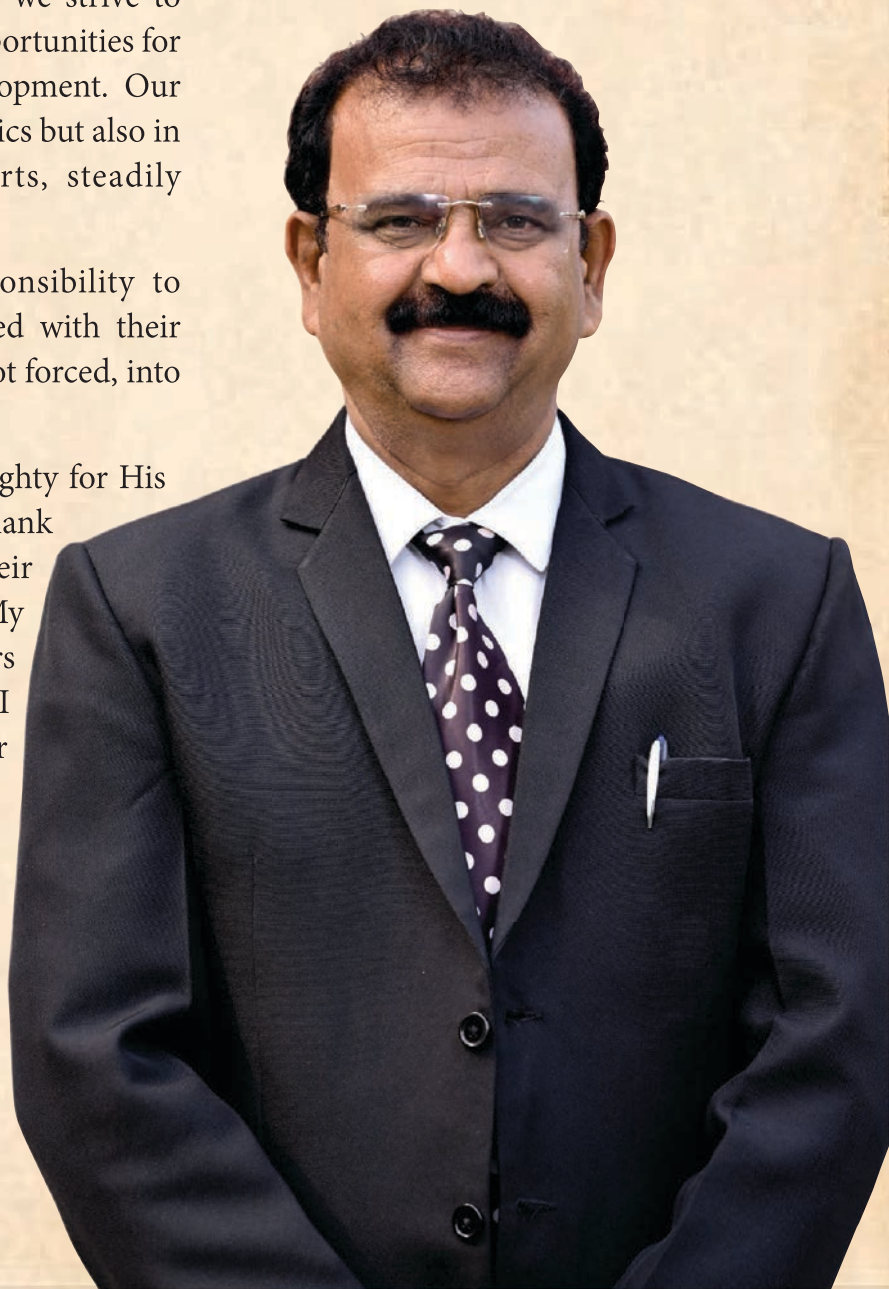

As parents and educators, it is our responsibility to encourage children to pursue careers aligned with their interests. A child thrives best when guided, not forced, into choices that reflect their own aspirations.

I express my heartfelt gratitude to God Almighty for His blessings upon our institution. I sincerely thank the Management and the Principal for their constant guidance, inspiration, and support. My appreciation also extends to all staff members for their dedication and cooperation. Lastly, I thank our students, whose efforts uphold our motto, 'Excellence in All, Excellence for All.'

It is indeed a privilege to serve this institution alongside such committed individuals.

Thank you, and God bless you!

Sachindra Bharti

Dear Readers,

Curiosity has always been the quiet force that drives discovery and shapes dreams. It is a pleasure to present this year's College Magazine, themed 'Curiosity Unlocks Dreams: Embracing a Futuristic World', as a reflection of how this spirit grows ever more meaningful in an era defined by rapid technological advancement.

In today's evolving world, emerging technologies such as Artificial Intelligence offer immense possibilities. When used thoughtfully, they can empower educators to design engaging learning experiences and help students explore ideas with depth. Yet, as we step forward, it is important to ensure that technology does not overshadow human creativity.

Students must continue to trust their imagination, allowing original thought to lead, while using technology only to refine and enhance their work. The future is not something to fear, but something to shape wisely, balancing innovation with authenticity.

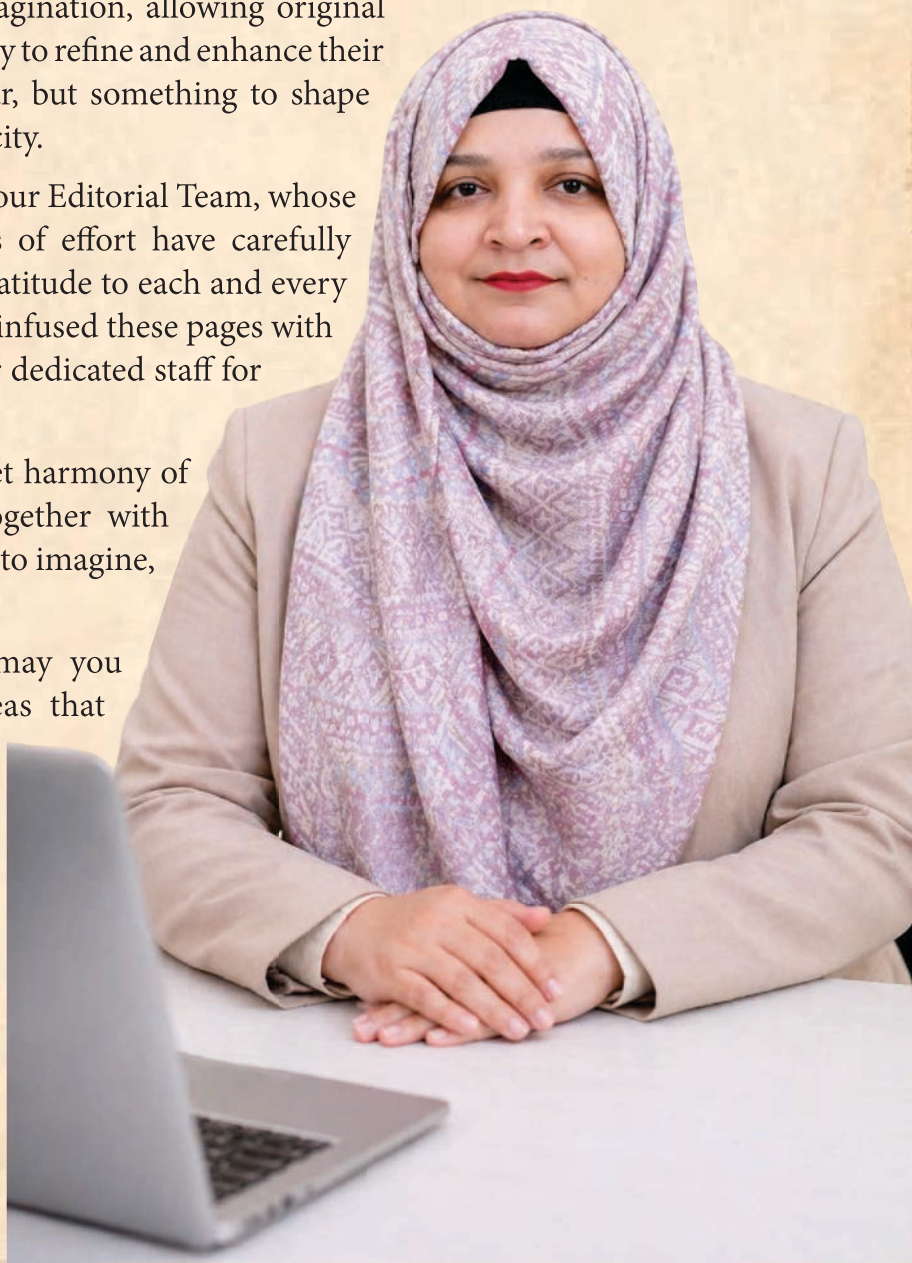

This publication reflects the dedication of our Editorial Team, whose diligence, creativity, and countless hours of effort have carefully shaped every page. I extend my sincere gratitude to each and every student whose art, poetry, and prose have infused these pages with vibrancy, and to the Management and our dedicated staff for their continued support.

Each page of this magazine reflects a quiet harmony of effort, creativity, and learning, woven together with care. It is a celebration of voices that dared to imagine, create, and share.

As you journey through these pages, may you discover perspectives that resonate, ideas that linger, and inspiration that gently unfolds. May this edition encourage you to look beyond the familiar and embrace the endless possibilities that curiosity continues to reveal.

Kind regards,

Farheen Fatima Naqvi

Unity College Managing Committee

IQBAL HOUSE: CHARTING EXCELLENCE 2025–26

“Khudi ko kar buland itna ke har taqdeer se pehle,
Khuda bande se khud pooche, bata teri raza kya hai.”
— Allama Muhammad Iqbal

Guided by the vision of the great poet Iqbal, *Iqbal House* upheld its motto of unity, discipline and excellence, participating with distinction across academic, cultural and co-curricular spheres and bringing honour to the institution. Throughout the year, every member contributed with dedication, transforming effort into achievement.

Achievements in the Primary Section (April–February)

- Spell Bee Competition – First place, reflecting strong command over language.
- Mathematics Quiz – First place, showcasing analytical ability and academic excellence.
- Urdu Creative Writing – Second place, demonstrating literary expression and creativity.

Inter-House Competitions

Juniors and Seniors showcased remarkable teamwork and talent across events:

Event	Juniors	Seniors
Debate	1 st	1 st
Collage Making	3 rd	1 st
Flower Arrangement	—	2 nd
Salad Making	—	2 nd
Face Painting	3 rd	1 st

Sports Achievements

Iqbal House displayed exceptional energy, coordination, and sportsmanship:

- Badminton (Doubles) 1st place
- Football (Senior Boys) 1st place
- Table Tennis (Doubles) 1st place
- Volleyball (Boys) 1st place
- Cricket 1st place

Culminating a year of sustained achievement and collective endeavour, *Iqbal House* was proudly declared the Champion House of the Year. This accomplishment stands as a testament to the students' dedication, the teachers' encouragement, and the inspiring leadership of the House mentors. With renewed determination, *Iqbal House* looks ahead to scaling even greater heights in the years to come, guided by Iqbal's timeless vision: “Sitaron se aage jahan aur bhi hain.”

GANDHI HOUSE: SCRIPTING SUCCESS THROUGH PERSEVERANCE 2025–26

*"Not in the clamour of crowded streets, nor in the shouts of the throng,
but in ourselves are triumph and defeat."*

— Henry Wadsworth Longfellow

Inspired by these profound words, *Gandhi House* began the academic session 2025–26 with renewed enthusiasm, unwavering hope, and a firm resolve to excel. True to the ideals of Mahatma Gandhi, the House embraced perseverance, discipline, and unity as the cornerstones of lasting success. Throughout the year, every member worked with dedication, transforming challenges into opportunities and aspirations into achievements.

Achievements in the Primary Section (April–February)

- Urdu Creative Writing – Third place, showcasing literary flair and thoughtful expression.
- Inter-House Painting Competition – First place, highlighting vibrant imagination and creativity.
- Kargil Vijay Diwas – Third place, honouring the spirit of patriotism.
- Science Quiz – First place, reflecting academic brilliance.
- Spell Bee Competition – Second place, demonstrating command over language skills.

Inter-House Competitions

Juniors and Seniors showcased remarkable teamwork and talent across events:

Event	Juniors	Seniors
Flower Arrangement	1 st	3 rd
Collage Making	2 nd	2 nd
Salad Making	2 nd	2 nd
Best out of Waste	2 nd	—
Face Painting	2 nd	2 nd

Sports Achievements

Gandhi House displayed exemplary energy, coordination, and sportsmanship:

- Badminton (Singles) – 2nd place
- Badminton (Doubles) – 3rd place
- Kho-Kho – 1st place
- Basketball – 2nd place
- March-Past (House-wise) – 2nd place

With courage in their hearts and determination in their minds, *Gandhi House* continues its journey—undaunted, inspired, and committed to scaling even greater heights in the years to come.

TAGORE HOUSE: REACHING NEW HEIGHTS THROUGH EXCELLENCE 2025–26

*“Reach high, for stars lie hidden in you.
Dream deep, for every dream precedes the goal.”
— Rabindranath Tagore*

Inspired by these words, *Tagore House* commenced the academic year 2025–26 with zeal, unity, and a firm resolve to excel. Guided by dedication, discipline, and collaboration, every member transformed challenges into opportunities and aspirations into accomplishments, reflecting the House's spirit of resilience and holistic growth.

Achievements in the Primary Section (April–February)

- Kargil Vijay Diwas – Second place, demonstrating patriotism and knowledge.
- Science Quiz – Second place, highlighting teamwork and intellectual curiosity.
- Urdu Writing Competition – First place, showcasing creativity and language skills.

Inter-House Competitions

- Table Tennis (Boys Singles) – 3rd place
- Table Tennis (Boys Doubles) – 3rd place
- Table Tennis (Girls Singles) – 3rd place
- Table Tennis (Girls Doubles) – 2nd place

With determination in their hearts and ambition in their minds, *Tagore House* moves forward—undaunted, united, and inspired to achieve even greater milestones in the coming year.

SIR SYED HOUSE: ADVANCING WITH VISION AND VALOUR 2025–2026

"Arise, awake and stop not till the goal is reached."
— Swami Vivekananda

Inspired by these profound words, *Sir Syed House* began the academic session 2025–26 with renewed enthusiasm, determination, and a steadfast commitment to excellence. True to the ideals of *Sir Syed Ahmed Khan*, the House embraced unity, discipline, and perseverance as the pillars of success. Throughout the year, every member contributed with dedication, transforming challenges into opportunities and efforts into achievements.

Achievements in the Primary Section (April–February)

- *Collage Making Competition* – First place, showcasing creativity and teamwork.
- *Kargil Vijay Diwas* – First place, reflecting patriotism and awareness.
- *Science Quiz*– Third place, highlighting academic preparation and brilliance.
- *Math Quiz*– Third place, demonstrating problem-solving skills and application.

Inter-House Competitions

Juniors and Seniors showcased remarkable teamwork and talent across events:

Event	Juniors	Seniors
Face Painting	1 st	1 st
Best out of Waste	1 st	1 st

Sports Achievements

Sir Syed House showcased exemplary energy, determination, and team spirit:

- Cricket – Junior & Senior levels – Runners-up
- Football – Junior team 3rd place
- Basketball – Senior Boys 3rd place Senior Girls 2nd place
- Volleyball – Senior Boys 3rd place Senior Girls Runners-up

With courage in their hearts and perseverance in their minds, *Sir Syed House* continues its journey—undaunted, inspired, and committed to scaling even greater heights in the years to come.

A Year in Reflection

The Academic and Co-Curricular Journey 2025-2026

The year 2025–2026 unfolded as a vibrant journey of learning, reflection, and growth across Unity College. A thoughtfully curated blend of academic, co-curricular, co-scholastic, and value-based initiatives unfolded throughout the year, enriching the educational experience of students at every level. Counselling sessions, seminars and webinars, educational excursions, NCC engagements, Theology and Moral Science programmes, special assemblies, sports activities, and Pre-Primary initiatives together reflected the College's commitment to holistic development.

All these endeavours were planned and conducted under the able guidance and leadership of the **Principal, Mr Deepak Mervyn Mathews**, and the **Vice Principal, Mr Sachindra Bharti**, whose vision and encouragement provided a steady foundation for the successful execution of activities throughout the year. The NCC programme functioned under the guidance of ANO Ms Nilofer Jafri, while counselling sessions were conducted by the College Counsellor Ms Nisar Fatima Rizvi.

The pages that follow offer a glimpse into these diverse experiences—each activity a small yet meaningful step in shaping confident, compassionate, and responsible individuals. Readers are invited to explore the pages ahead and journey through a year marked by learning, active participation, and meaningful experiences that shaped our students' growth.

COLLEGE ACTIVITIES

1| NURTURING HEALTHY HABITS

On April 8, 2025, the Primary Section observed World Health Day with students of classes I–V through class-wise activities. Class I illustrated good and poor dental hygiene, while class II created

plates showing healthy and unhealthy food. Class III designed Health Day cards appreciating good health and healthcare workers. Class IV prepared health and hygiene awareness collages, and class V made posters promoting healthy lifestyles. The initiative highlighted the importance of health awareness from an early age.

2| CHAMPS 2025

CHAMPS 2025, a unique and impactful academic assessment by Tauheedul Muslimeen Trust (TMT), founded by Padma Bhushan Late Dr S Kalbe Sadiq Saheb, was held on April 14, 2025. Aimed at self-evaluation beyond textbooks, it supported academic growth of students of classes IV–XI across four categories. Conducted at 45 centres across Uttar Pradesh, including Unity College, it saw participation of over 10,000 students. Dignitaries included Mr Amir Ahmed Zaidi (Nihal), Maulana Kalbe Sibtain Noorie, Maulana Sadaf Tanveer Abbas, Shastri Farhat Ejaz, and Principal Mr Mathews.

3| INTER-HOUSE CREATIVE SHOWCASE

Inter-House Artistic Competitions were held at the College on April 19, 2025, engaging students from classes I–XII. The Primary Section participated in Collage Making, while the Secondary and Senior Secondary Sections competed in Collage Making, Flower Arrangement, and Salad Decoration

under Junior and Senior categories. The event was graced by Jt Secretary Dr M Talha and Manager II Shift Dr S Kalbe Sibtain Noorie, and judged by alumni Mr Syed Ali Jibran Rizvi (Software Engineer), Ms Andaleep Rizvi (Media Professional), and senior teachers Ms Asiya Ansari and Ms Farheen Fatima Naqvi, celebrating creativity, teamwork, and aesthetic skills.

4| HONOURING SUPPORT STAFF

The Primary Section observed Labour Day on May 1, 2025, with students of classes I–V expressing appreciation for the College's support staff. Primary Coordinator Ms Tazeen Rizvi addressed the gathering, acknowledging their dedicated service. Principal Mr Mathews commended the thoughtful

initiative. Student representatives from each class presented essential food supplies, toiletries, and stationery items as tokens of gratitude. The programme reinforced values of respect, gratitude, and dignity of labour among young learners.

5| CELEBRATING ACADEMIC EXCELLENCE

A Felicitation Ceremony was held at the College on May 1, 2025, to honour ICSE and ISC toppers and students scoring above 90%. The programme began with a welcome address by Principal Mr Mathews. Secretary Mr Najmul Hasan Rizvi attended online and encouraged students to pursue excellence beyond Board results, while Jt Secretary Dr M Talha congratulated the students. Manager II Shift Dr S Kalbe Sibtain Noorie, Vice Principal Mr Bharti, and guest Maulana Saqlain Baqri, who shared parenting insights, were also present. Dr Noorie paid homage to Founder President Padma

Bhushan Late Dr S Kalbe Sadiq Saheb. A group photograph of achievers, dignitaries, and teachers was taken, followed by a vote of thanks by Mr Bharti.

The College recorded a 100% pass result in the 2025 Board Examinations. In ICSE, 125 students appeared, with 11 scoring above 90%; Mohammad Sajjad Baqri topped with 99%, while Alina Zaidi led Commerce with 88.20%. In ISC, 142 students appeared, with 33 scoring above 90%. Riza Amir topped Humanities with 97.75%, Abbas Saeed led Science with 97.50%, and Haya Javed topped Commerce with 95.75%.

6 | COLOURS OF CREATIVITY

On May 3, 2025, the College organised Inter-House Art Competitions for classes IV to XII. Judges Ms Sukrati Mishra and Dr Madhu Sharma, Assistant Professors at Dr Shakuntala Misra National Rehabilitation University, praised the creativity displayed. Primary students created fish and butterfly artworks, while Juniors and Seniors participated in themed Face Painting and Best Out of Waste contests. The events fostered artistic talent, innovation and environmental awareness.

7 | CHERISHING MOTHERHOOD

On May 9, 2025, classes I to V celebrated Mother's Day through heartfelt activities reflecting love and gratitude. Class I made colourful thank-you cards expressing love, class II crafted flowerpots symbolising responsibility, and class III created glittery crowns. Class IV compiled 'My Mom, My Hero' booklets with poems and memories, while class V designed decorative photo frames. The celebration fostered creativity and appreciation.

8 | INVESTITURE CEREMONIES 2025

The College held its Investiture Ceremonies on May 19 and 21, 2025, for the Senior and Primary Sections respectively. Under the guidance of Principal Mr Mathews and Vice Principal Mr Bharti, new leaders were formally bestowed with badges and took the oath of office. Junior and Senior Head Boy, Head Girl, Vice Head Girl, Discipline In Charges, Co-Curricular In Charges, House

Captains, Vice Captains, and Prefects were presented their badges by Coordinators Ms Masroor Fatima Abdi, Ms Farheen Asrar, and Ms Tazeen Rizvi; Counsellor Ms Rizvi, PTIs Mr Aamir Ali and Ms Shahwar Abbas; and house and subject teachers, amid enthusiastic applause. The ceremonies began with spiritual recitations and concluded with the National Anthem. Mr Mathews emphasised integrity, responsibility, and excellence, encouraging students to balance academics and leadership roles, while Mr Bharti stressed sincerity and honesty for the new leaders.

9 | CHAMPIONING SUSTAINABILITY

World Environment Day was observed on June 5, 2025, organised by the Organic Club. The programme was graced by Advocate Mr A K Saxena; Secretary, Jan Kalyan Seva Sansthan, Mr Raghavendra Mishra; and Scientist Mr Prabhu Kanth Tripathi, who highlighted key environmental concerns and sustainable practices. Environment experts Mr Gyaneshwar Singh, Mr Lalit Pandey, and Mr Awadhesh Srivastava shared

insights on eco-friendly living. Students took an environmental pledge and participated in tree plantation, reinforcing their commitment to sustainability. The event concluded with a vote of thanks by Principal Mr Mathews, inspiring all to champion a sustainable tomorrow.

10 | YOGA FOR HEALTH

The College observed International Yoga Day on June 21, 2025, with a week-long yoga camp led by Mr Ram Avtar Gupta, Dr S P Singh, Mr Lalit Prakash Pandey, and Mr Ravi Singh. Mr Ram Gopal Kaka, National President, Mission Modi Again PM Campaign, addressed students on the health benefits of yoga. Under instructor Mr Ravi Kumar, students, teachers, and parents participated actively.

Principal Mr Mathews welcomed the guests, and Secretary Mr Najmul Hasan Rizvi presented a memento to Mr Kaka. Certificates and medals were awarded to yoga camp and Arm-Wrestling Competition participants. Principal II Shift Ms Shabana Ahmed expressed gratitude. The programme was coordinated by Counsellor Ms Rizvi and PTI II Shift Ms Shaheena Jafri and concluded with the National Anthem, promoting a healthy lifestyle.

11 | CELEBRATING YOUNG WRITERS

The College organised English and Hindi Creative Writing Competitions for classes I–V on July 18 and 19, 2025. Age-appropriate themes—ranging from personal experiences and imaginative scenarios to reflections on daily life—encouraged self-expression and language skills. Judged by the English and Hindi faculty, the event showcased the literary potential of young learners.

12 | SEEDS OF HEALTH

On July 19, 2025, Organic Farm members at the College sowed cauliflower seeds under Farmer Mr Nasir and Counsellor Ms Rizvi's guidance. Mr Nasir highlighted cauliflower's health benefits. Principal Mr Mathews praised the students' enthusiasm for sustainable farming and a healthy lifestyle through the initiative.

13 | FOSTERING LITERARY EXCELLENCE

On July 21, 2025, the College organised an English Creative Writing Competition for students of classes VI to XII to promote originality and critical thinking. Students expressed their ideas on contemporary, imaginative, and reflective themes—including technology, social realities, and personal experiences—through essays, stories, and poems. Principal Mr Mathews appreciated the participants' creativity and eloquence, highlighting the role of such activities in building confidence and fostering literary excellence.

14 | THE POWER OF DEBATE

On July 26, 2025, the College conducted its Inter-House Debate Competition for Junior and Senior students. Juniors debated compulsory recycling, while Seniors discussed legal accountability of social media platforms for misinformation. Principal Mr Mathews and UEP Advisor Ms Tahseen Zaidi judged the event and appreciated students' confidence and originality. Ms Zaidi stressed improving eloquence and body language, while Secretary Mr Najmul Hasan Rizvi encouraged public speaking, and Vice Principal Mr Bharti felicitated the judges, concluding the programme.

15 | SALUTING THE BRAVE

The College observed Kargil Vijay Diwas on July 26, 2025, by organising an Inter-House Quiz for classes IV and V in the Central Hall. The programme was attended by Secretary Mr Najmul Hasan Rizvi, Manager II Shift Dr Kalbe Sibtain Noorie, Principal Mr Mathews, and Primary Coordinator Ms Tazeen Rizvi. Conducted by the Social Studies Department, the quiz fostered patriotism and honoured the bravery of soldiers. The dignitaries appreciated the students' enthusiasm and performance.

Results:

The winners received trophies. Students of classes I–III made tribute cards, while classes IV and V wrote letters expressing gratitude and national pride.

16 | YOUNG SCIENCE EXPLORERS

An engaging Science Quiz for classes IV and V was held on August 7, 2025, to promote curiosity, teamwork and practical learning. The programme opened with an interfaith prayer, followed by six innovative rounds, including sensory and activity-based challenges, which tested observation and application skills. Principal Mr Mathews and Vice Principal Mr Bharti appreciated

the initiative and lauded Primary Coordinator Ms Tazeen Rizvi for her creative planning. Trophies, medals and certificates were awarded, and the programme concluded with a vote of thanks by Ms Rizvi.

17 | SPIRIT OF FREEDOM

The 79th Independence Day was celebrated on August 13 and 15, 2025, with activities across the Pre-Primary, Primary, and Senior Sections.

On August 13, the Pre-Primary Section showcased 'Tiny Patriots in Tricolour', as students of LN, UN, and Prep expressed patriotism through creative art activities and a tricolour march.

The Primary Section marked the day with a special assembly featuring prayers, an interactive quiz, and reflections on India's freedom struggle, attended by Principal Mr Mathews, Vice Principal Mr Bharti, and Primary Coordinator Ms Tazeen Rizvi.

The main celebration on August 15 brought together allied Unity institutions and dignitaries, including Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Administrative Officer Mr Farman Kazmi, Principal Mr Mathews, Vice Principal Mr Bharti, Principal II Shift Ms Shabana Ahmed, UEP Advisor Ms Tehseen Zaidi, and Vice Principal, Unity Pvt ITI, Mr Rais Kazim. Mr Rizvi hoisted the tricolour, followed by the National Anthem. The programme featured addresses by Insha Haider (XII-C) and Haya Siddiqui (VIII-B). The celebrations fostered unity and respect for the Nation's freedom across all Sections.

18 | MUSHTAQ NAQVI MEMORIAL INTER-SCHOOL DEBATE

The College hosted the Mushtaq Naqvi Memorial Inter-School Debate Competition on August 21, 2025, promoting critical thinking and respectful dialogue. Instituted in memory of Late Mr Mushtaq Naqvi and sponsored by Mr Shahab Husain, the event saw participation from reputed institutions like La Martiniere (Boys' and Girls'), Unity College, CMS Rajajipuram, St Francis College, and others.

Chief Guest Dr Amrita Das, educationist and career consultant, paid tribute to Padma Bhushan Late Dr S Kalbe Sadiq Saheb and spoke on Aristotle's logos, pathos and ethos, encouraging interdisciplinary learning and AI integration. Dignitaries present included Mrs Naghma Husain Abidi, Mr Yasir Husain Abidi, Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews and Vice Principal Mr Bharti. The debate on 'Schools Should Shift to Skill-Based Education Instead of Exam-Based Learning' was judged by Mr Pradeep Mall, FRGS, Dr Savya Sachi, Assistant Professor,

University of Lucknow, and Dr Archana Gupta, Assistant Professor, Amity University. Winners were felicitated with trophies and cash vouchers. Secretary Mr Rizvi motivated students to strengthen soft skills alongside academics. The programme concluded with the National Anthem.

22 | A TRIBUTE TO GUIDING STARS

Teachers' Day was celebrated on September 4, 2025, in the presence of Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, and Administrative Officer Mr Farman Kazmi. The celebration featured a special assembly comprising recitations, speeches highlighting teachers as patient mentors and their exalted position, riddles, and a fun quiz. Mr Mathews urged teachers to continuously upgrade their knowledge, while Mr Bharti

praised their dedication. The cultural programme held in the Central Hall included songs, poetry, a ghazal, stand-up comedy, and fun games, fostering an environment of joy and gratitude. A short video was screened as a tribute to the Founder President, Padma Bhushan recipient Late Dr S Kalbe Sadiq Saheb. Teachers received gifts and special awards, including 'Ms Star Performer' Ms Seema Kazmi and 'Mr Star Performer' Mr Jai Banerjee. Mr Rizvi lauded the heartfelt organisation and teachers' devotion.

23 | HONOURING SIR SYED AHMED KHAN

On October 8, 2025, AMU Alumni hosted a Quiz Competition at the College for class XII-A (Humanities) to honour Sir Syed Ahmed Khan's legacy.

Under Principal Mr Mathews and Vice Principal Mr Bharti's guidance, Counsellor Ms Rizvi and Mr Mohd Mohiuddin coordinated the event, with enthusiastic student participation.

24 | JOY OF GIVING

The College observed Daan Utsav on October 8, 2025, promoting the spirit of giving and social responsibility among Pre-Primary and Primary students. As part of the Joy of Giving Week, the

College collected essential food items and toiletries for underprivileged communities, guided by the NGO Goonj. Ms Priya Shukla from Goonj appreciated the contributions, which will aid remote areas. Principal Mr Mathews praised the students' generosity, emphasising that true education includes empathy and compassion. The event inspired kindness and sharing within the College community.

25 | SAY NO TO TOBACCO

A Dental Awareness Session was organised for the non-teaching staff on October 13, 2025, led by Dr Siddhartha Chandle from Era Medical College's Dentistry Department. Attended by Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, Vice Principal Mr Bharti, Administrative Officer Mr Farman Kazmi, and Counsellor Ms Rizvi, the session highlighted the serious health risks of tobacco, including oral cancer.

Dr Chandle urged quitting tobacco for better health. Mr Rizvi and Mr Kazmi encouraged staff to adopt healthier, responsible lifestyles.

26 | BIRTHDAY CHEERS

On October 15, 2025, the Unity Family gathered in the staffroom to celebrate Principal Mr Mathews' birthday, shared with senior office staff Ms Talat Sultana. Vice Principal Mr Bharti presented a bouquet and extended warm wishes.

Mr Mathews thanked everyone, urging perseverance and highlighting the three S's — dedication to School, Staff, and Students. The celebration concluded with refreshments graciously hosted by the Principal, leaving behind fond memories.

27 | RECITATION AND DECLAMATION 2025

On October 25, 2025, the College hosted the Annual Recitation and Declamation Competition for classes I to V, attended by Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, and Coordinator Ms Tazeen Rizvi. Recitation (I-III), judged by Ms Meena Naqvi and Ms Saima Kulsoom, featured expressive poems. Declamation (IV-V), judged by Ms Mahlaqua Siddiqui, and Mr Hasan Mehdi showcased compelling speeches. Judges and dignitaries praised students' confidence and expression.

28 | A CREATIVE DIWALI

On October 25, 2025, the Primary Section celebrated Diwali through creative activities. Classes I and II decorated diyas and candles, class III designed Rangoli, class IV crafted wall hangings, and class V decorated festive trays. Principal Mr Mathews highlighted the importance of celebrating with joy, respecting tradition, and practising kindness. The event showcased teamwork and festive enthusiasm, capturing the true spirit of Diwali.

29 | ANNUAL SPORTS DAY 2025

Annual Sports Day was celebrated on November 1, 2025, and graced by the Chief Guest, Honourable Justice Sayed Qamar Hasan Rizvi, Judge of the High Court of Judicature at Allahabad.

He was warmly welcomed by Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, Manager II Shift Dr Kalbe Sibtain Noorie, and members of the Managing Committee.

Principal Mr Mathews paid tribute to Founder President Padma Bhushan Late Dr S Kalbe Sadiq Saheb. The ceremony opened with an all-religion prayer, followed by the release of balloons. The March-Past impressed everyone. Upper Nursery and Prep presented a football drill, while classes VI–VIII showcased umbrella and yoga drills. Class Prep added fun with ring and ball races. Athletic events, tug-of-war, gymnastics, and Mass PT were also conducted.

The Best Sportsperson Awards were won by Mohd Raza (VIII-C), Qaim Abbas Zaidi (XII-A), Rida Zainab (VI-A), and Aqsa Fatima (IX-B). NCC Girls and Iqbal House won Best March-Past, while Iqbal House and Gandhi House emerged Champion Houses. Justice Rizvi appreciated the College's vision. Mr Rizvi proposed the vote of thanks. The event concluded with the National Anthem.

30 | SPEAKING FOR CHANGE

The Wise Talks Solution-Oriented Public Speaking Competition for classes VI to X was held on November 11, 2025. Principal Mr Mathews and Vice Principal Mr Bharti, along with event In Charges Ms Mahlaqua Siddiqui and Ms Sarah Abbas, encouraged students to research real-world problems and propose practical solutions, showcasing critical thinking, awareness, and confident articulation.

31 | CELEBRATING CHILDHOOD

The College celebrated Children's Day on November 14, 2025, with cheer across all Sections. Pre-Primary students participated in a fun-filled assembly and enjoyed an NIE puppet show, games, movies, and treats. For classes I–XII, a special assembly was organised under the leadership of Principal Mr Mathews and Vice Principal Mr Bharti, with Ms Seema Kazmi and Ms Anam Haider overseeing the programme.

The College Football Team was felicitated, followed by engaging games for all Sections, a delightful song by Mr Shahidul Haq Siddiqui and lively choir performances led by Counsellor Ms Rizvi and Ms Afreen Rizvi. Mr Bharti recited shayari, and Mr Mathews conveyed his wishes. The celebration concluded with sweets, the National Anthem, and a friendly cricket match between teachers and students.

32 | LIBRARY WEEK 2025

Library Week was observed from November 14 to 20, 2025, under the guidance of Principal Mr Mathews and Vice Principal Mr Bharti. Coordinated by Librarian Ms Amreen Rizvi, the event witnessed enthusiastic participation from students of classes III to XI in varied literary competitions, fostering creativity and a love for reading.

33 | FOUNDER'S MEMORIAL DAY

Founder's Memorial Day was observed on November 23, 2025, commemorating the 5th death anniversary of the Founder, Padma Bhushan Late Dr S Kalbe Sadiq Saheb, a visionary educationist and the 'Messiah of the Downtrodden'. Ahead of the occasion, a Week of Giving was organised, during which students of classes III to V and XI undertook charitable visits to Cheshire Homes India-Lucknow, Srimad Dayanand Bal Sadan, and Rain Basera at the Medical College. The initiative was coordinated by Counsellor Ms Rizvi with the able stewardship of Principal Mr Mathews and Vice Principal Mr Bharti and the support of class teachers and lab assistants.

The Memorial Day programme included reflections by Magsaysay Awardee Mr Sandeep Pandey; Mr Aftaab DG, CRPF; Dr Aftaab (New Jersey); Dr Abbas Mehdi, Vice Chancellor of Era University; a message from prominent politician and former Chief Minister of Uttar Pradesh Dr Ammar Rizvi; audio tributes by scientists Dr Sana Sarkar and Dr Alike Sarkar; and memories shared by alumni Dr Rifat Mehdi, Dr Faiz Abbas Abidi and others echoed Dr Sadiq's lifelong mission and values. Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Manager II Shift Dr S Kalbe Sibtain Noorie, and Principal II Shift Ms Shabana Ahmed were present. The programme featured prayers, cultural performances, and nazms, followed by the vote of thanks by Mr Rizvi and the National Anthem. The day concluded with an Organic Club exhibition, and the TMT CHAMPS Prize Distribution Ceremony graced by IAS Mr Shahid Manzar Abbas Rizvi, Chief Coordinator Mr S A A Zaidi, and Dr Noorie, reaffirming Dr Sadiq's enduring legacy.

34 | AMP CONDUCTS NTSE

The National Talent Search Examination was conducted by the Association of Muslim Professionals on December 13, 2025, at the College under the supervision of Principal Mr Mathews and Vice Principal Mr Bharti. With 118 registered candidates, including students from other schools, the examination was coordinated by Ms Fauzia Abbas and observed by Counsellor Ms Rizvi, ensuring a fair and smooth assessment of students' aptitude and reasoning abilities.

35 | ART AND CRAFT EXHIBITION

The Primary Art and Craft Exhibition was held on December 20, 2025, showcasing the imagination of students from classes I to V. The event was graced by Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, Administrative Officer Mr Farman Kazmi, Primary Coordinator Ms Tazeen Rizvi, Counsellor Ms Rizvi, Manager II Shift Dr Kalbe Sibtain Noorie, and Principal II Shift Ms Shabana Ahmed. Inaugurated by Mr Mathews and Mr Bharti, the exhibition featured class-wise themes including transport, jungle life, cartoons, festivals, and mirrors and lights, with interactive displays, student explanations, and a captivating shadow show. Parents and guests admired the students' creativity, confidence, and the dedicated guidance of teachers. The exhibition concluded as a rich, student-centred learning experience.

36|NILANSH THEME PARK OUTING

A picnic for classes X to XII was held at Nilansh Theme Park on December 23, 2025, under the guidance of Principal Mr Mathews and Vice Principal Mr Bharti, and supervised by In Charges Mr Rajesh Pandey and Mr Monis Naqvi. Coordinator Ms Masroor Fatima Abdi and Counsellor Ms Rizvi, along with class and subject teachers, accompanied the students. They enjoyed thrilling adventure games, boating, the adventure train, rides, music, and food, making it a joyful and memorable outing.

37|SPIRIT OF REPUBLIC DAY

Republic Day was celebrated with great enthusiasm and patriotic fervour at the College on January 26, 2026, commemorating the adoption of the Constitution of India. The objective of the event was to instil constitutional values, unity, and a sense of civic responsibility among students. The occasion was graced by distinguished dignitaries, including Managing Committee member Mr Ali Khan (Mehmoodabad); Jt Secretary Dr M Talha; Principal Mr Mathews; Administrative Officer Mr Farman Kazmi; UEP Academic Advisor Ms Tahseen Zaidi; Principal ITI Mr S R Khan; Vice Principal ITI Mr Syed Raees Kazim; Principal (II Shift) Ms Shabana Ahmed; and Vice Principal (II Shift) Mr Ammar Rizvi.

The celebration began with the unfurling of the National Flag, followed by the National Anthem. Students presented speeches and patriotic songs reflecting national pride and the significance of the Constitution. Addressing the gathering, Dr Talha briefly encouraged students to uphold constitutional values and become responsible citizens.

Adding vibrancy to the celebrations, a friendly football match between alumni and present students promoted sportsmanship. Decided by a tie-breaker, the alumni won 4–3, and were felicitated by Mr Mathews. The event concluded with a vote of thanks.

38|STUDENT FAREWELL 2026

A farewell ceremony for class XII (2025–26) was held on January 31, 2026, in the Central Hall, marked by warmth, nostalgia and celebration. The event was graced by Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, Manager II Shift Dr S Kalbe Sibtain Noorie, and Administrative Officer Mr Farman Kazmi.

The programme began with recitations and a welcome address by Ms Ghazala Jafri, followed by a vibrant cultural segment presented by class XI, including songs, a humorous speech, a skit, games, and a soulful qawwali. Souvenirs were presented to class XII students, and teachers, Mr Mohammad Mohiuddin,

Mr Monis Naqvi, Mr Rajesh Pandey, Mr Hasan Mehdi, Ms Ghazala Jafri, Mr Heerat Gupta, Ms Leena Shukla, and Mr Syed Kazim Imam were honoured.

Mr Mathews wished the students success, while Dr Talha advised sincere preparation for the future. Head Girl Tuba Ahmad also spoke, cherishing memories. Ahmad Yasir (XII-C) was awarded Mr Unity and Tuba Ahmad (XII-C) Ms Unity. A nostalgic video was screened, with Mr Bharti proposing the vote of thanks.

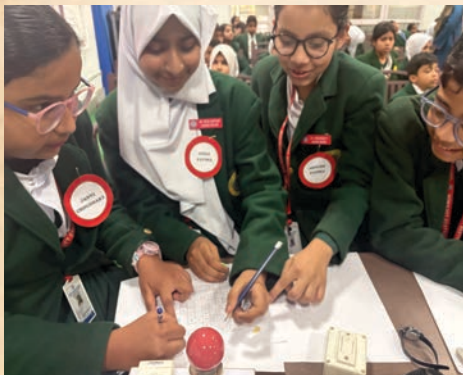

39 | NUMBERS, LOGIC AND YOUNG MINDS

The Primary Section hosted a Mathematics Quiz on February 2, 2026, for classes IV and V to foster logical thinking, problem-solving, and curiosity. The event began with serene renditions from the Holy Scriptures, reflecting harmony and respect.

The programme was graced by Principal Mr Mathews, Vice Principal Mr Bharti, Primary Coordinator Ms Tazeen Rizvi, and Counsellor Ms Rizvi. Inaugural speeches by Mr Mathews and Mr Bharti encouraged students to embrace challenges and strengthen their skills. Class-wise preliminary rounds assessed number sense, operations, patterns, and reasoning, leading to a final quiz comprising six engaging rounds.

Results:

Winner:
Iqbal House

First Runner-Up:
Tagore House

Second Runner-Up:
Sir Syed House

Third Runner-Up:
Gandhi House

Ms Tazeen Rizvi proposed the vote of thanks. Earlier, a Mathematics Olympiad on January 17, 2026, and a house-wise quiz for classes I–III on January 27, 2026, further reinforced analytical thinking and the joy of learning.

40 | HEALTH AND ORGANIC LIVING

The College welcomed Dr Sarah Musavi, a Health Guide from Canada, on February 10, 2026, to promote healthy lifestyles and sustainable living. Dr Musavi, who introduced Organic Farming at Unity four years ago as a pioneering initiative in Lucknow, has since seen it expand into the Unity Organic Farm at Charak.

She interacted with students from the Primary to Senior Sections at the Organic Garden, discussing wholesome nutrition, practical organic farming techniques, naturopathy, and wellness. She encouraged students to adopt healthy routines and avoid junk food.

Dr Musavi also held a session for teachers, linking well-being to effective teaching, emphasised stress reduction, healthy routines, growing plants like Tulsi, and the benefits of sunlight for natural therapy.

The programme, coordinated by Counsellor Ms Rizvi, Ms Fizza Mehdi, and Ms Ila Shahid, concluded with gratitude to Dr Musavi from Principal Mr Mathews and Vice Principal Mr Bharti, reinforcing the College's commitment to holistic education and sustainable practices.

41 | CELEBRATING SCHOLASTIC EXCELLENCE

The College celebrated scholastic achievements in March 2026 through Award Days for the Senior and Primary Sections, recognising students' dedication, perseverance, and all-round excellence while reinforcing the values of discipline, compassion, and a love for learning.

The Senior Award Day on March 25 was graced by the Chief Guest, Hon'ble Justice Mr Aftab Rizvi, Retired Judge of the Allahabad High Court; Jt Secretary Dr M Talha; Manager II Shift Dr Kalbe Sibtain Noorie; Principal Mr Mathews; and Vice Principal Mr Bharti. Students from classes VI–XI were honoured across categories such as Student of the Year, Position Holders, Best Monitors, Best Sportsperson, All-Rounder, Best Handwriting in English and Hindi, Best Groomed, and 100% Attendance. Justice Rizvi congratulated the awardees and encouraged them to persevere, while Mr Mathews urged students to trust in God, remain steadfast, and uphold Janab's vision.

The Primary Award Day on March 28 was graced by the Chief Guest, Education Director, Lucknow Diocese, Reverend Fr Denis Naresh Lobo; Jt Secretary Dr Talha; Prof Dr Sabra Habib; Manager II Shift Dr Noorie; Principal Mr Mathews; Vice Principal Mr Bharti; and Coordinators Ms Masroor Fatima, Ms Farheen Asrar, and Ms Tazeen Rizvi. Students from classes I–V were recognised for Best Student, Academic Ranks, Discipline, Sports, 100% Attendance, Special Awards, and Mathematics Olympiad. Fr Lobo emphasised that talent, perseverance, and compassion lead to true success while Prof Habib inspired students to harness the vigour of youth. Dr Talha encouraged students to remain focused and value-driven in their pursuits.

Both events featured spiritual recitations, cultural performances, and the presentation of saplings and mementoes. Dr M Talha proposed the vote of thanks, and the programmes concluded with the National Anthem, leaving the audience inspired and proud.

42 | FAREWELL TO EDUCATORS

On March 28, 2026, the College bade a heartfelt farewell to Counsellor Ms Rizvi and Senior English Teacher Ms Mahlaqua Siddiqui, recognising their years of dedicated service. The event, attended by Principal Mr Mathews, Vice Principal Mr Bharti, Office Superintendent Mr Shahid Husain, and the teaching staff, celebrated their invaluable contributions and inspired the College community.

Mr Bharti and Mr Mathews lauded the teachers' commitment, knowledge, and emotional intelligence, highlighting their role in furthering the vision of the late Founder, Dr Syed Kalbe Sadiq Saheb. Ms Siddiqui and Ms Rizvi expressed gratitude to the Management and staff, sharing reflections on their fulfilling careers and emphasising diligence, respect, and responsibility.

Both educators were presented with bouquets and gifts, with Ms Rizvi offering her bouquet to Janab's portrait in respect. The programme concluded on a poignant note, leaving behind a lasting legacy of inspiration for students and colleagues alike.

NCC REPORTS

1| ANO MS JAFRI HONoured

The College proudly announces that ANO Ms Nilofer Jafri received the prestigious 'On the Spot Citation DG NCC Plaque' from Lt General Gurbirpal Singh, Director General, NCC, on May 1, 2025, in recognition of her exceptional dedication and commitment to NCC cadets. She was felicitated by Principal Mr Mathews and Vice Principal Mr Bharti on May 3, 2025, in the morning assembly.

2| NCC CAMP LAURELS

A contingent of 21 students from the College participated in the NCC Camp at the 2 MTR AMC Centre from July 29 to August 7, 2025. The cadets won first prize in the 'Group Song' and 'Line Area' competitions. Cadet Alia Fatima (IX-B) secured third prize in map reading, while cadet Zoya Fatima (IX-A) earned a medal for her leadership as Eco Company Senior. ANO Ms Jafri was also awarded an Appreciation Certificate for her tireless efforts in training and motivating the cadets.

3| CADETS' MARATHON GLORY

Dainik Jagran organised the iNext Healthon Half Marathon 2025 at Janeshwar Mishra Park on November 30, 2025. The event featured 21 km, 10 km, 5 km and 2 km categories. NCC cadets Muniba Zainab (IX-B) and Zoya Zehra (IX-A) won medals in the 2 km walk, bringing pride to the College. They were felicitated during the morning assembly, where Principal Mr Mathews and Vice Principal Mr Bharti congratulated them for promoting a healthy and active lifestyle.

4| COMMANDING OFFICER'S VISIT

The College welcomed Col Dinesh Kumar Pathak, Commanding Officer of the 19 UP Girls Battalion, on December 3, 2025. He was formally received by NCC cadets and welcomed by Principal Mr Mathews.

Col Pathak met Secretary Mr Najmul Hasan Rizvi, Managing Committee members, and Vice Principal Mr Bharti, followed by a detailed inspection of the NCC Room, expressing satisfaction with the unit. In a special assembly, he addressed cadets, emphasising discipline, dedication, patriotism, and NCC's role in shaping responsible citizens, and awarded NCC 'A' Certificates. The visit highlighted the exemplary leadership of ANO Ms Jafri and the College's dedication to NCC training.

EDUCATIONAL TRIPS

1| UNITIANS AT INTERNATIONAL CHILDREN'S FILM FESTIVAL

On April 10, 2025, students of classes IV–IX attended the 14th CMS Lucknow International Children's Film Festival at City Montessori School, LDA Branch, promoting world unity and peace. The programme began with the CMS 'All Religions' Prayer and cultural presentations. Festival Director and Convenor Mr R K Singh welcomed several guests, including prominent personalities such as Ashok Puri (producer-director), Imran Khan (actor-filmmaker), and others, followed by ceremonial lamp lighting. Students watched films across varied genres highlighting social values, culture, and creativity, including Flying Wheels, Pehchan, and others. Ms Farheen Fatima Naqvi received the certificate and trophy for the College, making the visit memorable.

2| YOUNG MINDS EXPERIENCE SCIENTIFIC RESEARCH

Students of classes X-A and X-B, accompanied by their Science teachers Ms Huma Rizvi and Mr Seraj Ahmad, participated in the Jigyasa-One Day as a Scientist programme at CSIR–National Botanical Research Institute on July 22, 2025. This all-India initiative by CSIR aims to nurture scientific curiosity among students. During the visit, students interacted with scientists, explored research laboratories, learnt about

diverse plant species and their uses, and observed ongoing scientific work. All participants were awarded certificates in the morning assembly on August 2, 2025.

3| EXPERIENTIAL LEARNING AT SBI

On July 24, 2025, Commerce students of classes XI and XII visited the State Bank of India, Hazratganj Main Branch, Lucknow. The educational visit was organised by Mr S Kazim Imam, in coordination with Mr Ratnesh Mallvya (Marketing Department) and Ms Kiran Chaudhary (Personal Banking Manager), and the students were accompanied by Mr Imam and Ms Ghazala Jafri. Before departure, Principal Mr Mathews and Vice Principal Mr Bharti motivated students. At the bank, students learnt about SBI's history, functions and services, and visited the bank's museum. Notably, 48 students opened savings accounts, gaining practical financial exposure.

4| IMMERSIVE CULTURAL VISITS TO SANATKADA

On August 25 and 29, 2025, the College arranged educational visits to Sanatkada, near Baradari, for class VII-B students and selected students from both Shifts, offering meaningful exposure to Lucknow's rich cultural heritage. The visits included the 'Byscope' exhibition and the 'Adde-Baazi' cultural interaction, highlighting Muharram traditions, Taziya and Alam art, Chikankari and Zardozi embroidery, Awadhi cuisine, and the living tehzeeb of Awadh. Students also attended the release of Tehzeeb: Culinary Traditions of Awadh by Mr Adil Iqbal Ahmad and interacted with Chef Mr Sadaf Husain. The visits were accompanied by Mr Atul Batham, Mr Irfan Ahmad, Mr Rajeev Srivastava, Mr Danish Abidi, Counsellor Ms Rizvi, and Ms Waseem Fatima and conducted under the guidance of College Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, and Principal II Shift Ms Shabana Ahmed, making the experience unforgettable.

5 | ARCHIVAL ADVENTURES

On September 8, 2025, History students of class XII-A (Humanities) visited the UP State Archives, Lucknow, accompanied by Counsellor Ms Rizvi and Mr Mohd Mohiuddin. The visit offered exposure to archival records from different historical periods, manuscript preservation techniques, and special exhibits, including rare maps (like 1871 Lucknow map) and telegrams of Rani Laxmi Bai's martyrdom, as well as freedom struggle documents. The students expressed gratitude to Archivist Mr Amitabh Pandey, Mr Anjini Kumar Tripathi, Mr Shiv Kumar Yadav, Mr Vijay Srivastava, and to College Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, and Vice Principal Mr Bharti for their support.

6 | EXPLORING THE WRITTEN WORLD

On September 11, 2025, students of classes XII-B and XII-C visited the Book Fair at Balrampur Garden, Ashok Marg, with approval from Principal Mr Mathews and Vice Principal Mr Bharti. Accompanied by Librarian Ms Amreen Rizvi and Mr Seraj Ahmad, students explored diverse genres, interacted with booksellers, and were encouraged to develop lasting reading habits and a deeper appreciation for literature.

7 | CULTIVATING GREEN FUTURES

The College promoted sustainable agriculture through activities at Charak Farm House on October 8 and 18, 2025. Organic Club students from classes VI–XI engaged in sapling care and organic sowing, including spinach, beetroot, and mustard seeds, guided by Counsellor Ms Rizvi, Ms Fizza Mehdi, Ms Ila Shahid, and Farmer Mr Nasir Husain.

A special Organic Farming Drive on December 1, 2025, marking the fifth death anniversary of Padma Bhushan Late Dr Kalbe Sadiq Saheb, was organised with Tauheedul Muslimeen Trust, involving students from both Shifts, New St John's School, Taha School, Kalbe Abid Memorial School, and AIIMS School. The programme was graced by Dr Himanshu Dhapola, Mr Raghavendra Mishra, Mr Anand Kumar Saxena, College Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, and Vice Principal Mr Bharti. Representatives from Dabur India shared insights on herbal products and organic support services. Anayah Siddiqui (XI-B) and Waheb Askari (IX-B) highlighted the importance of organic farming, while Mr Rizvi encouraged students to adopt sustainable, eco-friendly practices.

THEOLOGY & MORAL SCIENCE

1 | A TRIBUTE TO BIBI ZAINAB (SA)

The College held a special assembly on August 2, 2025, to pay homage to Bibi Zainab (SA), the valiant daughter of Imam Ali (AS) and the sister of Imam Hussain (AS). The assembly began with the Tilawat and the pledge.

Fatima Rizvi (XII-A) delivered an impactful speech, shedding light on Bibi Zainab's (SA) patience, courage, and dignity in the aftermath of Karbala. Though she wielded no weapon, her words challenged tyrants; her iconic declaration, "I saw nothing but beauty," in the Karbala Martyrdom remains a powerful symbol of faith and resilience. Principal Mr Mathews urged students to practise truth, courage, and righteousness in their everyday lives.

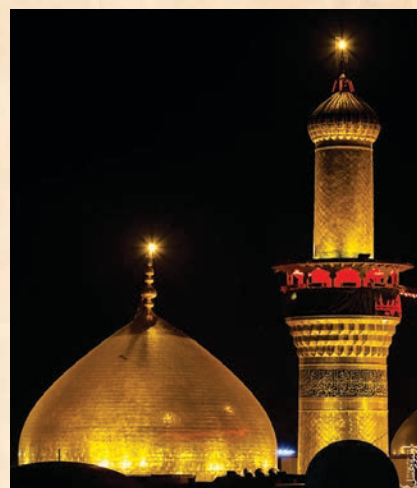

2 | ARBAEEN REFLECTIONS

An Arbaeen special assembly was conducted at the College on August 20, 2025, with students from classes I to V in attendance. The programme was attended by Principal Mr Mathews, Vice Principal Mr Bharti, and Primary Coordinator Ms Tazeen Rizvi. It opened with a soulful Qur'an recitation. Students of class V presented a meaningful skit commemorating the Arbaeen of Imam Husain (AS) and his companions, highlighting the Arbaeen walk and the values of sacrifice, loyalty, and resistance to injustice. Addressing the gathering, Mr Mathews spoke about courage and selflessness, while Mr Bharti urged students to honour the martyrs by fulfilling their duties sincerely. The assembly concluded with a vote of thanks delivered by Ms Rizvi, leaving a lasting and reflective impact.

3 | MARKING THE CONCLUSION OF MUHARRAM

The College observed the last day of Muharram with a special assembly on August 30, 2025. The programme commenced with the morning prayer and pledge, creating a solemn atmosphere. The highlight was a poignant elegy, 'Yaad Aaoge Bhaiyya', recited by the girls of class XI-A, which moved the gathering deeply. The assembly was attended by Principal Mr Mathews and Vice Principal Mr Bharti. Addressing the students, Mr Bharti spoke on shared human suffering and stressed the importance of sincerity in fulfilling one's duties, urging students to focus on their studies and prepare earnestly for the forthcoming Half-Yearly Examinations. The assembly concluded on a reflective and responsible note.

4 | CELEBRATING SACRED BIRTH ANNIVERSARIES

The College marked the birth anniversaries of Prophet Muhammad (PBUH) and Imam Jafar-e-Sadiq (AS) through a special assembly on September 10, 2025, with participation from Pre-Primary to class VII. The event was graced by Principal Mr Mathews, Vice Principal Mr Bharti, and Primary Coordinator Ms Tazeen Rizvi. The programme began with the recitation of Surah Rahman. Girls of classes VI and VII presented a qaseeda, followed by Syeda Rafat Fatima (V-B) presenting timeless sayings of the Prophet (PBUH). Pre-Primary students recited melodious couplets in praise of the Holy Personalities. Senior Theology Teacher Maulana Arshad Husain highlighted their moral and intellectual legacy. In his remarks, Mr Mathews appreciated the participants and urged students to practise honesty, diligence, kindness, and humility.

5| QSCHOOL SHOWCASE OF LEARNING AND FAITH

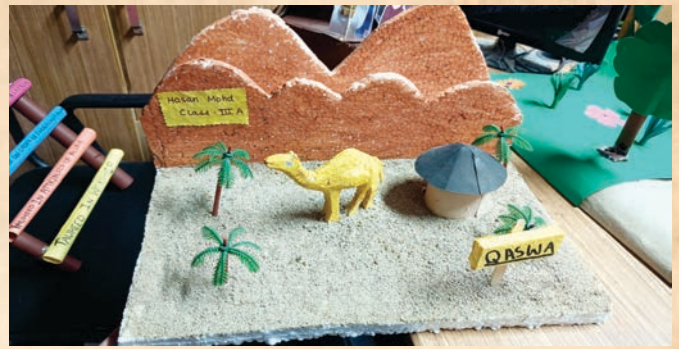

The QSchool Annual Programme and Exhibition was held on November 22 and 24, 2025, at the College, featuring QSchool students from both I and II Shifts. The event was honoured by College Secretary and Founder of QSchools Lucknow, Mr Najmul Hasan Rizvi, accompanied by his wife and son; Manager II Shift, Dr S Kalbe Sibtain Noorie; Principal Mr Mathews;

Vice Principal Mr Bharti; and Counsellor Ms Rizvi. Opening the programme, Mr Mathews highlighted QSchool's child-centred approach that blends Islamic and modern education. Highlights included an inspirational video of Dr Kalbe Sadiq Saheb, a Qir'at featuring Ahlul Bayt verses, a skit on Israaf, the Lunar Month Song, Surah mnemonics, the Quran City presentation (a QFatima concept), an elegy for Sayyada Fatima (SA), and the interactive Risala Quiz. Ms Sabira Taqi's video message emphasised experiential Islamic learning, commended students' progress, and urged parents to promote QSchool. Parents appreciated meaningful religious education.

Dr Noorie praised the Qir'at and coordinator Ms Sakeena Raza's efforts. Mr Rizvi stressed balancing religious and worldly knowledge. The event concluded with a visit to the exhibition, where students' larger-than-life and concept-rich models were widely admired.

6 | HONOURING THE LEGACY OF BIBI FATIMA (SA)

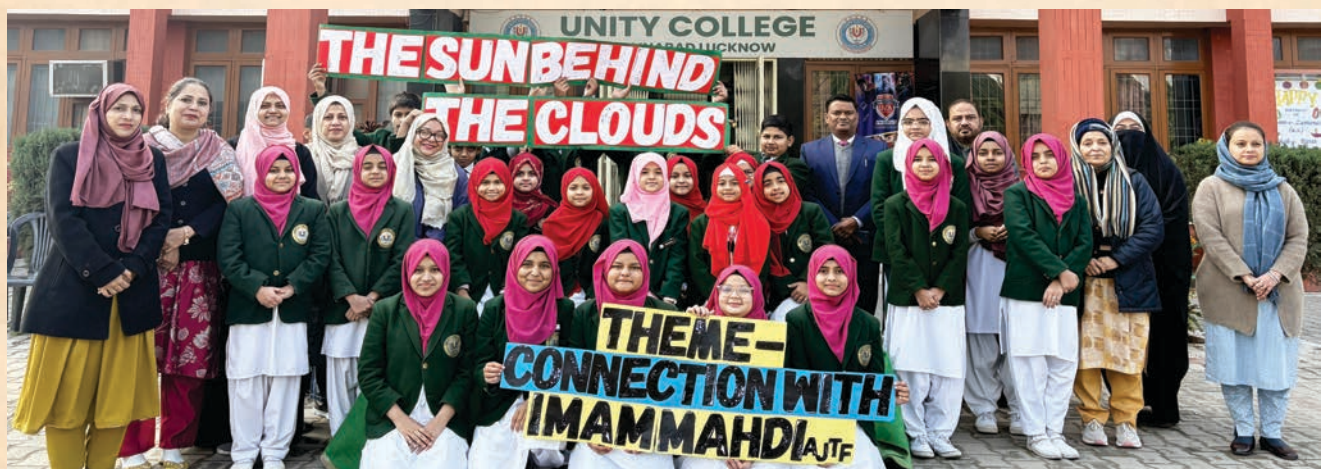

On November 24, 2025, class VIII-B conducted a special assembly commemorating the death anniversary of Bibi Fatima (SA), attended by Principal Mr Mathews and Vice Principal Mr Bharti. The event began with Qur'anic recitation and a pledge. Maryam Zehra Naqvi delivered a moving speech highlighting Bibi Fatima's (SA) role as a devoted wife, loving mother, and dutiful daughter.

A soulful salam, 'Akeli Hai Zahra', created a sombre atmosphere. Theology teacher Maulana Arshad Husain informed of an exhibition at Chota Imambara and prize distribution for students' articles. Mr Mathews linked Bibi Fatima's (SA) life to the Founder's Memorial Day theme, 'Girl Child Education', urging students to draw inspiration from her example.

7 | CELEBRATING FAITH AND DEVOTION

On February 3 and 5, 2026, QSchool and Unity College celebrated 15th Shabaan, commemorating the birth anniversary of Imam-e-Zamana (AJTF), with deep devotion and unity. QSchool marked the occasion with the distribution of cakes, symbolising joy, gratitude,

compassion, and togetherness, accompanied by the recitation of Salawaat and prayers for peace and guidance.

A special assembly, organised by the Department of Theology featured a soulful Qur'anic Tilawat by Ms Kaneez Abbas, followed by its translation. Students of classes I and II presented a meaningful skit, while classes IV and V rendered a reverent Qaseeda. The spiritual ambience was further enriched by a Manqabat. Theology teacher Mr Arshad Husain highlighted the significance of time, recalling the exemplary punctuality of Founder President Late Dr Syed Kalbe Sadiq, and urged students to embrace righteous conduct while awaiting the Imam.

Principal Mr Mathews encouraged introspection and responsible living, urging students to lead meaningful and virtuous lives. The programme concluded with a message of faith, unity, and purposeful living.

MORAL SCIENCE

1 | DISCOVERING SELF-LOVE

Students of class I across all Sections participated in a 'Discovering Self-Love' activity conducted by Ms Sharah Abbas Rizvi on November 15, 2025. The children traced the outline of their hands on sheets of paper and wrote one personal strength on each finger, identifying five abilities. This creative exercise helped the students recognise their talents, build confidence, and express their positive qualities in an enjoyable and meaningful way.

The activity aimed to foster self-awareness and encourage a healthy sense of self-love from a young age.

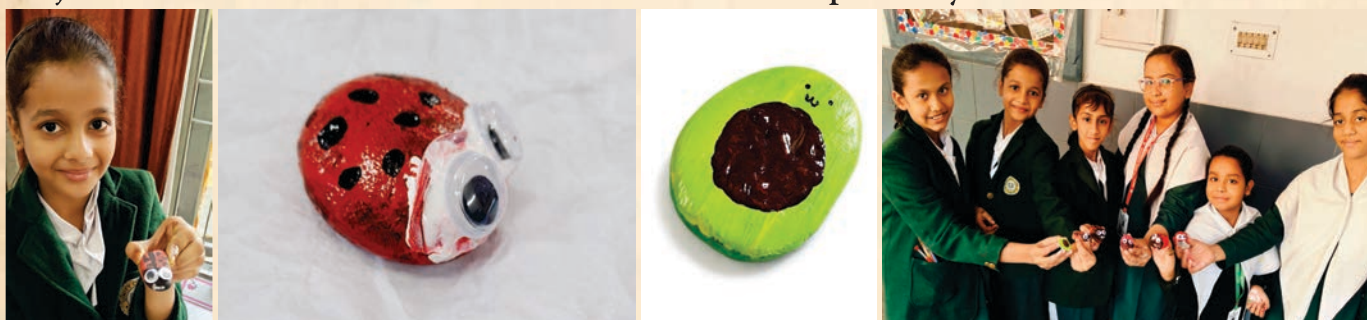

2| TRASH TO TREASURE

From plastic to peelings, students of class V across all Sections discovered how to sort and dispose of waste safely in a practical Waste Management activity conducted by Ms Shadan Azmat on November 15, 2025. The activity taught them that everyone contributes to waste and has a responsibility to manage it properly. Three dustbins were used to demonstrate segregation: red for plastic and non-recyclable waste, green for recyclable dry waste, and yellow for wet waste. Through this hands-on exercise, students learnt eco-friendly habits, reinforced cleanliness, and understood the importance of environmental responsibility.

3| ARTFUL VALUES

On November 18, 2025, students of class IV across all Sections participated in a Stone Painting activity conducted by Ms Afreen Rizvi. The children painted small stones with bright colours and simple designs, turning them into cheerful, bug-like figures. The activity fostered creativity, patience, and attention to detail, while encouraging careful observation of nature. It also gave students a fun opportunity to express their imagination and learn that even ordinary objects can become beautiful when handled with care and positivity.

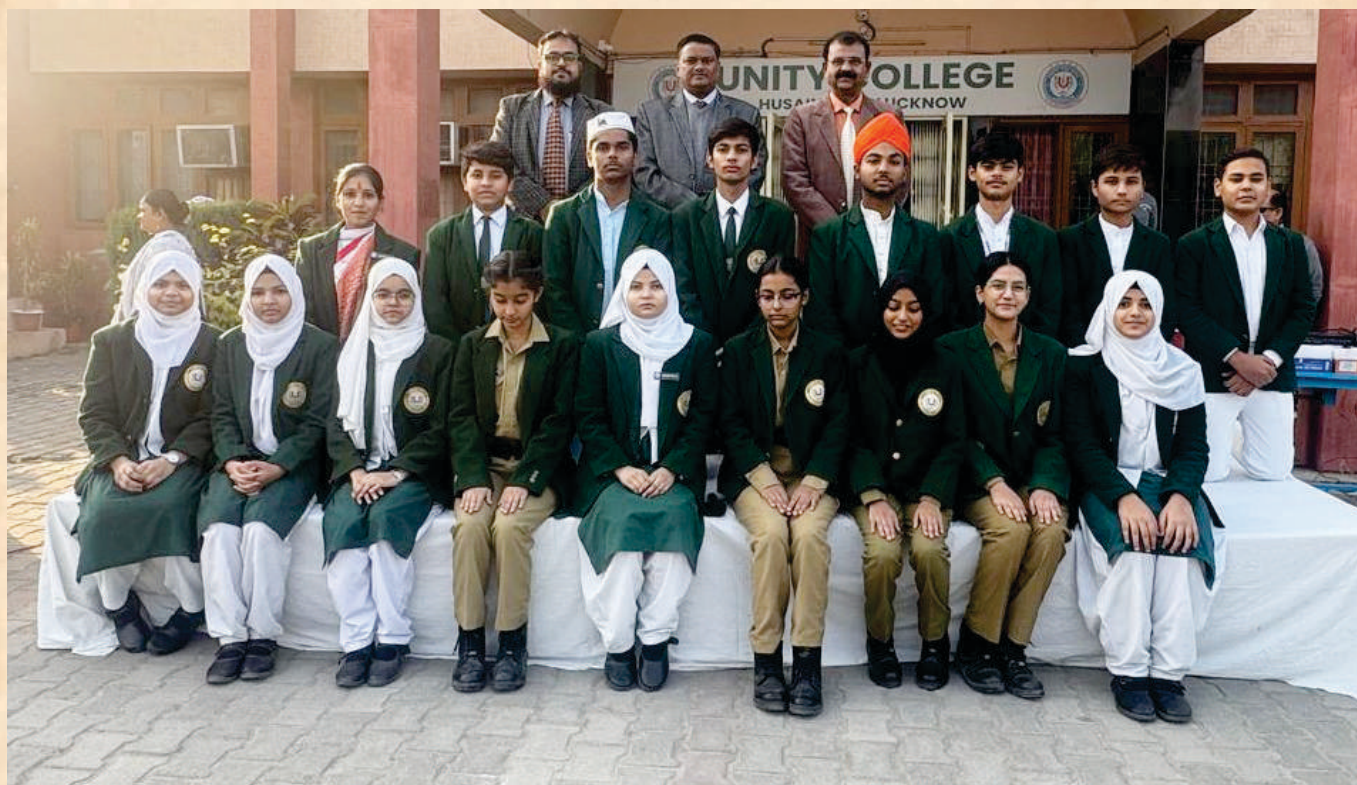

4| NURTURING FRIENDSHIP

On November 19, 2025, students of class I across all Sections took part in a 'Friendship' activity conducted by Ms Sharah Abbas Rizvi. The children created colourful 'Friendship Promise Cards' and wrote a simple pledge on them: "I will share, care, and be fair." This hands-on activity taught them the importance of kindness, cooperation, and honesty in friendships, encouraging positive behaviour and promoting caring relationships among young learners.

5 | CELEBRATING UNITY IN DIVERSITY

Moral Science students presented a powerful skit on the theme of 'Unity in Diversity' on December 4, 2025, guided by Mr Mohd Mohiuddin and supported by Principal Mr Mathews and Vice Principal Mr Bharti. The skit, led by Aliza Zehra (VIII-C) and Innama Abbas (VIII-C), showed five individuals from different religions—Hinduism, Islam, Buddhism, Sikhism, and Christianity—played by Shifa Fatima (IX-C), Sadaan Rehan (IX-B), Faisal Hashmi (IX-B), Ahsan Rehman (IX-A), and Mohd Haider (IX-B), uniting to help an injured man, Zaman Naqvi (IX-B). Mr Mathews praised the message of the skit, emphasising that unity and compassion are society's true foundation.

COUNSELLING SESSIONS

1 PARENT ORIENTATION PROGRAMMES 2025

Recognising parents as key partners in a child's educational journey, the College conducted a series of parent orientation programmes in April 2025 for various classes.

The orientations began with sessions for Lower Nursery on April 8, followed by Upper Nursery and Prep on April 22, where Pre-Primary Coordinator Ms Sabica Zehra, along with class teachers, familiarised parents with the school environment, daily routines, curriculum, teaching methods, hygiene practices, motor skills development, safety norms, and the importance of parental involvement. All sessions commenced with sacred recitations, presented either by students or by the Theology teacher Maulana Arshad Husain.

Primary orientations included class I on April 8 and class III on April 24, conducted in the presence of Principal Mr Mathews, Vice Principal Mr Bharti, and Primary Coordinator Ms Tazeen Rizvi. Teachers briefed parents on attendance, uniform, discipline, homework, healthy habits, diary checks, and effective communication. Interactive discussions added value to the sessions.

Orientations for classes VI and IX were held on April 11 and April 17 in the Central Hall. Mr Bharti, through a PowerPoint presentation, introduced the Management team—Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, and Principal Mr Mathews—along with Counsellor Ms Rizvi and Coordinators Ms Masroor Fatima Abdi and Ms Farheen Asrar, and highlighted academic expectations, discipline, and the mobile phone ban.

Mr Mathews emphasised holistic development, quality parent-child interaction, upcoming initiatives, and shared responsibility in shaping students' growth. All sessions concluded with fruitful interactions and Q&A, setting a positive tone for the academic year.

2| GEDU 'MY MENTOR' APTITUDE TEST

GEDU Global Education conducted the 'My Mentor' aptitude test for class XII students at the College on April 9, 2025, under the guidance of Principal Mr Mathews, Vice Principal Mr Bharti, and Counsellor Ms Rizvi. The assessment offered scholarships, prizes, and a fully funded educational trip to Dubai for top achievers, with certificates for all participants. The programme was informative, motivating, and helped students gain clarity about their aptitude and future academic choices.

3| CAREER EXPLORATION AND GUIDANCE PROGRAMME

The College hosted a two-day career exploration programme on April 15 and 16, 2025, led by Mr Gulamhusain Ahmed, College Tutor in Mathematics and Fundamentals of Engineering at Lehigh Carbon Community College and Stanford University, USA, and a former Project Manager at KGB, Process Quality Engineer at ATAS International, and Project Quality Manager at Bell Labs. He was accompanied by his wife, Ms Habiba Ahmed.

The first session, held on April 15 in the Computer Lab, was attended by Ms Ahmed, Principal Mr Mathews, Vice Principal Mr Bharti, Counsellor Ms Rizvi, and teachers Ms Leena Shukla, Mr Inkit Panjabi, Ms Sarah Abbas,

Mr Mirza Saif Husain, and Ms Masroor Fatima Abdi. Mr Ahmed introduced career planning through the College Board website, administering a 60-question career interest quiz covering six domains and demonstrating career clusters, qualifications, income data, and growth prospects.

On April 16, Mr Ahmed interacted with class XII students in the Central Hall. Mr Mathews emphasised the importance of early career planning, while Mr Bharti welcomed the resource persons. Through reflective questions and discussion, Mr Ahmed encouraged students to align their interests with future goals. A Q&A session followed. Tuba Ahmad (XII-C) delivered the vote of thanks, and saplings were presented to Mr and Ms Ahmed.

4| CAREER GUIDANCE FOR CLASS XII PASS OUTS

A career counselling session for class XII pass out students of all streams was conducted on April 26, 2025, led by Vice Principal Mr Bharti, and coordinated by Counsellor Ms Rizvi, in the presence of Principal Mr Mathews. Students shared academic, financial, and personal concerns, with assurance of full support from the College. Mr Bharti encouraged informed professional choices, followed by a presentation outlining diverse career options.

5| WELLNESS TALK

TIMES NIE organised a health and wellness session for class XI students on May 22, 2025, conducted by Dr Deepali Mohanty, Principal Consultant, Internal Medicine, Max Hospital, under the

guidance of Principal Mr Mathews, Vice Principal Mr Bharti, Counsellor Ms Rizvi, and teachers Ms Asiya Mujeeb Ansari and Ms Sahifa Rizvi. Mr Mathews welcomed Dr Mohanty, who addressed healthy eating, the risks of junk food, sedentary lifestyles, and mobile overuse, emphasising physical activity, mental well-being, and choosing fruits and lassi over cold drinks. Students interacted actively, and the session concluded with a vote of thanks by Mr Bharti.

6 | PATHWAYS TO SUCCESS

A motivational session on competitive exam preparation for classes IX and X was held on May 23, 2025, guided by Principal Mr Mathews, Vice Principal Mr Bharti, and Counsellor Ms Rizvi. Mr S M Raza, Allen Centre Head, Mumbai, with 23 years of experience, stressed discipline, punctuality, and early planning from class IX due to intense competition. He advised students to make productive use of the summer holidays by focusing on Science and Maths, participating in Olympiads such as IJSO and IOQM, appearing for the Jawahar Navodaya Vidyalaya entrance examination, and reading editorials from The Hindu and The Indian Express. He highlighted the importance of class XI in shaping a student's career. The session concluded with a vote of thanks by Mr Mathews.

7 | CAREER IN THE INDIAN ARMED FORCES

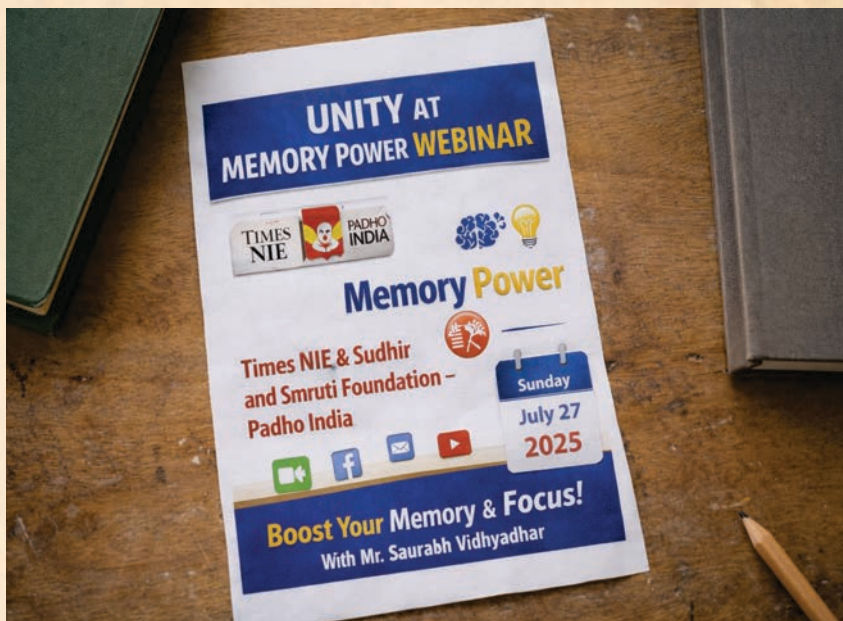

A counselling session for classes XI and XII was held on July 22, 2025, in the presence of Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, Vice Principal Mr Bharti, Ms Ghazala Jafri, and Counsellor Ms Rizvi. Resource persons Lt Col Dipankar Chaudhary and Major General Shabih briefed students on the NDA, Naval Academy, NCC Special Entry (JAG), Short Service Commission (Technical), and the Army Educational Corps. Lt Col Chaudhary explained the details through a PowerPoint presentation, while Major General Shabih inspired students on education, aspirations, and maintaining balance in life.

A video showcasing Army life was screened, followed by Mr Rizvi's vote of thanks, motivating students to plan wisely and explore the promising career opportunities in the Indian Armed Forces. Parents also attended the session.

8| MEMORY POWER WEBINAR

On Sunday, July 27, 2025, the College students and NIE Teacher Coordinator Ms Mahlaqua Siddiqui attended a Memory Power webinar organised by Times NIE with the Sudhir and Smruti Foundation – Padho India. International Memory Coach Mr Saurabh Vidhyadhar shared techniques to improve memory, tackle concentration issues and digital distractions, build confidence, and manage emotional challenges like anxiety and negative thinking. Principal Mr Mathews thanked Times NIE and Padho India for this valuable learning opportunity, which saw enthusiastic participation from both Senior and Junior students and their families.

9| CAREER GUIDANCE ON CHARTERED ACCOUNTANCY

A career counselling session on Chartered Accountancy was held on August 25, 2025, proposed by Mr Suhail Raza and conducted by CA Mr Divesh Agarwal, an ICAI member. Through a PowerPoint presentation, he explained the scope, significance, and dedication required in the CA profession. Alumnus CA Arpit Srivastava shared his professional journey, motivating students. The programme began with a welcome by Vice Principal Mr Bharti, followed by the introduction of the guests by Ms Ghazala Jafri. Principal Mr Mathews urged students to plan their future seriously. Mementoes, souvenirs, and saplings were exchanged, followed by Mr Bharti's assurance of support to students and a vote of thanks by Ms Jafri.

10 | AN INSPIRING ALUMNUS SESSION

The College welcomed its distinguished alumnus Mr Mohd Faras Abbas (2019 batch), who has cleared CLAT and JRF and is pursuing LLM from Jamia Millia Islamia University, on August 28, 2025, to guide classes XI and XII. The session was attended by Secretary Mr Najmul Hasan Rizvi, Principal

Mr Mathews, and Vice Principal Mr Bharti, and coordinated by Ms Ghazala Jafri and Counsellor Ms Rizvi. Mr Abbas emphasised focused effort between the ages of 20-30, goal-setting, practicing PYQs, and planning for higher education, inspiring students with messages of perseverance and hope.

11 | EMPOWERING GIRLS

On September 25, 2025, police officials from Thana Thakurganj visited the College under Mission Shakti, Police Commissionerate Lucknow (Panchami Charan Jagrukta Abhiyan), to sensitise girl students about women's safety. The team was led by Thana Prabhari Mr Om Veer Singh Chauhan, with Sub-Inspectors Mr Vineet Kumar and Mr Ritesh Rai, and women officers Ms Shivani Verma, Ms Priya Devi, and Ms Shikha Shukla. The programme was attended by Principal Mr Mathews, Vice Principal Mr Bharti, Senior Secondary In Charge Ms Masroor Fatima Abdi, and Counsellor Ms Rizvi. Students were informed about key helplines—112, 1090, 1076, 181, and 1098—and cybercrime safety, including fraud calls, scams, and digital arrest. The officers encouraged fearless reporting, family support, and use of the Anti-Romeo Squad. The session concluded with a vote of thanks by Mr Mathews and Mr Bharti, empowering students with confidence and awareness.

12 | AI-DRIVEN CAREER GUIDANCE

The College, in collaboration with Novelto, Help U Educational & Charitable Trust, and LMA YMF, conducted an AI Career Mentorship and Psychometric Assessment Programme on September 30, 2025, for class XII students under the leadership of Secretary Mr Najmul Hasan Rizvi. Students completed AI-powered assessments and received detailed career reports, followed by scheduled one-to-one counselling sessions by CBSE-empanelled and NCERT-certified counsellors, covering streams such as CA, CS, CMA, management, vocational studies, AI, and other emerging fields, with workshops scheduled.

CA Devesh Agarwal addressed the students on Chartered Accountancy and emerging employability skills. The initiative was conceptualised by Principal Mr Mathews and smoothly executed under the supervision of Vice Principal Mr Bharti, with coordination by Ms Ghazala Jafri and support from teachers Ms Anjali and Ms Sneha.

13 | SUFISM AND WOMEN'S EDUCATION

The College hosted an enlightening lecture on Sufism on October 24, 2025, by Prof S M Azizuddin Hussain, Advisor, Bhartiya Bhasha Samiti, Ministry of Education, Government of India, and Honorary Professor, MANUU, Hyderabad. The session was attended by Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, Vice Principal Mr Bharti, and Counsellor Ms Rizvi.

Prof Hussain described Sufism as the 'soul of faith', highlighting peace, service, women's empowerment, and the enduring influence of the Sufis of the Deccan through examples of Hazrat Umme Kulsoom (SA), Sir Syed Ahmad Khan, Mahatma Gandhi, and Sultan Jahan Begum of Bhopal. He referred to key Sufi texts, including Observations on the Mussulmauns of India by Mrs Meer Hasan Ali, Taarikh-e-Awadh by Mr Najmul Ghani, Fawa'id-ul-Fawa'id by Sufi Saint Nizamuddin Auliya, and various Tazkirahs, and clarified Islam's social reforms supporting women.

The programme concluded with a vote of thanks by Mr Rizvi, who posed thought-provoking questions on the role of educational institutions—particularly the first Girls' College in Lucknow—leaving students inspired towards knowledge, compassion, and social harmony.

14 | GLOBAL CAREER PROSPECTS

An informative career guidance session for class XI was held on November 10, 2025, by Mr Danish Murtaza, Director of Lift Dynamics Pte Ltd and S3 Innovate Pte Ltd, Singapore, an Entrepreneur and Senior Electrical Engineer. The session was attended by Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, Vice Principal Mr Bharti, Ms Ghazala Jafri and Counsellor Ms Rizvi. Mr Murtaza briefed students on higher education in Singapore, university admissions, scholarships, skill-based courses, and employment prospects, sharing his journey from Rampur to Singapore and directing students to moe.gov.sg for authentic information.

The programme concluded with a vote of thanks by Mr Bharti, while Mr Rizvi emphasised the role of such sessions in helping students understand their aptitude and choose the right career path.

15 | HISTORY IN FOCUS

Class XII-A organised two History seminars under the guidance of Mr Mohd Mohiuddin to strengthen conceptual understanding. On November 24, 2025, a seminar on World War II focused on the Battle of Midway, examining Japan's post-Pearl Harbour strategy, Allied code-breaking, carrier-based warfare, the loss of four Japanese carriers and the USS Yorktown, its impact on Japan's defensive shift, industrial limitations, the Allied Island-Hopping campaign, and ethical issues of intercepted intelligence.

Another seminar held on December 4, 2025 featured presentations by Basilah Husain on the rise of the Axis Powers, Zehra Mehdi Naqvi on their defeat, and Mohd Imran with Ayaan Ali Mehdi on the Israel–Palestine conflict. Principal Mr Mathews and Vice Principal Mr Bharti appreciated the research-based initiative, which aided Board preparation. Both seminars concluded with a vote of thanks proposed by Mr Mohiuddin.

16 | DEFENCE SERVICES AND NDA PATHWAYS

A career guidance session was held on December 6, 2025, addressed by Colonel Fahsi Ahmad (Retd), an Indian Army officer with extensive experience in high-intensity operations, military administration, logistics, and security. He was accompanied by Mr Atiq Ahmad Siddiqui, a retired Election Commission official, and Mr Khan from the Zakat Foundation of India. Organised under the guidance of Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, Vice Principal Mr Bharti and Counsellor Ms Rizvi, the programme highlighted the Armed Forces as technology-driven and inclusive. Colonel Ahmad illustrated leadership through the example of Colonel Qureshi and explained the UPSC-conducted NDA examination, its syllabus, career branches, pay, facilities, opportunities for women, post-retirement prospects, and preparation resources, followed by NDA training videos and an interactive Q&A session. Mr Rizvi and Mr Bharti appreciated the initiative and motivated students to pursue disciplined and challenging career paths.

SPECIAL ASSEMBLIES

1| HONOURING YOUNG MATHEMATICIANS

A special Primary Section assembly on April 30, 2025, celebrating mathematical excellence, marked the prize distribution for the SOF Maths Olympiad conducted on October 22, 2024. Principal Mr Mathews and Primary Coordinator Ms Tazeen Rizvi presented medals and certificates to Gold Medalists. The efforts of teacher Ms Sadaf Khan were appreciated. Mr Mathews congratulated the winners and motivated students to aim higher.

2| CELEBRATING WORK AND EXCELLENCE

On May 1, 2025, class VIII-A conducted a special assembly to observe Labour Day, featuring prayers, a pledge, and a speech by Aliya Fatima Zaidi honouring workers' dedication. The assembly also celebrated academic excellence, with 22 students from classes VI–XI receiving SOF International Mathematics Olympiad 2024–25 gold medals. Principal Mr Mathews and Vice Principal Mr Bharti felicitated the achievers, while Ms Arshia Tabassum was appreciated for her guidance. Mr Mathews highlighted record breaking Board results and encouraged students to aim higher.

3| WORLD POPULATION DAY OBSERVANCE

The College observed World Population Day through a special assembly on July 14, 2025, aimed at raising awareness about overpopulation and its impact on resources, education and employment. Sara Iqbal (XII-C) delivered an address noting its July 11 observance and the theme, 'Empowering Young People', highlighting informed choices, gender equality, and access to education and healthcare. Principal Mr Mathews urged students to be responsible citizens and contribute to a balanced, sustainable society.

4| COLLEGE MAGAZINE 2025 UNVEILED

The College marked the launch of its Annual College Magazine 2025 on July 19 during a special assembly, unveiled by Principal and Chief Editor Mr Mathews and Vice Principal Mr Bharti. Showcasing the year's academic and co-curricular achievements, the magazine reflects student creativity and faculty guidance. Mr Mathews congratulated the editorial team—Ms Farheen Fatima Naqvi, Ms Mahlaqua Siddiqui, Ms Sarah Abbas, Ms Parul Trivedi, Ms Barkha Sharma, Ms Iqbal Fatima, Ms Shahwar Abbas, and Mr Mirza Saif Husain—and thanked Former Headmistress Ms Kainaat Mansoor, teachers, and students for their contributions. Mr Bharti encouraged students to draw inspiration and aim for inclusion in future editions.

5| HONOURING HINDI

Hindi Diwas was observed through a special assembly presented by students of the Primary and Secondary Sections on September 11, 2025, with the objective of fostering respect for the national language and cultural identity. The programme, prepared by Dr Roopam Gupta and Ms Barkha Sharma, highlighted the theme 'Bhasha Hamari Sanskriti Ki Pehchan Hai' through recitations, songs, and student reflections. Principal Mr Mathews and Vice Principal Mr Bharti graced the occasion. Mr Bharti appreciated the collective efforts behind the assembly and emphasised that love for one's nation is inseparable from respect for its language.

6| REMEMBERING ALLAMA IQBAL

The College observed Iqbal Day through a special assembly on November 10, 2025, bringing together students from Primary to Senior Secondary Sections, to honour Dr Mohammad Iqbal and his philosophy of self-realisation and purposeful living. Organised by the Urdu Department, the programme featured Quranic recitation, an Urdu pledge, poetic renderings, a character portrayal, speeches, a quiz, and group performances highlighting Iqbal's life and works. An Urdu Writing Competition for classes II–V was also held to nurture young writers and promote love for the language. Principal Mr Mathews and Vice Principal Mr Bharti graced the occasion, with Mr Mathews highlighting Iqbal's contribution to Urdu literature and the freedom movement, urging them to uphold his ideals with confidence and resilience.

7 | COMMUNITY HEALTH INITIATIVE

A two-day free Health Camp was held at Unity College II Shift, Lucknow, on November 28–29, 2025, by Nobelray Society and Medanta Foundation, providing free medical check-ups and consultations to students. The initiative, conducted under the guidance of College Secretary Mr Najmul Hasan Rizvi, Manager II Shift Dr S Kalbe Sibtain Noorie, and Principal II Shift Ms Shabana Ahmed, and coordinated by Counsellor Ms Rizvi, concluded with the felicitation of contributors. Ms Rizvi was specially honoured during the morning assembly by Principal Mr Mathews and Vice Principal Mr Bharti.

8 | CHRISTMAS CHEER AND NEW YEAR

The campus resonated with festive cheer during the Christmas and New Year assembly on December 23, 2025, celebrating love, harmony, and goodwill. Set against festive decorations and a joyful theme, the programme featured a Qir'at, pledge, recitations, carols by Primary and Secondary students, keeping the festive spirit alive throughout. Principal Mr Mathews and Vice Principal Mr Bharti appreciated the well-organised assembly and encouraged students to embrace compassion, forgiveness, and positive resolutions for the New Year, reminding them that the true essence of festivals lies in nurturing kindness, humility, and goodwill.

9| EXEMPLARY ATTENDANCE AWARDS

The College celebrated dedication and punctuality on February 3, 2026, by presenting the Highest Monthly Average Attendance Certificates to the Primary classes. The assembly began with the recitation of the Holy Quran, creating a calm and reflective start. Principal Mr Mathews, Vice Principal Mr Bharti, and Primary Coordinator Ms Tazeen Rizvi congratulated the students and teachers.

Certificates were awarded to:

- Ms Ruby Rizvi (April, May, September)
- Ms Sakeena Raza (July, August, October)
- Ms Shahwar Taqvi (November)

Mr Mathews encouraged a spirit of healthy competition, while Mr Bharti and Ms Rizvi extended best wishes.

The assembly concluded with the National Anthem, inspiring students to maintain consistency.

10| CELEBRATING NATIONAL SCIENCE DAY

National Science Day was celebrated on February 16, 2026, to honour C V Raman, the eminent scientist who discovered the Raman Effect. The assembly began with a Quranic recitation, followed by musical and theatrical presentations highlighting that Science empowers humanity and must be used responsibly.

The programme, graced by Principal Mr Mathews and Vice Principal Mr Bharti, and organised under the guidance of Science teachers Ms Leena Shukla, Ms Huma Rizvi, Ms Fauzia Abbas, Ms Ashab Baqar, Ms Iqra Rizvi, and Counsellor Ms Rizvi, featured an engaging quiz, an action song, a thought-provoking skit, a reflective thought, and a solo song performance.

Mr Mathews and Mr Bharti awarded the winners of the quiz and congratulated the Science Department, emphasising practical knowledge, curiosity, and ethical responsibility. The assembly concluded with the National Anthem.

TEACHERS' COUNSELLING AND TRAININGS

1 | MONTESSORI TRAINING PROGRAMMES BY ASEEMA

In 2025, Aseema Charitable Trust (Mumbai)—an NGO founded in 1995 that provides Montessori-inspired education to over 4,400 underprivileged children—partnered with the College to elevate its teaching standards through two intensive training programmes.

The first was a five-day workshop (April 7–11) hosted at Unity College by trainers Ms Jeanne Marie Mathias and Ms Pragati Pravin Joshi. It brought together educators from Unity College, Unity Mission College (Montessori Second Shift), Unity Play House (Allahabad), Sambhal's Mumtaz Modern Senior Secondary School and Zeeshan Fatima Public School, and Barabanki's Mohammad Sibtain Memorial Junior High School. To build confidence, patience, resilience, innovation and positive thinking, the sessions utilised team-building, observations and demonstrations. Hands-on exercises covered EPL (sensorial and practical life learning), sound variations, assimilation and dispersal, I Spy, Teen Beads, Ten Board, Constructive Triangles (Boxes 4 and 5), Drawing Metal Insets, Dressing Frames (Bow, Buckle, Lace), and dough making and chapati rolling.

Later, a six-day programme (August 4–9) at Mumbai Public School, Pali Chimbai, immersed Unity's Ms Saleha Khatoon (morning and evening shifts), alongside evening-shift teachers Ms Hina Fatima, Ms Zehra Fatima and Ms Rabab Fatima, in blended theory and practice. Guided by the same trainers and senior educators, the programme focused on observation techniques, child development, prepared environments, exploration and independence, helping teachers nurture happy, independent learners.

2| POST-VACATION ORIENTATION FOR TEACHERS

An orientation programme for teachers from Pre-Primary to Senior Secondary Sections was conducted on June 28, 2025. Sessions were addressed by Secretary Mr Najmul Hasan Rizvi, Jt Secretary Dr M Talha, Principal Mr Mathews and Vice Principal Mr Bharti.

Principal Mr Mathews shared observations from school rounds, emphasising punctuality, regularity, use of English in classrooms, minimum leave, follow-up with fee defaulters, effective communication with parents and students, guidance for class X stream selection, committee-based planning, vigilance against scribbling, professional camaraderie, and the introduction of Yoga and AI & Robotics Clubs. Vice Principal Mr Bharti highlighted quality education nurturing IQ, EQ and SQ, discipline,

time management, adherence to the dress code, syllabus completion, innovation, spoken English and emotional resilience to groom global citizens. Board results were reviewed at College and National levels, with Dr Talha and Mr Rizvi appreciating efforts, encouraging improvement, preparation for competitive exams, learner independence and assured management support.

3| FITZROY LANGUAGE ENRICHMENT WORKSHOP

A Fitzroy Refresher Training was organised on July 2, 2025, for Pre-Primary and Primary English teachers. The session was led by Mr Karthikeyan, resource person from Saar Publications, and commenced with a welcome by Primary Coordinator Ms Tazeen Rizvi. Mr Karthikeyan discussed the fundamentals of language learning, highlighting LSRW skills and the Fitzroy sequence of Phonemes, Graphemes and Morphemes. He differentiated between language and literature and cautioned against Gen Z lingo and American spellings. The session covered key phonic rules, decoding strategies, blending, segmenting, sight words, controlled vocabulary, and the use of number-and colour-coded Fitzroy readers integrated with software. Interactive activities such as Word Chain, Go Fish, Recycling and Martians made the training interesting. Teachers found the session practical and inspiring. The training concluded with a vote of thanks by Mr Karthikeyan.

4 | SESSION ON HELLO BRITANNICA

On August 8, 2025, Primary and Secondary English teachers attended an orientation on the Hello Britannica programme, conducted by Mr Abhishek Sharma and Mr Mohd Asif Azhar. The session highlighted Britannica's legacy since 1768 and its focus on strengthening communication skills, especially for first-generation learners. The CEFR-based programme (A1–B2) uses a gamified, AI-enabled platform with separate student and teacher interfaces. Themes include Education, Travel, Leisure, and the English-Speaking World, with varied activities and competitions to encourage engagement. Progress is monitored through reports and a 60% score requirement, enabling teachers to track performance and communicate with parents. Teachers appreciated the programme's engaging and user-friendly design.

5 | SCT TRAINING FOR NEW FACULTY

The SCT Teachers' Training was facilitated on August 12 and 13, 2025, for newly appointed faculty — Ms Gull Sanober, Ms Sharah Abbas, Ms Iqra Fatima and Ms Afreen Fatima. The programme was inaugurated by Primary Coordinator Ms Tazeen Rizvi, who warmly welcomed the teachers. Sessions led by Ms Sakeena Raza and Ms Tasneem Zehra focused on Student-Centred Teaching, introducing strategies such as VARK, Think-Pair-Share, Cross-Curriculum Integration, Learning Jigsaw, Fish Bowl, ABC Brainstorm and Text Summarisation, along with assessment tools including Venn Diagrams, Fill in the Blanks, Teacher-Student Talk Time, and Concept-Based Boards. Teachers appreciated the innovative and engaging approaches introduced during the sessions. The programme concluded with a vote of thanks.

6 | URDU TEACHERS' SEMINAR

A seminar for Urdu teachers was organised on September 6, 2025, in the Conference Room, coordinated by Principal Mr Mathews, Vice Principal Mr Bharti, and Senior Urdu teacher Ms Nilofer Jafri. Lecturer Dr Reshma Parveen from Khunkhun Ji Degree College led the session, emphasising the promotion of Urdu, skill updates, self-study, and encouraging student interest. She highlighted contemporary poets, critics, and key texts to keep teachers well-informed. The motivational seminar was well received, inspiring educators to enhance teaching, deepen their commitment to Urdu, and promote continuous learning and language preservation.

7 | ENHANCING EARLY LEARNING

On November 26, 2025, Pre-Primary teachers attended a virtual training session on Zoom, facilitated by Pre-Primary Coordinator Ms Sabica Zehra. The session was led by Ms Shamim Abidi, an Early Childhood Education Trainer from Switzerland. She emphasised hands-on learning as essential for early development, highlighting play-based activities that reduce stress and promote cognitive, language, and emotional growth with tactile exploration encouraging creativity and comprehension.

Ms Abidi covered phonics, storytelling, Mathematics, EVS, and physical-cognitive development, advising on behavioural boundaries, diverse learning corners, interactive Fitzroy Readers, and strategies such as role-play, decoding, drawing, blending, segmenting, sight-word practice, controlled vocabulary, and software integration.

Collaborative teaching tasks and the concept of the child's learning window were also discussed. The session concluded with a vote of thanks and positive feedback from attendees.

8 | STRENGTHENING EARLY PEDAGOGY

On January 7 and March 18, 2026, Pre-Primary teachers attended enriching virtual training sessions via Zoom led by Ms Shamim Abidi from Switzerland, with a warm welcome by Pre-Primary Coordinator Ms Sabica Zehra. The sessions emphasised hands-on, child-centred learning, highlighting the 'Hands-on Learning Progression' and 'Three Period Lesson (3PL)' approach—introduction, identification, and recall—encouraging independent exploration through sensory activities.

Focus areas included language and literacy development, fostering pincer grip, hand-eye coordination, kinaesthetic memory, and the use of materials such as sandpaper letters, insets, little booklets, and movable alphabets. Simple science experiments encouraged curiosity and observation.

The sessions concluded with the integration of Fitzroy Readers and digital tools, alongside a follow-up task to observe and document students with special learning needs. Ms Abidi also addressed student engagement, classroom management, and planning activities, introducing the 'Revolt System' and promoting positive reinforcement. She emphasised hands-on, creative and interactive teaching across subjects, and recommended the Induction Method for Lower Nursery, inspiring meaningful classroom transformation.

PRE-PRIMARY HAPPY HAPPENINGS

1| TINY TOTS TAKE THEIR FIRST STEPS

On April 3, 2025, the Pre-Primary corridors echoed with tiny footsteps, joyful laughter and occasional tears, marking the emotional yet heart-warming first day of our youngest learners. A heart-warming first-day celebration unfolded with teachers greeting each child with radiant smiles and gentle reassurance. Classrooms bloomed with colourful, age-appropriate decor, creating a cheerful haven of comfort and curiosity. Playful interactive activities encouraged friendships to blossom, while a yummy snack break brought smiles and contentment. The day ended with happy waves and shining faces, marking a tender, memorable beginning to the children's beautiful school journey.

2| HAPPY HEARTS, HEALTHY HABITS

World Health Day was joyfully observed on April 8, 2025, with engaging activities designed to nurture healthy minds and bodies. Through vibrant visuals and the lively 'What's Healthy?' game, children discovered the magic of nutritious food. A calming yet energising session on exercise, yoga, and meditation followed, during which young learners gracefully practised the Tree Pose, Cat-Cow Stretch, Downward Dog, and Butterfly Pose under the gentle guidance of the instructor. Lower Nursery joyfully explored cleanliness habits, Upper Nursery confidently sorted healthy and unhealthy foods, while Prep expressed their understanding through Earth-themed drawings and cheerful health messages. The celebration beautifully blended fun with learning, sowing the seeds of wellness, hygiene, fitness, and mindfulness.

3 | SALUTING THE SILENT STRENGTHS

Labour Day was celebrated with warmth and gratitude on May 1, 2025, as young hearts learnt to honour the helping hands that support their world. Lower Nursery students expressed affection through colourful handprint cards and shared refreshing Frooti, salt, and tea. Upper Nursery students crafted vibrant thank-you cards and distributed biscuits, buns, and cakes with cheerful smiles. Prep students thoughtfully created appreciation cards and gifted essentials such as soap, toothpaste, and toothbrushes. The celebration gently nurtured values of respect, kindness, and gratitude towards the invaluable support staff of the College community.

4 | A LOVE LETTER TO MOTHERS

Mother's Day was celebrated with tenderness and heartfelt creativity on May 7, 2025, as classrooms filled with love and admiration. Lower Nursery children crafted sparkling 'MOM' medals using disposable plates, wearing them proudly as tokens of affection. Upper Nursery students designed colourful flowers and hearts with pom-poms, stickers, and glitter, preserving their love in beautifully decorated scrapbooks. Prep students expressed their emotions through vibrant handmade cards adorned with crayons and decorative materials. Though celebrated within classrooms, every creation radiated gratitude, warmth, and the pure innocence of a child's love for their mother.

5|YELLOW DAY DELIGHT

On May 23, 2025, the little cherubs sparkled with sunshine as Yellow Day was celebrated amidst bubbling enthusiasm. Dressed in radiant yellow, the young learners arrived with tiffins filled with yellow delights such as bananas, pineapples, poha, cheese cubes, and sweet corn. Classrooms glowed with thoughtful yellow decor, creating an atmosphere of warmth and joyful learning. Lower Nursery children crafted cheerful 'Smiley Face Emojis', while Upper Nursery students collaborated to create a bright 'Unity School Bus' using yellow and black A4 sheets. Prep students brought 'Caterpillars' to life by linking yellow paper circles. The celebration brought smiles, creativity, and memorable learning moments.

6|BLUE DAY BLISS

The Section joyfully celebrated Blue Day on July 19, 2025, immersing the tiny tots in a sea of calm and creativity. The area bloomed with blue-themed artwork as children and teachers arrived dressed in delightful shades of blue. Lower Nursery students coloured cloud cut-outs and added fingerprint raindrops, reinforcing colour recognition through play. Upper Nursery children crafted charming blue whales using blue and white A4 sheets, adding googly eyes and playful sea waves. Prep students created cheerful paper octopuses with flowing tentacles and smiling faces. The day echoed with laughter, learning, and imagination, making Blue Day both meaningful and memorable.

7 | THREADS OF LOVE

On August 11, 2025, Raksha Bandhan was merrily celebrated, weaving together tradition, creativity, and affection. The rakhi-making activity brought joy across all classes. Lower Nursery children crafted simple, cheerful rakhis, while Upper Nursery students explored satin ribbons, beads, bindis, stickers, and glitter under guided instruction. Prep students elevated their designs with mirrors, foam, and textured elements, carefully supported by teachers. The activity nurtured fine motor skills and offered a hands-on understanding of cultural values. Pride sparkled in little eyes as each rakhi was completed, making the celebration a heartfelt and cherished memory of love and bonding.

8 | TINY PATRIOTS

On August 13, 2025, the Section celebrated Independence Day with vibrant patriotism and creative expression. Lower Nursery children proudly made tricolour handprints, preserving them in scrapbooks as colourful keepsakes. Upper Nursery students assembled elegant tricolour flowers using semi-circular saffron, white, and green A4 sheets. Prep learners explored leaf printing, creating striking tricolour designs inspired by nature. The celebration culminated in a spirited March-Past around the school garden, with children proudly waving miniature flags. By the end of the day, the campus shimmered in tricolour hues, marking a meaningful first step towards understanding freedom, unity, and love for the Nation.

9 | KARBALA HEROIC LEGACY

On August 18, 2025, the Section immersed itself in the solemn spirit of Muharram with creativity and values. Tiny tots explored bravery, compassion, and truth through colourful, hands-on activities. Lower Nursery made little Alams using their handprints, Upper Nursery crafted paper Mashks while learning about kindness and helping others, and Prep students designed mini Salat mats, discovering the importance of prayer. In the Computer Lab, children used Tux Paint to illustrate scenes from Karbala, focusing on Imam Hussain's (AS) tent near the river. Guided patiently by teachers, the day was filled with curiosity, compassion, and little sparks of courage, leaving memorable lessons of sacrifice and empathy.

10 | FIRELESS COOKING FIESTA

On August 28, 2025, tiny chefs of the College turned classrooms into colourful kitchens! Lower Nursery participated in 'Yummy Sandwich Time,' making yummy sandwiches, spreading butter and arranging fresh veggies, Upper Nursery immersed themselves in a 'Crunchy Corn Puri Chaat Fiesta,' stirring up crunchy corn puri chaat, and Prep delighted in a 'Biscuit Chaat Bonanza,' transforming biscuits into magical mini treats with sauces and cheese. Laughter, creativity,

and teamwork bubbled everywhere, as little hands mixed, layered, and plated tasty delights. The day blended fun with skill-building, nurturing confidence, co-operation, and the simple joy of creating and sharing food together. Tiny smiles and proud eyes made it a deliciously memorable experience!

11 | RED DAY WONDERS

On September 9, 2025, the Section was draped in red! Lower Nursery crafted bright, red mushrooms, Upper Nursery made juicy watermelons with green bases and black seeds, and Prep

fashioned fresh strawberries with leafy green tops. Principal Mr Mathews joined in, asking “What are you making?” and “What is the colour?” cheering the children's curiosity and creativity. Laughter, tiny hands, and happy hearts filled the day, helping children connect with the colour red while exploring art and imagination. The cheerful celebration left them with colourful memories and bubbling excitement for learning!

12 | A BEACON OF MERCY: PROPHET MUHAMMAD (PBUH)

On September 10, 2025, the little ones celebrated the Birth Anniversary of Prophet Muhammad (PBUH) with devotion and love. Led by Pre-Primary Coordinator Ms Sabica Zehra and QSchool teacher Ms Wafa Mirza, the day began with the recitation of the sacred verse, "And We have not sent you but as a mercy to the worlds" (Surah Al-Anbiya, Verse 107). Prep students presented qaseedas and shers, inspiring lessons of kindness, truthfulness, and humility. The assembly concluded with a heartfelt dua, leaving young hearts inspired by the Prophet's (PBUH) message of peace, mercy, and noble character.

13 | EXPRESSIONS IN RHYME

On September 11, 2025, the Section came alive with the Recitation Competition! Tiny learners charmed the audience with verses from the Quran, Bhagwat Geeta, and Bible, reflecting peace and unity. Prep dazzled with 'Perfection' and 'Life Doesn't Frighten Me', Upper Nursery charmed with 'I am Blessed' and 'Animal Parade', and Lower Nursery stole hearts with 'Our World' and 'Be Safe, Be Bright'. College Secretary Mr Najmul Hasan Rizvi, Principal Mr Mathews, and esteemed guest Ms Kinaat Mansoor applauded the children with showers of praises.

The results were announced with much excitement:

Lower Nursery Section	Upper Nursery Section	Prep Section
1st – LN B	1st – UN C	1st – Prep B
2nd – LN A	2nd – UN B	2nd – Prep A
3rd – LN C	3rd – UN A	3rd – Prep C

What began as a competition ended as a joyful celebration of young voices and bright beginnings!

14 | NURTURING PEACE & HARMONY

On September 22, 2025, the tiny tots blissfully celebrated Peace Day with colours, smiles, and kind hearts. Graced by the presence of Principal Mr Mathews and Pre-Primary Coordinator Ms Sabica Zehra, the day bloomed with messages of love and togetherness. Class Prep led a special assembly with songs and thoughts, charming everyone with the action song 'I Got Peace in My Fingers'. Principal Mr Mathews explained to them peace in simple terms—being kind, sharing, and keeping a happy heart. Later that day, Peace hopped into every classroom with colour and cheer. Lower Nursery coloured doves, hearts, and the smiling Earth. Upper Nursery wrapped the world with handprints whispering 'We Can Change the World', while Prep folded doves and hearts, sprinkling kindness, love, and gentle smiles everywhere.

15 | DUSSEHRA SPARKLES ✨

The Section glowed with festive cheer on October 3, 2025, as Dussehra was celebrated with joy and creativity. The children eagerly took part in hands-on activities that beautifully blended artistic expression with cultural learning. Lower Nursery pupils created fiery scrapbook scenes using feathers and popsicle sticks, while Upper Nursery students proudly designed miniature Ravana's with thermocol glasses, glittering crowns, and bold moustaches. Prep learners added a fun touch by decorating popsicle Ravana faces. Amid laughter and colour, the children learnt the beautiful message of Dussehra—that good always triumphs over evil—carrying home bright smiles and festive memories. Appreciating the students' enthusiasm, Principal Mr Mathews highlighted the importance of such activities in nurturing imagination, creativity, and cultural awareness from an early age.

16 | ORANGE-TASTIC DAY! 🍊

On October 18, 2025, the College bloomed in bright orange as the Section celebrated Orange Day with excitement and giggles. Little learners trotted their way in cheerful orange hues, spreading warmth everywhere. Lower Nursery made cute 'Orange Carrots' with googly eyes and happy faces. Upper Nursery crafted roaring 'Tiger Faces' using yellow and orange sheets, while Prep students enjoyed creating 'Orange Smiley Crafts' with paint and straws. A refreshing cup of orange juice added extra joy. The day shimmered with laughter, creativity, and learning as children joyfully explored the colour orange, carrying home colourful crafts and sunny memories.

17| DIWALI DELIGHTS

Diwali sparkled brightly in the Section on October 25, 2025, with colour, creativity, and festive joy. Under the guidance of Pre-Primary Coordinator Ms Sabica Zehra, classrooms buzzed with excitement and glowing smiles. Lower Nursery crafted glittery Anaar firecrackers, Upper Nursery folded paper candles with shining flames, and Prep students beautifully decorated mud diyas with beads, mirrors, and sequins. Principal Mr Mathews encouraged the children to spread light, kindness, and happiness. The celebration ended with joy, glowing crafts, and hearts filled with the true spirit of Diwali.

18| CHILDREN'S DAY MAGIC

Children's Day sparkled into a happy fiesta of giggles and joy on November 14, 2025. The celebrations commenced with a lively Special Assembly thoughtfully presented by the loving teachers. Colourfully dressed children clapped enthusiastically to quizzes, action songs, voice-mimicry fun and playful games. Teachers stole young hearts with delightful performances of 'Lakdi Ki Kaathi', 'Nani Teri Morni' and 'Ahaa Tamatar Bada Mazedaar'.

The highlight of the celebration was a charming puppet show organised by The Times NIE for Pre-Primary and Class I. Led by Mr Sanjeev Srivastava, the show captivated young audiences through an engaging blend of songs, stories, dances and humour. Seth Murari Lal's amusing forest adventure, woven with the song 'Mere Paas Aao Mere Dosto', delighted children while lively interactions between Sethji and Anokhe Lal gently imparted lessons on healthy habits and life skills in a funny manner. Principal Mr Mathews and Vice Principal Mr Bharti expressed heartfelt appreciation to Mr Srivastava and The Times NIE team for seamlessly blending fun with learning.

The celebrations continued in classrooms, which echoed with cheerful films, group games, shared tiffins, handmade cards and warm camaraderie. Sweet treats distributed by the College added to the excitement. Warm wishes from Mr Mathews wrapped the day in happiness, making it truly unforgettable.

19 | LITTLE FIRST AIDERS

Curiosity buzzed through classrooms on November 29, 2025, as the Section celebrated First Aid Day. Lower Nursery children turned into tiny doctors, wearing caps, masks, and gloves while caring for soft toys. Upper Nursery created sparkling First Aid kits from black chart paper with a glittery red '+', learning emergency symbols with pride. Prep students explored real-life care through First Aid Box scrapbook activity using band-aids, earbuds and cotton rolls. Smiles, teamwork, and excitement filled the day as children learnt kindness, safety, and helping hands. The activity gently planted seeds of empathy, confidence, and early safety awareness.

20 | LITTLE SANTAS SPREAD JOY

Christmas cheer danced through the Section on December 23, 2025, as tiny Santas arrived in red smiles and festive delight. Classrooms glowed with fun, laughter and sparkle. Lower Nursery made glittery green handprints, Upper Nursery crafted cheerful Santa caps, and Prep designed playful Santa masks with paper plates. Teachers guided each step with care and love. Principal Mr Mathews and Pre-Primary Coordinator Ms Sabica Zehra visited classrooms, praising the joyful efforts of children and teachers alike. The celebration ended with happy hearts, confident smiles, and the true magic of Christmas twinkling everywhere.

21| ✨ TINY PATRIOTS SHINE ✨

On January 24, 2026, the toddlers of the College celebrated Republic Day with colour and cheer under Pre-Primary Coordinator Ms Sabica Zehra. Tiny learners, in tricolour caps and wristbands, waved flags with pride. Lower Nursery created pom-pom flower bunches, Upper Nursery crafted badges, and Prep decorated peacocks. Laughter and learning danced together as children discovered unity, freedom, and joy, leaving with bright smiles and little hearts full of patriotism.

22| 🦄 PURPLE MAGIC MOMENTS

On January 28, 2026, classrooms glowed in gentle purple hues as children explored the colour purple with joy in the presence of Pre-Primary Coordinator Ms Sabica Zehra. Lower Nursery enjoyed lavender thumb-printing, Upper Nursery crafted sparkling brinjals, and Prep designed creative aquariums. Dressed in purple, the tiny learners filled the day with smiles, curiosity, and imagination, making it a cheerful blend of creativity, colour, and happy learning.

23 | BLESSINGS & BRIGHT SMILES

On February 6, 2026, the Section marked the birth anniversary of Imam-e-Zamana (AJTF) with prayers and joy. Guided by Ms Qayma Zehra, Ms Saniya Zehra, and Pre-Primary Coordinator Ms Sabica Zehra, children offered duas, joined quizzes, and recited Dua-e-Faraj. Certificates for Highest Monthly Average Attendance were presented during the assembly as follows:

- Class LN-B – April & November (Ms Wajeeha Askari)
- Class LN-C – May, July, August, September, October & January (Ms Tayyaba Yusuf)
- Class Prep-B – December (Ms Shazia Anjum)

With cake shared in joy, kind words from Principal Mr Mathews, and warm wishes in the air, the morning gently drew to a close with smiles, Salawaat, and the National Anthem.

24 | FIRST STEPS TO BIG DREAMS

The College joyfully organised the Pre-Primary Graduation Ceremony and Award Day on March 24, 2026, graced by Jt Secretary Dr M Talha, Principal Mr Mathews, Vice Principal Mr Bharti, Special Guest Ms Kainaat Mansoor, Primary Coordinator Ms Tazeen Rizvi, and Pre-Primary Coordinator Ms Sabica Zehra, marking a key milestone.

The programme began with a warm welcome, followed by recitations from the Holy Quran, Geeta, and Bible. Mr Mathews highlighted early education and teacher dedication. Awards were presented across categories, including Best Student, 100% Attendance, Best Disciplined Student, Best Writing Skills, Best Groomed Student, and 100% Scorers in the Maths Olympiad. Prep A, B, and C students proudly received their graduation certificates. Cultural performances 'Roots of Our Family' and 'Stars of Our Hearts' by Upper Nursery, and 'Respect for Grandparents' by Prep, along with a student thanksgiving speech and words of appreciation by Dr Talha, added vibrancy and charm. The event concluded with a vote of thanks and the National Anthem.

MY FUN BIRTHDAY PARTY

I celebrated my birthday with a fantastic party. My friends and family gathered at my house, bringing gifts and smiles.

The decorations were bright and colourful, with balloons and streamers everywhere.

We played fun games like musical chairs and had a blast.

My favourite part was the delicious cake decorated with my favourite character.

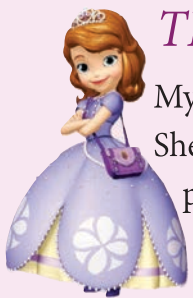

The party was filled with laughter, joy, and unforgettable memories. It was one of the best birthday parties I have ever had.

Fatima Zehra Rizvi I-A

A LITTLE WISH

*If I were a butterfly,
With wings so bright;
I would go to the clouds in the sky,
And ask them to rain
On the little flowers
To have a very pretty sight.*

Ifra Fatima I-B

THE KIND PRINCESS SOFIA

My favourite cartoon character is Sofia the First. She is a kind and sweet girl. She becomes a princess when her mother marries King Roland II. Sofia lives in a big castle called Enchancia. She wears a purple dress and a magical amulet. The amulet lets her talk to animals and meet other princesses. Sofia goes to a special school called Royal Prep Academy. She has many adventures and learns how to be a good princess.

Mahreen Fatima II-B

JOY OF EID

Eid is my favourite festival. On this day, we wear new clothes and go to the mosque for prayers. We hug our friends and say, "Eid Mubarak". We eat tasty food like biryani and sewai. We also get eidi from elders. We give food and money to poor people. Eid is a day of happiness, love and sharing. We celebrate Eid after the month of Ramadan. Children are very happy on this day.

Riza Fatima I-C

YUMMY BIRYANI!

My favourite food is biryani.

It is very tasty and smells very good.

My mother cooks it for me.

I like to eat it with salad and raita.

I enjoy eating it at weekends with my family.

It makes me very happy.

I love my favourite food.

Maira II-A

GREEN AND JUICY GUAVA

Guava is a fruit. It is green and very yummy. It has seeds inside that we can eat. Guava grows on trees called guava trees. I eat guava when I want a snack. Small guavas are sometimes injected to grow faster, but they are not healthy. When there is no guava, I feel sad. Guavas are tasty and healthy. I love guava very much.

Saniya Zehra II-C

THE POWER OF HONESTY

Honesty has a power that very few people can handle. If we are honest in our lives, then our lives will be honest to us. Have you heard the story of the woodcutter and the fairy? The fairy gave him all the axes because he was so honest. Honesty always brings goodness in our lives. People trust and respect honest persons everywhere. An honest person may face problems, but in the end, truth always wins. We should always speak the truth and do the right thing, even when no one is watching. Honesty makes our heart pure and our life peaceful. Honesty is the first chapter in the book of wisdom.

Wahiba Haider III-B

MY FUN SUNDAY MORNING

Last Sunday was super exciting for me. I woke up early because I could not wait for the fun. I brushed my teeth very fast and ran to the balcony. The air was cool, and the sky looked bright.

My mother made hot pancakes for breakfast. They smelled so yummy! I ate them quickly because I wanted to play.

After breakfast, something exciting happened. I found a colourful butterfly in our garden. It sat on my hand for a moment. I felt so happy.

Then I went to the park with my friends. We played on the slide, swings, and even raced each other. I won one race and jumped with joy. We laughed so much that our stomachs started hurting.

I also saw a tiny puppy chasing its tail. It was so funny! I gave it some biscuits, and it followed me around.

When I came home, I watched my favourite cartoon and relaxed. I enjoyed my Sunday very much.

Anaya Zehra Abidi III-A

OLEX – MY ROBOT FRIEND

Since my childhood, I have been fond of robots, as I see them on TV, mobiles, and in books regularly. One day, I requested my father to bring a robot for me, but he was not interested. Suddenly, my mother gave me a surprise in the form of a robot. I jumped on my bed with joy and happiness. I quickly named him

Olex. Olex's body is made of steel and plastic. He has a square face, two legs, two hands, and a few buttons. Olex helps my family members in their work. I charge the robot every day. He plays with me and helps me with my homework. Olex sleeps next to me. My friends also like Olex. Olex greets my relatives and guests. Over time, Olex has become an important member of my family.

We love Olex a lot.

Fatima Rizvi III-C

A SURPRISE BIRTHDAY CAKE

On a pleasant day, when I was eight years old, I decided to cook. It was Sunday, so I woke up at eight in the morning, got dressed and told my mummy that I was going to cook.

She was astonished. She asked me, "On your own?" I nodded. She asked, "Do you even know the recipe?" I thought for a second and said, "I can take the help from the internet."

At that moment, my sister came into the room and said, "Oh sister, please don't cook. I don't want to eat overcooked food!" I was furious. Why did my sister never believe me?

Ignoring her, my mother said that I could cook, but on one condition. I had to make a dish that had fewer steps to prepare. I was happy!

I went into the kitchen with my mobile phone and locked the kitchen door from inside. I also had to think about what I should make. I opened a cake recipe and started watching it. I used flour to make the base and kept it in a steel container. Then I put the container in the microwave, set the temperature to 250°C and baked it. I ground the blueberries to make the cream.

I placed a cherry in the centre of the cake, and made a simple flower design on the corners. I also placed three candles on it.

When I came out of the kitchen with the cake, everyone was confused. Then I called my two-year-old cousin brother and asked the family to come to the dining area. When everyone was there, I suddenly said, "Happy Birthday!" Then everybody remembered that it was my cousin's birthday. We enjoyed the birthday and had lots of fun.

Vania Zehra IV-A

LEARNING BEYOND THE PAGES

Sometimes we don't understand a concept just by reading. For example, in Science, we do experiments to understand concepts better. It's not just in Science; it can be in anything. The joy of learning isn't just in books and lines; it is in the experiences and conversations that shine. Beyond pages, curiosity sparks delight. Experiences and interactions bring joy. They foster curiosity, creativity, and practical application of knowledge, enriching lives. So, let's continue to explore, learn and grow both in and out of the classroom.

Bisma Fatima IV-B

A FATHER'S LOVE

A father's love is strong and true,
guiding hands, a heart so true.
With every step, with every fall,
he's there to catch you through it all.

His words of wisdom, a gentle guide,
a shelter from life's stormy tide.
Forever there, through thick and thin,
a father's love—a treasure within.

Fatima Hashim IV-C

MY PROUDEST MOMENT

Everybody has a day when they feel proud of themselves, whether they get the first position, a badge, or something special. I was also proud of myself on the day I got the Head Girl badge.

It was Wednesday, and it was my birthday too. A teacher came and called all the cabinet members. We had no idea why ma'am had called us. After calling all the cabinet members, ma'am called my name. She said, "Batool Rizvi, come out." I was surprised and went outside. All my friends were cabinet members too. Our Coordinator took our interviews. After the interview, she asked us to go back to our classes.

The next day, my teacher asked us to go to class V-B. All cabinet members were there. Our Coordinator told us our duties. Then it was the day of our rehearsal. A teacher taught us how to enter, how to hold the flag, how to stand, and how to have our pictures taken.

Finally, it was the day of the 'Investiture Ceremony'. We were very happy as we entered performing the march-past. After the march-past, our Vice Principal gave the badge to me. Then our Principal and Vice Principal handed the school flag to me and the Head Boy. We placed the flag on the stand and went to our places. After all cabinet members received their badges, we stood for the National Anthem. After the National Anthem, we went back to our classes.

That was the day I was truly proud of myself.

Batool Rizvi V-A

HUG THE EARTH!

I love my family and friends because they are my loved ones. Similarly, we need to love the Earth too. Our Mother Earth suffers a lot, and she needs a hug from us. We can give her a hug by planting more trees, keeping our surroundings clean, and making the world green. This also benefits us by giving fresh air and oxygen.

We should always throw garbage in the dustbin and make sure it goes in the right bin.

We can bring positive change by using resources carefully. Mother Earth would be the happiest planet in our solar system if we do things that help her—and if she is healthy, it benefits us too!

We can reduce pollution by using vehicles less, walking to nearby places, or riding bicycles. We should also use less plastic and only when necessary. That's how we can help our Earth, lighten her burden, and truly give her a hug. Together, we can make a difference!

Asra Zaidi V-B

BRING BACK THE BUTTERFLIES

Butterflies are one of the most beautiful insects in the world. They have bright wings and flutter around flowers. But sadly, the number of butterflies is going down every year. Many of them are disappearing because trees are being cut down and there are fewer flowers. We must plant more trees and flowers to give them a safe home. If we protect nature, butterflies will return and our world will be colourful again.

Save the Butterflies

Butterflies are very important for nature. They help plants make seeds by carrying pollen from one flower to another. The climate is also changing, and butterflies cannot survive in very hot or cold places. We should stop using harmful sprays and start growing butterfly-friendly gardens. Saving butterflies means saving nature.

Why Are Butterflies Disappearing?

Once upon a time, butterflies were seen everywhere—in parks, gardens, and forests. Now, we see fewer of them. Why? Because humans are cutting trees, spraying chemicals, and polluting the air. Butterflies need clean air and safe surroundings to live. Let us all make a promise to take care of our planet: plant more flowers, reduce pollution, and never harm insects. Together, we can bring the butterflies back!

BEYOND THE HIDDEN DOOR

It was Saturday.

Butool, Masooma, and I were sitting alone in the library. There was no one else besides us. While we were busy talking, we noticed a bright light coming from behind a bookshelf.

When we moved the bookshelf aside, we found a mysterious door. The three of us became curious and decided to open it.

As we opened the door and stepped inside, we found ourselves in a strange world.

The sky was dark, and there were no leaves or flowers on any of the trees. While we were exploring that dreadful place, a strange creature suddenly appeared behind us and said, “Hey, little kids, nice to meet you,” laughing wildly. “My dinner is here,” he growled in a dangerous voice and ordered his soldiers, “Go! Catch those little shrimps!”

We immediately started running blindly and soon found ourselves in a forest. Neither the creature nor his soldiers were in sight. Thank God—we had escaped the terrible creature!

We stopped by a river to rest.

“What was that?” I said, panting.

“I don’t know—maybe a monster. Run! He’s coming!” Butool shouted.

We ran and ran until we saw a cave in the distance. Without thinking, we rushed inside to hide.

“We need to get out of here,” Butool said anxiously.

We sat down on the cold ground to catch our breath when suddenly, we heard a noise.

Someone else was in the cave. Looking around, we saw a little boy who was also a warrior. The boy appeared thin and weak, but he was braver than us. His name was Zevran. We asked him,

“Is there a way to get out of here?”

“Yes, through that door,” he said, pointing towards a huge carved figure. Just then, the loud voice of the strange monster echoed outside the cave. “Hey, little shrimps! Where are you?”

“Do not be afraid,” the warrior said firmly. “I will save you from the monster. You go through the secret door—I will handle it.” Zevran pressed the forehead of the carved figure, and a hidden door opened with a long, creaking sound. We quickly said goodbye to Zevran and stepped through, finding ourselves back in our own world—exhausted and trembling.

“Thank God! We made it out alive,” I said with a grin. We decided to keep it a secret and returned to our classroom, though we could not stop thinking about the strange world beyond the hidden door.

CARTOONS MAKE ME HAPPY

Cartoons and anime are my favourite things to watch. They are the reason I survive boring days. Seriously, they are like my secret power to stay happy, my magical escape, and the reason I don't fall asleep during my Maths homework! Whenever I feel bored, tired, or just super lazy, cartoons and anime jump in like superheroes and save my mood. They make me laugh so hard sometimes that even my pet cat, Daisy, thinks I have lost my mind. They really mean the world to me!

One reason I love cartoons and anime is because of the crazy, silly, and unforgettable characters. Some are funny, some are brave, and some have hair so pointy that it looks like they stuck a fork in their head! Take Doraemon, Pokemon, Shinchan, or Chota Bheem—they are so funny they can probably make a stone laugh. And anime like Jujutsu Kaisen, Demon Slayer, Suzume, and Naruto! They have battles so cool that I sometimes start practising ninja moves in my room.

Anime also teaches me great lessons about friendship, teamwork, and how believing in your dreams can make them come true. Plus, the animation is so colourful and amazing that my eyes almost throw a party every time I watch. It feels like I am inside a world where homework doesn't exist and every problem can be solved with friendship, courage, and maybe a giant robot cat who pulls out magical gadgets from his pocket!

To conclude, cartoons and anime aren't just fun things—they are part of my daily happiness routine. They make me laugh, inspire me, and help me dream bigger. I have learnt never to give up, even when life feels like the world's hardest video game level. That is why I believe cartoons and anime are the best things to watch, and I will keep watching them forever—even when I am old, grumpy, and telling my grandchildren how Pikachu was cooler than their hologram robots!

So, I advise you to watch cartoons and anime in your free time after studying, as they can make your life happier and more fun.

Zehra Ibrahim VI-C

THE WORLD I SEE

The world I see is full of dreams,
With endless wonder, or so it seems.
Where I can run and I can scream,
And play fun games with my team.

The golden sun and the sky so high,
Beneath a tree, with a magpie.
With rays of sunshine, warm and bright,
Where children play from day to night.

People busy in their tasks,
Weaving smiles behind curious masks.
Schoolboys and girls with shiny satchels,
Giggling and walking to their learning chapels.

Nabeela Zainab VII-A

THE HARDEST DECISION I EVER HAD TO MAKE

The story begins in the year 2022. I was in class IV and quite involved in basketball. I loved to play the game and had learnt it well by the age of ten. No matter whether exams were approaching or projects were due the following week, my first priority was always to participate in a basketball match. But what I did not realise was that it would soon turn into a nightmare!

In October, our school was organising the Annual Sports Day. I was very excited to hear that a basketball match would be part of the event. Our Sports teacher told us that interested students should come in the evening for practice. I felt on cloud nine. I was so happy that I could hardly express my emotions in words. Little did I know that something terrible awaited me.

That evening, I took my new, flashy white shoes with glistening spikes from the shoe cabinet and put them on. I grabbed my water bottle and went to the ground, where practice had already started. After taking a few sips of water, I began playing. I had scored two goals when it was time for a short break. I was about to drink some water when suddenly I felt a tightness in my chest and collapsed onto the ground. My coach quickly helped me up and gave me water. She immediately called my mother and explained my condition. My mother rushed to the school and took me to the doctor. The doctor told us that I was suffering from asthma and advised me to be careful while playing and not to overexert myself as it could harm me and cause serious health issues in the future. I was heartbroken and confused. But then a thought struck me. This was the hardest decision I had ever made. Instead of giving up, I decided to play basketball again with caution. My focus was entirely on winning the basketball cup.

The day of the event arrived. I played with all my heart and, in the final moments, scored the winning goal with my eyes closed. My teammates congratulated me, and we celebrated our victory.

In conclusion, I would like to say that we must focus on our goals, no matter the difficulties we face. The most important thing is to believe in ourselves—and then move forward.

Mubashira Fatima VII-B

THE DAY I SWAPPED LIVES WITH MY FRIEND

I woke up feeling different. I rubbed my eyes, stretched my arms, and yawned. Suddenly, I noticed that I was wearing my friend Ariba's night suit. As it was already seven o'clock, I quickly got ready for school, ignoring it. I could not understand what was going on.

On reaching school, one of my friends said, "Hello, Ariba!" I replied with a confused expression. As the day began, I felt like I was living Ariba's life. But the adventure was just beginning. My English teacher asked me to read a chapter. Usually, I read clearly and confidently, but today it felt strange. Things got even weirder when one of my friends offered me noodles—but the problem was the chopsticks. I was totally unfamiliar with them, yet the moment I held them, I managed a perfect bite. My classmates cheered, but to me, it felt like a miracle.

Another humorous event awaited me. The next period was Games. Our Sports teacher asked us to play basketball, while badminton and football were given to other classes. I was the worst at basketball. I was placed in Team A, which had very skilled players. As I was about to protest, my team captain said, "I know you are good at this sport, so be the vice-captain." I felt like crying for two reasons—my identity had changed, and I had no idea what I was doing. However, I played well and scored ten out of fifteen goals, helping my team win.

Finally, school was over, and as I walked home, I saw myself walking towards me, wearing my clothes and trying to catch a ball. My eyes widened in shock. We could not wait to get home and figure out how to switch back, as somehow we had swapped our lives. But one thing I knew for sure—it was just the beginning of a crazy adventure!

Wajiha Fatima VII-C

WINTER GOODBYE

Last year, winter was extremely cold, and the wind was icy. I had two pet chickens, Chikki and Chikku. They were my best friends. Every day, I fed them grains and water, and they would cluck happily.

Chikki and Chikku loved to run around the yard. They would dig in the soil and play in the sun. I loved watching them. At night, I kept them in a small house to keep them warm and safe.

One very cold night, I forgot to cover their little home with a warm blanket. I thought they would be fine, but the wind was very strong. In the morning, I went to check on them. Chikki and Chikku were lying very still. They were not moving or clucking. I called my parents, and they told me that Chikki and Chikku had died because the cold was too much for them. My heart broke. I cried for a long time because I missed them deeply.

We buried Chikki and Chikku in the garden. I planted flowers on their spot so I could remember them. I promised to take better care of my pets in the future and never forget to keep them warm. Even though it was a sad time, I learnt how important it is to care for the ones we love. Now, every winter, when I see the flowers bloom where they rest, I remember them with love and gratitude.

Zainab Naqvi VIII-A

THE VANISHING GARDEN

I was shifting from my old house to an unknown one that almost seemed like a castle. Its tall, spiked towers pierced the sky. The place stood in complete isolation—no houses, no neighbours, just endless woods and silence. On my first day, I decided to explore. Dust-covered paintings lined the walls, and doors stood cracked open. Behind a loose brick in the fireplace, I found a small brass key, heavier than it looked, with twisting engravings. It did not match any modern lock and felt ancient.

Curious, I went outside and found a rusted gate hidden behind overgrown bushes. Beyond it lay a forsaken garden, wild and untamed. Broken statues peeked from thorny roses, but what surprised me most was a flat iron door set into the ground. Kneeling, I placed the key in the lock—but before I could turn it, a hand shot out and grabbed mine.

The man—if he was a man—stood before me, tall and lean, with sunken eyes and clothes stained with mud and time. He moved oddly, as if his joints had forgotten how to bend. With claw-like fingers, he snatched the key. Darkness swallowed everything.

When I opened my eyes, the garden was gone. Twisted plants, statues, the iron door, even the key—everything had vanished. My heart raced. Had I imagined it all? I ran to the castle, yelling for my father and told him everything. He stared, pale and confused. “A garden?” he said. “We don't have a garden.”

Seqah Fatima Rizvi VIII-B

BLOOMING IN SHADOW

I'm just a student, doing my best,
Some shine brighter – life's little test.

I don't wish to live in another's fame;
I wish they'd see – we're not the same.

I'll stop comparing; I'll just be me,
I'll shine in my own way, wild and free.

Every bud blooms in its own way!
Every blossom has its destined day!

Raziya Batool VIII-C

They compare and talk; it's hard to bear,
But I still try with love and care.

I'm more than grades; I've dreams too,
And someday they'll see what I can do.

Step by step, I'll find my own grace,
And learn to love my own place.

THE MOVING SHADOW

The Annual School Photography Competition was the most exciting event of the year. This time, three friends – Meera, Arjun and Sara – decided to participate together. Each had a different style: Meera loved photographing nature, Arjun enjoyed pictures of people, and Sara focused on capturing light and shadow.

They planned to explore an old abandoned bungalow on the outskirts of town. People said it was haunted, but the three friends did not believe such stories, thinking the building would make their photos unique.

When they reached the bungalow, the air felt strangely cold. Still, they entered bravely. Meera captured a broken window covered in vines. Arjun took a photo of a dusty staircase. Sara, however, noticed a long shadow in the hallway and instantly clicked it.

After an hour, they returned home and prepared their photos for the competition. The next day, entries were displayed on the school notice board. Students and teachers admired the creativity. The judges announced Sara as the winner for the picture of the long shadow with a mysterious, lifelike figure.

“But my shadow was still,” she whispered to Meera and Arjun.

To prove it, she zoomed in on the original picture. To her surprise, the shadow clearly showed the outline of a tall man standing right behind her.

“Who is this man?” she cried. “There was no one else apart from us!” exclaimed Arjun.

Before they could tell the judges, the lights in the school corridor started flickering. And in Sara's winning photograph on the notice board – the shadow had moved.

Aamina IX-A

WHERE THE READER BECOMES THE STORY

Riya loved old libraries. When her family moved to a quiet town, she was thrilled to see a huge, ancient library at the end of her street. Its stone walls were covered in vines, and its wooden door had carvings of strange animals.

One evening, Riya grabbed her notebook and walked to the library. The door creaked as she pushed it open. Inside, everything glowed with warm golden light. Books floated from shelf to shelf. A gentle voice whispered, "Choose a book, young reader."

Riya spun around, but no one was there. She reached for a thick blue book titled 'The Keeper's Secret'. The moment she opened it, the pages flashed—and suddenly, she was standing in a forest. A fox with emerald eyes bowed. "You are the chosen keeper. Only you can save our world."

Riya solved riddles, crossed rivers, and stopped a storm caused by a mischievous spirit. When the quest was done, the fox led her to a glowing doorway. "Thank you, keeper. Return whenever you wish."

Riya stepped through and found herself back in the library. The librarian smiled. "You were in the book for three minutes. Impressive!" "Only three minutes? It felt like hours," said Riya. "Stories stretch time," the librarian winked.

Riya laughed and opened the door—but outside, everything was different. Houses were colourful, trees taller, the sky brighter. A boy ran past. "Welcome to Evergreen Town!" The library was gone. The blue book in her hand had a new title: *Where the Reader Becomes the Story*.

Alisha Fatima IX-B

THE CLOUD THAT TRIED

There is a cloud,
Not too loud.
Drifting high,
Trying to touch the sky.
Maybe it was delusional,
May be it seemed impossible.
But at least it tried.
And now that cloud rests at the top,
An inspiration for all the clouds that rise.

Shifa Fatima IX-C

THE POWER OF ONE SMALL DECISION

Last year, a small-town school had a class famous for chaos. Chairs squeaked, bags lay everywhere, and their indiscipline often drowned the bell. Rohan and Meera were just two students in the noisy classroom. Meera often wished someone would do something about the mess.

One day, the teacher stopped midway and sighed, "If this class stays like this, we will cancel the picnic." The sentence hit the class harder than any exam. Everyone blamed each other, but only Meera quietly began picking up wrappers. Rohan teased, "What are you doing, applying for housekeeping?" She shrugged, "At least I'm doing something."

For a week, Meera continued small tasks—pushing chairs, closing windows, keeping the board clean. Slowly, others joined, except Rohan, who still tossed paper balls. On Friday, the principal inspected and praised the neat room: "This is impressive. Teamwork really shows. The picnic stays. Remember—people change surroundings."

The next morning, Rohan walked in early, straightened the chairs, and Meera smiled, "Welcome to the team." For the first time, he felt proud—not for cleaning, but for joining something good.

Zainab Fatima X-A

TRAGEDY OF THE HOMELAND

Come with all your shame to the homeland — now empty.
Where have you been so long, arguing with the dead soldiers?
I waited for you for ages — my youth has withered away.
Now I carry the weight of your kin, the ones who left behind.
Have you returned with victory, or lost everything you had when you departed?
Why return to this barren land, where only regret remains?
My soul has dried up — I can no longer live nor breathe.
You look weary of war, your clothes are torn — and I too stand bare.

I always boasted of your strength to them, when they came knocking.
But now, in your eyes, I see the reflection of a defeated warrior.
Still, I adore you — may you be buried in my soil, a remembrance forever.
These years have emptied us, even of each other — leaving only despair to offer.

Those cries and screams still haunt me, as if someone alive still calls for help,
And then my hopes fade away, for I remember no one is left.
It is only me and my loneliness that lingers in this desolate land.
I once dreamt of brighter days, without cracks and scars,
But I still see that morning, when the sun rose high, and under it, you grew older.
Now the sun is darkened, and you too bear the stain of mud and gunpowder.
Only a leafless tree remains — how has it survived?
Or is it you, returned to water it, if only you would not die?

This land has seen too many tragedies while you were a part of it.
You fought beyond the border, trying to save the homeland, as it was looted from within.
So take your final breath, and die with the battles you once fought.
Let me swallow you into my soil and grant you, at last, a peaceful sleep.

Sanad Ali X-B

ODE TO NATURE

The mornings — calm, beautiful, and warm,
The nights — cool and filled with charm,
The sun, the moon, the stars that shine,
The birds and bees moving in a line.

The rain pours gently overhead,
The trees give fruits and shelter spread,
The chirping birds, the beetles' song,
The flowers dancing all day long.

The hills and mountains kiss the sky,
The forests dense, the deserts dry,
The seas, the oceans, lakes, and ponds,
Where life in every form responds.

From tiny ants to creatures grand,
Each one plays a role so planned,
It soothes my heart and stirs my soul —
O nature, your beauty makes me whole!

Huda Fatima X-C

AN UNEXPECTED ACT OF KINDNESS THAT CHANGED MY PERSPECTIVE

In this heartless and cold world, only a few people are left who truly have a good heart and a soft corner for everyone around them.

It was the year 2006, during the month of July. It was pouring heavily as the clock struck ten. My neighbour's son went out to pick up his football, and what happened next changed their lives forever. He found a small baby girl lying in a basket, crying helplessly. Shocked, he called out to his parents and rushed inside to tell them what he saw. At first, they thought he was making up a story, but he insisted, and finally they went to check. To their surprise, there really was a baby lying there. His mother immediately picked up the baby in her arms and took her inside. They had no idea who the baby's parents were or why she had been

left there. Without wasting time, they informed the police about the incident. The officers assured them they would investigate and do everything they could.

After three days of investigation, the truth came out. The baby's parents had died in a car crash, but miraculously, the baby had survived. The responsibility of the child was given to her aunt. Unfortunately, she did not want to take care of her, as raising a child required time, patience, and money. So, one night, just three days after the accident, she came up with a cruel idea—to abandon the baby at some random house far away, so no one would suspect her.

How cruel can this world be? Such a small child, barely six months old, left alone in the dark—what was her fault?

When my neighbours learnt the full story, they were horrified by what the woman had done to her own niece. Without hesitation, they filed a complaint against her, and soon she was arrested for her inhumane act.

Though my neighbours were not financially stable, they decided to adopt the baby. This act of kindness showed that compassion still exists, and humanity can rise above all odds.

This story changed my perspective on life and the world. Doing something good for someone you do not even know can completely change a life. Today, the same child has been admitted to one of India's top medical colleges—AIIMS Delhi—and is now pursuing her dream of becoming a doctor.

Wajiha Zahra XI-B

PHASE OF LIFE

A time comes,
When strangers become the weavers,
But soon the glossy, shining waves
May turn into haters.
The glow of achievement outshines the crowd
around me,
The fear of losing fades away quietly.
The steady hand of the true never left my side,
The support that nurtured me
Became the strength where passions reside.
The wish to grow better and better each day,
And to make proud the one who showed me
the way,
The graph keeps rising higher and higher,
The wings I have earned will soar like a fighter.
Triumph will bring admiration to some,
While feelings of jealousy may surely come,
But who cares for jealous bees
When you have fought the flower of truth and
peace.

Meraj Fatima XI-B

GROWING UP!

A few years after we are born,
Our parents push us into school.
From KG to class XII, we mug up facts:
“The sun rises in the east,”
And the rotation never seems to cease.

When we grew older,
We memorised that 2×2 equals 4,
But the teacher asked “How come?”
A thought crossed my mind:
What if it's all just a rhyme
We're taught to recite in time?

When I reached class IX,
I scored just 69.
People said I didn't deserve Science.
A question struck me hard:
Am I mentally weak,
Or do I just refuse to mug up theories they preach?

I spent the whole year asking my teachers
‘How’ and ‘Why’.
We are expected to
Master Physics, Chemistry, and Biology,
But what about other subjects which truly appeal to me?

As exams drew near,
The books became dear,
And we mugged up every line,
No matter how many sleepless nights it took this time.
No one cared about real invention,
And few dared to ask a single question.

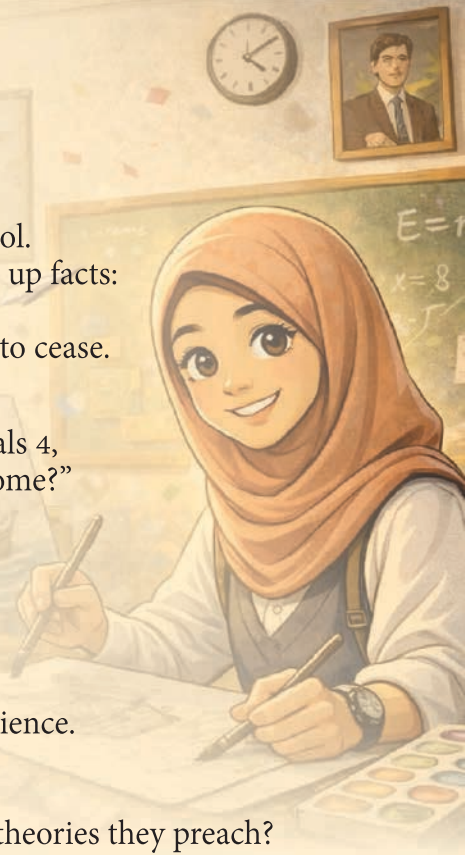

I moved up to the next level, chasing knowledge,
And took up Commerce, though it caused me pain,
Because everyone said, “You have got no brain.”

I wanted to ask them:
Was the man who painted the Mona Lisa a fool?
Or is it a crime to be different from the school's golden rule?

Scientists, businessmen, teachers—they are considered cool,
But the one who dreams differently faces ridicule.
But we know how to find success,
Not through bookish knowledge but through our
own progress.

Confidence and diligence—I have them in plenty,
For they are the sparks that ignite destiny.

Areeb Fatima XI-D

BITTERSWEET SCHOOL FAREWELL

School—it's not just a word; it's our second home. It's a place where we grew up, made friends, and learnt how to socialise. When we were younger, we often wished to escape from it, but as the time came to leave, all we wanted was to go back and relive those carefree days once more. School is where we found our true friends, and when the moment of farewell arrived, we realised how hard it was to say goodbye. It is not just a building where students come to learn; it is a safe space for those who need comfort and belonging.

And then, the time of farewell finally came. Students were all dressed up, with slight tears in their eyes but smiles on their lips. Bidding a final goodbye was harder than we had thought. We all enjoyed the function, the memories, and the moments captured on that special day, even as we shed happy tears. Everyone got their refreshments after that, but did they really want to leave this safe haven—their second home? For me, the answer was no.

Yes, we do have a life ahead of us waiting, but school is where we truly grew up. And now, as the last school farewell arrived, it felt as if we were being separated from our home. The farewell filled us with mixed emotions—some of us were happy, some were sad, and others were excited for the future. Everyone hugged each other one last time, promising to stay in touch.

When the farewell ended, school life ended with it, and students wished they could relive that amazing, adventure-filled journey again. But they could not, so they revisited their school days by cherishing the memories they had created and remembering moments filled with chaos and laughter. Hence, the last school farewell is truly a day of mixed emotions.

Tatheer Zahra XII-A

UNDER THE GREEN & WHITE

My brain was soft, notes were hard,
Life started changing and hit me like a dart.
Homework, tests, marks in stress,
Whole day in that cool green dress.

And one day, it vanished like a dream,
I heard a voice—more like a scream.
Then I stopped, sat under the tree,
The winds passing by made me feel free.

I stood again and started running,
The thought within was not too funny.
I wore my dress, began to feel peace,
That green and white dress,
teasing me with ease.

Then I realised a stop is a must,
The past is needed for the future to trust.
The past was stored in that one bag,
Peace was beneath that UNITY flag.

I breathe again—calm and free,
As nature hums the tune with me.
And this is home, calm and wise,
Where roots still grow and spirits rise.

Mansoor Abbas XII-B

THE PRICE OF UNREGULATED VOICES

Lucknow trusts the Gomti River because it flows within its banks. It nourishes, sustains life, and brings beauty—but only as long as it respects its boundaries. When it overflows, it causes damage.

Words are the same. They can inspire, comfort, and connect—but if left unchecked, they can hurt, mislead, and destroy.

Every careless remark, every false story, every harmful message—spreading unchecked—can create chaos in a community. A world where rumours travel faster than truth, where outrage becomes entertainment, and cruelty becomes casual, is a world in danger.

That is not freedom. That is disaster disguised as a right. And that is exactly why freedom of speech must have limits.

Unregulated words can damage relationships, reputations, and trust. A single careless post online or a thoughtless comment in school can create misunderstandings, conflict, or emotional pain. Even humour, if misused, can unintentionally hurt others.

Limits are not censorship. They are protection.

We put brakes on cars not to stop movement, but to prevent accidents. We follow rules in school not to restrict us, but to ensure safety and harmony.

Similarly, limits on speech do not kill freedom—they protect us from harming each other.

Your voice is yours—until it becomes a weapon.
Your freedom is yours—until it hurts someone else.

Sara Iqbal XII-C

SELF-RELIANT INDIA: A NATION AWAKENS

"Why look westward when the sun rises in the east?" whispered a farmer to the wind as he bent over his fields with hands that held both soil and dreams. India has always been a land of abundance—of ideas, of talent, of resilience—but for a long time, we have been taught to measure ourselves through foreign eyes. Today, a quiet but firm voice is rising from the ground, from the youth, from the villages, and from the cities. It says simply, 'We are enough.'

Self-reliance is not isolation. It is confidence in our own strength. From reaching Mars on our first attempt to rural innovations, India proves that we can do the extraordinary with ordinary means. Youth are building, crafting, and coding without waiting for help. Not just to teach facts, but also to teach thinking, we need classrooms where questioning is encouraged and where failure is seen as a step, not an end.

True self-reliance lies in evolving education that nurtures curiosity and in valuing local products, traditions, and ideas. It's buying Khadi, trusting Ayurveda, and fixing instead of replacing. It's knowing that 'Made in India' reflects pride, not compromise.

Self-reliance is not walking alone but walking tall—leading the world while standing rooted in our values. It is a responsibility we all share. Let us rise, not in slogans, but in steady, self-made steps.

Fatima Rizvi XII-A (English Literary Club In Charge)

A FUTURE SHOWN, A FATE REWRITTEN

I travel back to Agra in 1611 AD, where Emperor Jahangir is about to grant the British East India Company permission to trade in India. I know this decision will quietly open the door to colonial rule, exploitation, famine, cultural loss, and the eventual partition of the subcontinent. Disguised among the Mughal ministers in the Diwan-i-Khas, I address Jahangir and warn him that allowing the British to trade will not just harm India's markets but also its freedom and sovereignty. I show him proof from the future—images, videos, and articles about drained wealth, destroyed industries, divided communities, and a country struggling to rebuild its identity after two centuries of foreign rule. Shocked by the future, Jahangir refuses the British entry. When I return to the present, India is completely different. It was never colonised. Our languages and knowledge systems flourished. Students from around the world come to study here. The nation stands prosperous, confident, and united. Yet, in reality, we did lose those 200 years. So now, the real time machine is our unity, our awareness, and our willingness to rebuild the India that should have been.

मेरी प्यारी तितली

मेरी प्यारी तितली बहुत सुंदर है।
उसके पंख रंग-बिरंगे हैं।
वह फूलों पर उड़ती है।
तितली फूलों का रस पीती है।
वह बगीचे और बागों में फूलों के आस-पास उड़ती है।
उसकी उड़ान बहुत हल्की और प्यारी लगती है।
तितली को देखकर मेरा दिल खुश हो जाता है।
वह हवा में नाचती हुई—सी लगती है।
तितली बगीचे को और भी सुंदर बना देती है।
मेरी प्यारी तितली प्रकृति का एक तोहफ़ा है।
इसे देखना हर किसी को पसंद होता है।

मेरी प्रिय ऋतु

वर्षा ऋतु मुझे बहुत पसंद है। भारत में वर्षा ऋतु जुलाई के महीने में शुरू हो जाती है और सितंबर के आखिर तक रहती है। ये भारत की चार ऋतुओं में से मेरी सबसे प्रिय ऋतु है। यह ऋतु असहनीय गर्मी के बाद राहत की फुहार लेकर आती है। इंसानों के साथ ही पेड़, पौधे, चिड़ियाँ और जानवर सभी उत्सुकता के साथ इसका इंतज़ार करते हैं। इंसान इसके स्वागत के लिये ढेर सारी तैयारियाँ करते हैं। इस मौसम में सभी को राहत की साँस और सुकून मिलता है। बारिश के बाद आकाश बहुत चमकदार, साफ हल्के नीले रंग का दिखाई पड़ता है। पूरा वातावरण सुंदर और आकर्षक दिखाई देता है लेकिन भारी बारिश से बाढ़ और जल-भराव की समस्या भी हो जाती है। बच्चे बारिश में खेलना बहुत पसंद करते हैं और कागज़ की नाव भी बनाकर चलाते हैं।

मेरी माँ, प्यारी माँ

‘माँ’ हमारे जीवन का अभिन्न अंग है। माँ हमारी पहली गुरु, सबसे अच्छी दोस्त और हर मुश्किल में सहारा होती है। सुबह-सुबह वह मुझे प्यार से उठाती है, नहलाती है और विद्यालय के लिए तैयार करती है।

जब मैं विद्यालय से लौटती हूँ तो मुझे गले लगाती है। वह मुझे पढ़ाती है और मुझे अच्छी बातें सिखाती है। माँ हमेशा कहती है कि हमें सच बोलना चाहिए, दूसरों की मदद करनी चाहिए और बड़ों का आदर करना चाहिए।

जब मैं बीमार होती हूँ, तो माँ पूरी रात जागकर मेरी देखभाल करती है। मेरी माँ मेहनती, समझदार और बहुत प्यार करने वाली है। माँ से बढ़कर कोई नहीं और वे ईश्वर का दिया हुआ अनमोल वरदान है।

असंभव कुछ भी नहीं

असंभव शब्द स्वयं कहता है ‘मैं संभव हूँ।’ यह हमें विश्वास दिलाता है कि सही सोच से हर मुश्किल को पार किया जा सकता है।

क्या आपने सोचा है कि आज-कल के जीवन में क्या संभव है और क्या असंभव? यदि हम ठान लें कुछ भी करने की, तो कोई भी काम असंभव नहीं है। बस उस काम को करने के लिए दृढ़ निश्चय होना चाहिए। इतिहास में ऐसे कई लोग हैं जिन्होंने गरीबी या अन्य कठिनाइयों के बावजूद अद्भुत काम किया।

क्या हमने कभी सोचा था कि हम चाँद पर पहुँच जाएँगे? ये हमें असंभव लगता था लेकिन आज ये संभव हो गया। तो अगली बार से जब आप सोचें कि कुछ असंभव है, तो याद रखें कि असंभव कुछ भी नहीं।

धरती की वेदना

जिस तरह से माँ हमें भोजन, सुरक्षा और सब कुछ देती है, धरती माँ भी हमें हवा, पानी, भोजन और रहने की जगह देती है। लेकिन आज हमारी धरती बहुत दुखी है। लोग पेड़ काट रहे हैं, नदियों को गंदा कर रहे हैं और ज़मीन को कचरे से भर रहे हैं। फैक्ट्रियों और वाहनों का धुआँ हवा को खराब कर रहा है। जानवरों के रहने की जगह भी कम होती जा रही है, उनकी संख्या घटती जा रही है। धरती हमसे मदद माँग रही है कि हम उसे फिर से हरा-भरा और सुंदर बनाएँ, इसे प्रदूषण और वनों की कटाई से बचाएँ। अधिक से अधिक वृक्ष लगाएँ।

जब मैं परीक्षा देने गई

जब परीक्षा का दिन आया, मैं उत्साहित और थोड़ा डरी हुई भी थी। मैंने पूरी मेहनत से पढ़ाई की थी इसलिए मुझे उम्मीद थी कि अच्छा परिणाम आएगा। सुबह जल्दी उठकर मैंने अपना टिफिन और ज़रूरी सामान साथ लिया। स्कूल जाते समय मेरी माँ ने मुझे खूब आशीर्वाद दिया और कहा कि मन लगाकर परीक्षा देना। जब मैं परीक्षा कक्ष में पहुँची, तो देखा कि सब बच्चे अपनी-अपनी जगह बैठे थे। अध्यापिका जी ने हमें परीक्षा के नियम समझाए और फिर प्रश्न-पत्र बाँटा गया। प्रश्न-पत्र मिलने से पूर्व मुझे थोड़ा डर लग रहा था पर मुझे अपनी मेहनत पर भी पूरा विश्वास था। मैंने धीरे-धीरे सभी प्रश्न ध्यान से पढ़े और उत्तर लिखने लगी। थोड़ा समय बचने पर मैंने अपने कार्य की एक बार फिर से जाँच की। परीक्षा देने का दिन मेरे लिए एक बड़ा अनुभव था। जिसने मुझे धैर्य और मेहनत का महत्व समझाया।

पैसे बचाने की आदत

पैसा हमारे जीवन में बहुत ज़रूरी होता है। हमें खाने, पीने, पढ़ाई, कपड़े, दवाई और घूमने-फिरने के लिए पैसे की ज़रूरत पड़ती है। इसलिए हमें पैसे के महत्व को समझना चाहिए और उसे सोच समझकर खर्च करना चाहिए।

पैसा बचाना बहुत ज़रूरी होता है। अगर अनावश्यक खर्च करेंगे तो बाद में ज़रूरत के समय हमारे पास पैसे नहीं होंगे। जैसे हम खाने को फेंकते नहीं हैं, वैसे ही हमें पैसे को भी व्यर्थ नहीं करना चाहिए। मम्मी-पापा मेहनत से कमाते हैं, इसलिए हमें भी समझदारी दिखानी चाहिए। बाहर खाने-पीने की जगह घर के खाने को प्राथमिकता देनी चाहिए।

अगर हम रोज़ थोड़ा-थोड़ा पैसा बचाएँ तो, वह आगे चलकर बड़ी रकम बन सकती है। उस पैसे से हम नई चीज़ें खरीद सकते हैं, ज़रूरत पड़ने पर मदद कर सकते हैं। पैसे बचाने की आदत हमें बचपन से ही डालनी चाहिए। जैसे गुल्लक में रोज़ कुछ पैसे डालना एक अच्छी आदत है।

पैसे की बचत से हम अपने भविष्य को सुरक्षित बना सकते हैं। जब कोई परेशानी आती है, जैसे बीमारी या कोई और ज़रूरत, तब वही बचाया हुआ पैसा काम आता है। इसके अलावा बचत करने से हम आत्मनिर्भर बनते हैं और दूसरों पर निर्भर नहीं रहते। इसलिए हमें चाहिए कि हम बेवजह खर्च न करें, ज़रूरत की चीज़ें ही खरीदें और पैसे को संभालकर रखें। पैसा बचाना एक अच्छी आदत है जो हर बच्चे को सीखनी चाहिए।

पैसा बचाना हमारे जीवन के लिए बहुत ज़रूरी है। यह हमें कठिन समय में मदद करता है और एक बेहतर भविष्य की ओर ले जाता है।

कल्पना की शक्ति

‘कल्पना मन की एक अद्भुत शक्ति है।’ यह हमें अपने सपनों को साकार करने में मदद करती है। यह हमारी सोच को बढ़ावा देती है और हमें नए विचारों की ओर ले जाती है। कला, ध्यान, यात्रा, कहानी सुनना और सुनाना तथा संगीत आदि में रुचि लेनी चाहिए। कल्पना से हम समस्याओं का समाधान ढूँढ़ सकते हैं और अपने लक्ष्य को प्राप्त करने के लिए प्रेरित होते हैं। हम अपनी कल्पना का उपयोग करके अपने भविष्य के बारे में सपने देख सकते हैं। इससे हमारी रचनात्मकता बढ़ती है। जब हम अपने दिमाग में सफलता की कल्पना करते हैं, तो वास्तविक जीवन में उसे प्राप्त करने के लिए कड़ी मेहनत करते हैं। इसलिए अपनी कल्पना को बढ़ावा दें और सपनों को पूरा करने के लिए निरंतर परिश्रम करें।

योग के लाभ

योग हम सब के जीवन में अत्यंत महत्वपूर्ण है। यह केवल व्यायाम नहीं, बल्कि एक संपूर्ण जीवन शैली है। यह हमारे शरीर और मन दोनों को स्वस्थ बनाता है।

कुछ लोगों का दिन योग से ही आरम्भ होता है और कुछ लोगों ने तो अपने जीवन में कभी योग किया ही नहीं। योग करने से हमारी मानसिक ऊर्जा और शारीरिक ऊर्जा दोनों का विकास होता है। शरीर सुडौल बना रहता है। नींद अच्छी आती है तथा भूख खुलती है। आजकल तो चिकित्सक भी दवा के साथ योग करने का सुझाव देते हैं। मनुष्य आजकल की व्यस्त दिनचर्या में से अपने लिये समय नहीं निकाल पा रहा है इसी कारण से उसे बीमारियों का सामना करना पड़ता है जैसे— गठिया, मधुमेह आदि। आज हम सब मिलकर यह प्रण लेते हैं कि योग को अपने जीवन में महत्वपूर्ण स्थान दें और अपने जीवन को खुशहाल बनाएँ।

जैविक बागवानी का महत्व

जैविक खेती में हम प्राकृतिक तरीकों से फसल उगाते हैं। इसमें हम रासायनिक उर्वरकों एवं कीटनाशकों का उपयोग नहीं करते हैं। इसमें फल और सब्जियाँ स्वस्थ और ताज़े होते हैं और पर्यावरण की रक्षा भी होती है।

हमारे स्कूल यूनिटी कॉलेज में जैविक बागवानी का फार्म स्थापित किया गया है। जो हमें ताज़े फल उगाने का अवसर प्रदान करता है। इस फार्म में हम जैविक सब्जियाँ और फल उगा रहे हैं।

जैविक बागवानी के लाभ :—

- स्वस्थ और ताज़े फल व सब्जियों का मिलना।
- मिट्टी की गुणवत्ता में सुधार।
- पर्यावरण से प्रदूषण कम होता है।
- जैव विविधता बढ़ती है।

हमारे लक्ष्य :—

- जैविक बागवानी को बढ़ावा देना।
- छात्रों को जैविक बागवानी के बारे में शिक्षित करना।
- स्वस्थ और हरित भविष्य की ओर बढ़ना।
- स्कूल में जैविक बागवानी को एक नियमित गतिविधि बनाना।
- पर्यावरण संरक्षण के महत्व को समझना।

छात्रों की जिम्मेदारियाँ :—

- नियमित रूप से बगीचे की देखभाल करना।
- जैविक खाद व कीटनाशकों का उपयोग करना।
- समाज को जैविक बागवानी के बारे में शिक्षित करना।
- जैविक बागवानी की प्रदर्शनी व भ्रमण और दूसरे कार्यक्रम आयोजित करना।

मैं जैनब फातिमा, इस जैविक बागवानी का हिस्सा हूँ। मैं इस ऑर्गेनिक फार्म क्लब के माध्यम से स्वस्थ और ताज़े फल और सब्जियाँ उगाने में मदद करती हूँ और पर्यावरण की रक्षा में योगदान दे रही हूँ।

आज की शिक्षा - 'कल का स्वर्णिम भविष्य'

शिक्षा मनुष्य के जीवन के लिए अत्यंत महत्वपूर्ण है। बिना शिक्षा के एक अच्छा और आसान जीवन संभव नहीं है। केवल अच्छी शिक्षा से ही इंसान एक अच्छा और सम्मानित जीवन प्राप्त कर सकता है। आदिमानव युग में जब इंसान शिक्षित नहीं था, उस समय वह अनेक कठिनाइयों का सामना करके अपना जीवन व्यतीत करता था।

शिक्षा को आज़ादी का दूसरा नाम भी कहा जा सकता है। शिक्षा से हम अनुशासन सीखते हैं। इसे प्राप्त करके हम अपने समाज को बहुत बेहतर बना सकते हैं। केवल शिक्षित व्यक्ति ही एक विकसित समाज बनाने में योगदान दे सकते हैं। शिक्षा का अर्थ केवल डिग्री प्राप्त करने से नहीं होता, शिक्षा से इंसान का दिमाग इतना सक्षम हो जाता है कि वह सही और गलत का अंतर अच्छी तरह से जान लेता है। भारत सरकार ने मुफ्त में प्राथमिक शिक्षा उपलब्ध कराई है।

प्रत्येक मनुष्य का अधिकार है शिक्षा। हर माता-पिता का पहला कर्तव्य अपने बच्चों को शिक्षा प्रदान कराना होता है। शिक्षा के साथ हम बड़ी से बड़ी कठिनाई को सुलझा सकते हैं। "शिक्षित व्यक्ति समस्याओं का समाधान बनता है, बोझ नहीं।"

मेरी एक दिन की यात्रा चाँद पर

मेरा बचपन से सपना था कि मैं अंतरिक्ष की सैर करूँ। एक दिन वह समय आ ही गया, जिस दिन मैं अपना सपना पूरा करने जा रहा था।

उस दिन मुझे भारत की ओर से चाँद पर जाना था। मैं अपने साथियों के साथ उड़ान भरने वाला था, जिसमें दो दोस्त थे। हम लोग जैसे ही रॉकेट में प्रविष्ट हुए हमारे चेहरों पर अलग मुस्कुराहट छा गई, क्योंकि हम लोग पहली बार एक रॉकेट में गए थे और वह हमारी पहली अंतरिक्ष यात्रा थी। जैसे ही हमारे रॉकेट ने उड़ान भरी, मेरी एक दोस्त को उल्टी शुरू हो गई लेकिन वह भी एक घंटे में ठीक हो गई। हम लोग बहुत खुश थे। हम लोगों को आठ दिन लगे चाँद पर पहुँचने में। वहाँ जब हमने चाँद पर पैर रखा, हम लोग बहुत गर्व महसूस करने लगे। हम लोग खुश तो बहुत थे लेकिन हम लोगों को पता चला कि अंतरिक्ष में आने वाले लोगों को बहुत तरह की परेशानियाँ झेलनी पड़ती हैं। फिर वहाँ हम लोग सोलह दिन रहे और वहाँ से धरती के लिए उड़ान भर ली। हम लोग दस दिन के अंदर धरती पर उतर आए। जैसे ही धरती पर उतरे, वहाँ अचानक एक अलार्म बजने लगा। मैं जाग गया और देखा कि मेरे मोबाइल का अलार्म बज रहा था। मेरे स्कूल का समय हो गया था और मैं स्कूल चला गया।

सच की खोज

एक छोटे से गाँव में एक लड़का रहता था जिसका नाम रोहन था। वह बहुत ही उत्साही और साहसी था। एक दिन रोहन ने अपने दोस्तों के साथ एक पुराने खंडहर मंदिर की खोज करने का फैसला किया।

मंदिर के अंदर जाते ही, उन्होंने एक पुराना पत्थर देखा जिस पर एक पहेली लिखी थी-

"जहाँ छाया पड़ती है, वहीं प्रकाश उठता है। सच को खोजो और मार्ग खुल जाता है।"

रोहन और उसके दोस्तों ने पहेली को समझने की कोशिश की, लेकिन वे उसे नहीं समझ पाए। तभी एक बूढ़े पंडित जी वहाँ आए और बोले, - 'यह पहेली तुम्हें जीवन का एक बड़ा सबक सिखाएगी।'

पंडित ने समझाया- "छाया और प्रकाश दोनों एक ही सिक्के के दो पहलू हैं। जब तुम अज्ञानता की छाया में होते हो, तो ज्ञान का प्रकाश तुम्हें नहीं मिलता। लेकिन जब तुम सच को खोजते हो, तो ज्ञान का प्रकाश तुम्हें मिल जाता है।"

रोहन और उसके दोस्तों ने पंडित जी की बात समझी और उन्होंने सच को खोजने का फैसला किया। वे मंदिर से बाहर आए और जीवन में ज्ञान और समझ के साथ आगे बढ़ने का फैसला किया।

कक्षा-सात 'स'

‘दया’ सबसे बड़ी शक्ति है

‘दया’ एक सरल, फिर भी एक शक्तिशाली भावना है, जो दुनिया को बदल सकती है। इसमें जीवन को बदलने, संबंध बनाने और करुणा का प्रभाव पैदा करने की क्षमता है। अक्सर नकारात्मकता से भरी दुनिया में ‘दया’ आशा की किरण बनकर चमकती है।

‘दया’ के सबसे महत्वपूर्ण पहलुओं में से एक यह है कि यह बदले में कुछ भी उम्मीद किए बिना दूसरों को प्रभावित करने की क्षमता रखती है। दया का एक छोटा-सा कार्य, जैसे एक मुस्कान या मदद का हाथ, किसी का दिन रोशन कर सकता है और उन्हें आगे बढ़ने की शक्ति दे सकता है। यह लोगों के बीच की खाई को पाटता है, समझ और सहानुभूति को बढ़ावा देता है।

नेतृत्व में, दया एक शक्तिशाली उपकरण हो सकता है।

एक दयालु नेता ईमानदारी, रचनात्मकता और विश्वास को प्रेरित करता है, जिससे एक सहायक वातावरण बनता है, जहाँ लोग मूल्यवान महसूस करते हैं। दया संक्रामक है और एक सकारात्मक लहर पैदा करती है। यह संबंध मधुर बनाती है और सहानुभूति को बढ़ावा देती है।

वास्तव में ‘दया’ एक ऐसी शक्ति है जो बाधाओं को दूर कर सकती है, घावों को भर सकती है और लोगों को एक साथ ला सकती है। इसका प्रभाव अथाह है, जो इसे हमारे पास मौजूद सबसे बड़ी शक्ति बनाता है।

विकास दिव्यकीर्ति: एक प्रेरक व्यक्तित्व

विकास दिव्यकीर्ति बचपन से ही साधारण परिवार में पले-बढ़े लेकिन उनके सपने कभी साधारण नहीं थे। पढ़ाई के प्रति उनका जुनून इतना गहरा था कि मुश्किल परिस्थितियाँ भी उन्हें रोक नहीं पाती थीं। निरंतर मेहनत और धैर्य के साथ उन्होंने यू.पी.एस.सी. परीक्षा पास की, जो लाखों युवाओं का सपना होती है। लेकिन उन्होंने अनुभव किया कि उनकी असली पहचान प्रशासनिक सेवा में नहीं, बल्कि शिक्षा के माध्यम से समाज का मार्गदर्शन करने में है। इसलिए उन्होंने नौकरी छोड़कर छात्रों को पढ़ाने का रास्ता चुना। उनकी सरल भाषा, ईमानदारी और गहरी समझ ने हजारों युवाओं के जीवन बदल दिए।

विकास सर हमेशा कहते हैं, “तेज़ नहीं, निरंतर बनो।” आज वे साबित करते हैं कि सफलता कृत्रिम चमक में नहीं, सादगी

और सच्ची मेहनत में छिपी होती है।

विकास दिव्यकीर्ति की प्रेरक यात्रा हमें सिखाती है कि सफर कितना भी मुश्किल हो, अगर निश्चय मज़बूत हो तो मंज़िल दूर नहीं रहती। उन्होंने साबित किया कि ज्ञान और चरित्र के बल पर कोई भी मनुष्य समाज में बदलाव ला सकता है। उनकी कहानी हर उस युवा के लिए एक संदेश है, जो सपने देखता है। मेहनत, धैर्य और सच्चाई के साथ चलते रहो, एक दिन दुनिया खुद तुम्हारा उदाहरण देगी।

मुस्कान में छुपी ताकत

मुस्कान में छुपी ताकत,
जिस औरत को मैं जानती हूँ,
वो लोहे—सी मज़बूत एक छुपी
हुई सुपरवुमन है।

उसकी तकलीफ़ें उसकी मुस्कान
को और गहरा कर देती हैं।
कोई चिंता उस मुस्कान की,
सफ़ेदी को फीका नहीं कर सकती।
कोई तनाव उसके दिल की रोशनी,
को कम नहीं कर पाती।

उसका चेहरा किसी त्योहार की,
रोशनी—सा चमकता है।
दमकता हुआ, हमेशा चमकता हुआ,
वह जानती है कि कुछ लोग उससे,
चुपके से नफ़रत करते हैं।
इसलिए वो उन्हें खुलकर प्यार करना
सीख लेती है।

औरत जिसकी मैं बात कर रही हूँ,
वो मेरी माँ है,
मेरी मज़बूती की दीवार,
मेरी छुपी हुई सुपरवुमन।

आत्मविश्वास

जीवन के नकारात्मक पहलू हार मानने लगे हैं,
मेरे जबरपन से डर कर अपनी आँख चुराने लगे हैं।

हर छोटी-छोटी बात पर ये अकड़ने लगे थे,
अब मेरी अकड़ देखकर स्वयं ही सिकुड़ने लगे हैं।

ज़रा-सा ढील दी थी तो सर पर चढ़ने लगे थे,
जैसे ही नकेल कसी तो सरपट उतरने लगे हैं।

चुप रहने से ये मेरे, स्वयं को परमात्मा समझने लगे थे,
जब मुँह खुला तो अपनी हद में रहने लगे हैं।

कैसे नज़र अदांज़ कर सकती हूँ बात-बात पर, हर बात पर,
नज़र जैसे ही तरेरी तो नज़र झुकाकर खड़े होने लगे हैं।

अंधेरों से भी कहीं अधिक काले और गहरे होने लगे थे,
आशा की एक किरण से देखो कैसे चौंधियाने लगे हैं।

हद से ज्यादा गुरुर था, इनको अपने आप पर,
इसी सुरुुर में ये अपना झूठा स्वरूप खोने लगे हैं।

हावी हो नहीं सकते ये किसी भी कीमत पर,
खुलकर खुली हवा में हम साँस लेने लगे हैं।

वो दूर खड़े आँखें फाड़े, छुप-छुप कर देखते हैं कैसे ?
हम जीवन को अब जी भरकर जीने लगे हैं।

मेरे विद्यालय की अनोखी यादें

विद्यार्थी का जीवन हर व्यक्ति के जीवन का सबसे सुंदर और सुनहरा दौर होता है। यही वह समय होता है जब हम जीवन के असली अर्थ, अनुशासन, मित्रता और मेहनत का महत्व समझते हैं। मेरे विद्यालय की अनोखी यादें आज भी मेरे मन में ताज़ा हैं।

मुझे याद है जब मैं पहली बार विद्यालय गई थी, तो बहुत डर लग रहा था। लेकिन धीरे-धीरे वहाँ के शिक्षक और मित्रों ने मुझे अपनेपन का अहसास दिलाया। सुबह की प्रार्थना, कक्षाओं में पढ़ाई, खेल का समय और टिफिन में सबके साथ खाना बाँटना—ये सब लम्हे कितने प्यारे थे।

प्रत्येक वर्ष होने वाले वार्षिक समारोह और खेल प्रतियोगिताएँ हमारी सबसे बड़ी खुशी होती थीं। मंच पर कविता पाठ, नाटक और भाषण प्रस्तुत करते समय जो आत्मविश्वास मिला, वही आज जीवन में बहुत काम आ रहा है। शिक्षकों की डाँट भी उस समय बुरी लगती थी, लेकिन अब लगता है कि वही डाँट हमें सही राह दिखाने का तरीका था।

विद्यालय की छत पर बैठकर दोस्तों के साथ बातें करना, पेड़ों की छाँव में हँसना और छोटे-छोटे शरारती पल—ये यादें कभी नहीं भूली जा सकती हैं। परीक्षा के दिनों की भागदौड़ और छुट्टियों का इंतज़ार भी कुछ ख़ास एहसास दिलाता था।

आज जब मैं उन दिनों को याद करती हूँ, तो मन में एक मधुर मुस्कान आ जाती है। सच कहें तो स्कूल की वे अनोखी यादें ही जीवन की सबसे कीमती पूंजी हैं, जो हमें हमेशा आगे बढ़ने की प्रेरणा देती हैं।

सकारात्मक सोच की शक्ति

मनुष्य का जीवन उतार-चढ़ाव, संघर्ष, अवसर और अनुभवों से भरा होता है। प्रत्येक परिस्थिति हमेशा हमारे नियंत्रण में नहीं होती परन्तु उसे किस दृष्टिकोण से देखना है, यह पूरी तरह हमारे हाथ में होता है। यही दृष्टिकोण सकारात्मक सोच की नींव है। सकारात्मक सोच केवल एक विचार नहीं, बल्कि वह मानसिक ऊर्जा है जो मानव जीवन को दिशा, प्रेरणा और शक्ति प्रदान करती है। जिन लोगों में सकारात्मक सोच होती है, वे कठिन परिस्थितियों में भी आशा बनाए रखते हैं और हर समस्या में समाधान खोजने की क्षमता विकसित कर लेते हैं।

सकारात्मक सोच की शक्ति व्यक्ति के जीवन के लगभग प्रत्येक पहलू को बेहतर बनाती है। सबसे पहले, यह मनुष्य के मानसिक स्वास्थ्य पर गहरा प्रभाव डालती है। सकारात्मक सोच रखने वाला व्यक्ति तनाव, चिंता और भय से कम प्रभावित होता है। जब हमारा मन स्पष्ट और शांत होता है, तब हम परिस्थितियों को बेहतर ढंग से समझ पाते हैं और निर्णय भी संतुलित होते हैं। मनोवैज्ञानिकों का भी मानना है कि सकारात्मक विचार मन में उत्साह, ऊर्जा और आत्मविश्वास का संचार करते हैं, जिससे व्यक्ति अधिक रचनात्मक और सक्षम बनता है।

जीवन में आने वाली चुनौतियाँ हर किसी के लिए समान नहीं होतीं, परन्तु उनसे निपटने का तरीका हमारी सोच पर निर्भर करता है। नकारात्मक सोच वाला व्यक्ति बाधाओं को अंत समझ लेता है, जबकि सकारात्मक सोच वाला व्यक्ति उन्हें नई शुरुआत का अवसर मानता है। यही कारण है कि कठिन परिस्थितियों में भी कुछ लोग आगे बढ़ जाते हैं। सकारात्मक सोच और दृढ़ संकल्प के कारण ही लोग महान उपलब्धियाँ हासिल कर पाते हैं।

अंततः कहा जा सकता है कि सकारात्मक सोच की शक्ति जीवन के हर चरण में मार्गदर्शक की तरह काम करती है। यह न केवल मन और शरीर को मजबूत बनाती है बल्कि व्यक्ति के व्यक्तित्व, व्यवहार और सफलता को भी प्रभावित करती है। एक सकारात्मक दृष्टिकोण जीवन को सरल, शांत और खुशहाल बनाता है। इसलिए हमें यही सीखना चाहिए कि हर परिस्थिति में स्वयं पर विश्वास रखें। अच्छे पक्ष को देखें और आगे बढ़ने का प्रयास करें। यही सकारात्मक सोच की वास्तविक शक्ति है— जो साधारण व्यक्ति को असाधारण बना देती है।

अंधेरे में उजाले की खोज

जग भर में अंधियारा है
किंतु दीप जलाना क्यों टाला है ?
नैन में इतने स्वप्न धरे हैं।
तो कठिनाई से क्यों घबराना है ?
जग भर में अंधियारा है
किंतु दीप जलाना क्यों टाला है ?

बीज से पौधा, पौधे से जो पेड़ बना
सत्य है शून्य से वह डेढ़ बना
जिस भूमि को माँ माना है।
नहीं क्या उसको कुछ लौटाना है ?
जग भर में अंधियारा है
किंतु दीप जलाना क्यों टाला है ?

जात-पात जो तोले मनुष्य
वह तुच्छ कीड़े समान है।
जो दुष्ट नारी पर हाथ डाले
उस रावण को तुम्हें अब हराना है।
जग भर में अंधियारा है
किंतु दीप जलाना क्यों टाला है ?

गर्व से ऊपर होगा भाल तेरा
जीत तेरी अब निश्चित है।
फल भी तेरा पेड़ भी तेरा
बस बीज तुम्हें रोपना है।
जग भर में अंधियारा है
किंतु दीप जलाना क्यों टाला है ?

قدرت کا حسن

قدرت کا حسن اللہ تعالیٰ کی ایک خوبصورت نعمت ہے۔ نیلا آسمان، سبز درخت، رنگ برنگے پھول اور پرندوں کی دلکش آوازیں طبیعت کو سکون دیتی ہیں۔ سورج کا طلوع اور غروب ہونا، چاند تاروں کا چمکنا، ہواؤں کا چلنا، دریاؤں کا بہنا قدرت کی خوبصورتی کو ظاہر کرتا ہے۔ لہذا ہم سب پر واجب ہے کہ ہم اس حسن کی قدر کریں اور اپنے ماحول کو صاف رکھیں تاکہ قدرت کا حسن ہمیشہ یونہی باقی رہے۔

شجر کاری وقت کی اہمیت

آج ہم ایک ایسے دور میں جی رہے ہیں، جہاں ہر لمحہ کارخانے گاڑیاں اور عمارتیں بڑھتی جا رہی ہیں۔ ترقی کے اس سفر میں انسان نے بہت کچھ حاصل کیا، مگر اُس نے قدرت سے دوری اختیار کر لی ہے۔ بڑی بڑی عمارتیں بنانے کے لئے اپنی زمین کی ہریالی کھودی ہے۔ آج ہماری فضا آلودہ ہے، گرمی بڑھتی جا رہی ہے، بارش کم ہو رہی ہے اور جنگلات ختم ہو رہے ہیں۔ ایسے میں صرف ایک عمل ہمیں اس بگڑتی ہوئی حالت سے بچا سکتا ہے اور وہ شجر کاری ہے۔

درخت ہماری زندگی کا لازمی حصہ ہیں۔ یہ نہ صرف آکسیجن دیتے ہیں بلکہ فضا کو صاف رکھتے ہیں، زمین کو زرخیز بناتے ہیں اور ہمیں سایہ، پھل اور سکون دیتے ہیں۔ اگر درخت نہ ہوں تو زندگی کا تصور بھی ناممکن ہے۔ بد قسمتی سے لوگ اسے دن رات کاٹنے میں مصروف ہیں۔ جنگلات ختم کر رہے ہیں اور زمین کو بنجر کر رہے ہیں۔ لہذا ہمیں چاہئے کہ ہم اپنے آس پاس، گھروں اور محلوں میں کثیر تعداد میں درخت لگائیں اور انکی حفاظت بھی کریں۔ ملک کے تعلیم یافتہ لوگوں کو اس جانب قدم بڑھانے چاہئے۔ درخت لگانا صرف ایک کام نہیں بلکہ ایک نیکی ہے، ایک ذمہ داری ہے، جو ہم اپنی آنے والی نسلوں کے لئے ادا کر سکتے ہیں۔ کیونکہ یہ اصل میں فکر کا موضوع بن چکا ہے اور اس کو دور کرنا ہم سب کا فرض عین ہے۔

سفرِ تعلیم

تعلیم صرف کتابوں اور امتحانوں تک محدود نہیں، یہ زندگی کو سمجھنے، سیکھنے اور بہتر انسان بننے کا سفر ہے۔ درجہ اور اُس کے باہر بھی ہر لمحہ ہمیں نیا سبق حاصل ہوتا رہتا ہے۔ گرد و پیش کے افراد، روزمرہ کے تجربات اور قدرت ہمارے سب سے بڑے استاد ہیں۔ اصل تعلیم وہ ہے جو ہمیں صرف نمبر حاصل کرنا نہیں، بلکہ سوچنے، سوال کرنے اور علم کو عمل میں لانے کا سُر سکھائے۔ یہی انسان بننے کا سفر ہے اور یہی تعلیم کا اصل مقصد۔ تعلیم کا اصل حن اُس کے عمل میں ہے۔

یوٹی کالج

یوٹی کالج ایک بہترین تعلیمی ادارہ ہے، جہاں ہر دن کچھ نیا سیکھنے کو ملتا ہے۔ یہاں کے استاد اپنی محنت اور لگن سے طلبہ کا مستقبل روشن کرتے ہیں۔ وہ ہر طالب علم کے اندر چھپی صلاحیت کو پہچانتے ہیں۔ اُن کا پڑھانے کا انداز پیار بھرا اور سمجھداری سے لبریز ہے۔ یہی وجہ ہے کہ یوٹی کالج ہمیشہ کامیابی کی بلندیوں پر گامزن ہے۔ یہ ادارہ ایک باغیچے کے مانند ہے جس میں علم کے پھول کھلتے ہیں۔ اساتذہ اپنے علم و تدریس سے کالج کی فضا کو مہکاتے اور خوشگوار بناتے ہیں۔

میرا شہر لکھنؤ

میں لکھنؤ شہر میں رہتی ہوں۔ یہ اتر پردیش کی دار الحکومت ہے۔ یہ بہت بڑا اور ہرا بھرا شہر ہے۔ یہاں لاجواب اور خوبصورت عمارتیں موجود ہیں۔ لکھنؤ کو نوابوں کا شہر بھی کہا جاتا ہے۔ یہ گو متی ندی کے کنارے بسا ہے۔ گھومنے کے لئے یہاں امام باڑہ، چڑیا گھر، پارک اور مال ہیں۔ لکھنؤ کی چکن کاری پوری دنیا میں مشہور ہے۔ یہاں کی تہذیب اور زبان ہر دل کو اپنا بنا لیتی ہے۔ مجھے میرے شہر سے بہت محبت ہے۔

سب سے قیمتی شے

ایک مرتبہ ایک چڑیا رزق کی تلاش میں بہت دور کا سفر طے کر کے اپنے گھونسلے میں واپس پہنچی۔ اُس کے بچوں نے کہا۔ ماں تم نے اتنا لمبا سفر کیا۔ ہمیں بتاؤ آسمان کتنا بڑا ہے؟ چڑیا نے اپنے بچوں کو اپنے پروں میں سمیٹتے ہوئے کہا۔ بچوں ہمیشہ یاد رکھو، والدین کے سائے سے بڑی دنیا میں کوئی چیز نہیں ہوتی۔ یہ دنیا کی ہر شے سے زیادہ بڑی اور قیمتی چیز ہے۔

بناوٹی اخلاق

آج کا انسان ترقی کے دور میں داخل ہو چکا ہے۔ مشینوں نے زندگی آسان کر دی ہے، مگر انسان کے دل سخت ہوتے جا رہے ہیں۔ اب لوگ اپنی باتوں اور برتاؤ میں نرمی تو دکھاتے ہیں، مگر اکثر ان کے دل میں سچائی اور خلوص نہیں ہوتا۔ ایسے اخلاق کو بناوٹی اخلاق کہا جاتا ہے۔ بناوٹی اخلاق وہ ہوتا ہے جو صرف دکھاوے کے لئے ہو۔ جیسے کوئی شخص دوسروں کے سامنے نرمی سے بات کرے۔ میٹھے الفاظ کہے، مگر دل میں بغض، حسد یا خود غرضی رکھتا ہو۔ ایسے لوگ سامنے ہنس کر ملتے ہیں لیکن پیٹھ پیچھے بُرائی کرتے ہیں۔ یہ طور معاشرے کو نقصان پہنچاتا ہے۔

سچے اخلاق وہ ہیں، جو دل سے کئے گئے ہوں۔ جس شخص کے دل میں نرمی، ہمدردی اور عدل شامل ہو۔ جب انسان صرف دکھاوے کے لئے اچھا بننے کی کوشش کرے تو وہ خود کو دھوکا دیتا ہے۔ بناوٹی اخلاق سے دوستی میں بھی درار پڑ جاتی ہے۔ لوگ ایک دوسرے پر بھروسہ نہیں کرتے۔ معاشرے میں محبت کی جگہ نفرت آ جاتی ہے۔ اس لئے ہمیں چاہئے کہ ہم اپنی نیت صاف رکھیں۔ اگر ہم کسی کے ساتھ اچھا برتاؤ کریں تو دل سے کریں بغیر کسی مقصد اور لالچ کے۔ بناوٹی اخلاق وقتی تعریف تو دلا دیتا ہے مگر دل میں جگہ نہیں بناتا۔

علم اور عمل ایک سگے کے دو پہلو

علم اور عمل انسانی زندگی کے دو ایسے عناصر ہیں جن کے بغیر کامیابی کا تصور ممکن نہیں۔ علم دراصل روشنی ہے، جو انسان کے ذہن کو منور کرتی ہے، جبکہ عمل وہ قوت ہے جو اس روشنی کو حقیقت کا روپ دیتی ہے۔ اگر انسان کے پاس بے پناہ علم ہو لیکن وہ اس پر عمل نہ کرے تو وہ ایسا ہی ہے جیسے کسی کے پاس خزانہ ہو مگر وہ اسے استعمال نہ کرے۔ اسی لئے کہا جاتا ہے کہ علم اور عمل ایک ہی سگے کے دو پہلو ہیں۔

علم انسان کو یہ بتاتا ہے کہ کیا صحیح ہے اور کیا غلط۔ عمل انسان کو صحیح راستے پر چلنے کی توفیق دیتا ہے۔ قرآن میں اللہ نے بھی فرمایا ہے۔۔۔ ”اور کہہ دو کہ عمل کرو، اللہ تمہارے عمل کو دیکھے گا۔“ یہ آیت اس حقیقت کو واضح کرتی ہے کہ علم کا اصل مقصد عمل ہی ہے۔ تاریخ گواہ ہے کہ جن اقوام نے علم حاصل کیا اور اس پر عمل کیا، وہ دنیا کی قیادت کرنے لگیں۔ مسلمانوں کی ابتدا بھی علم و عمل کا حسین امتزاج رہی۔ اسی وجہ سے وہ ہر میدان میں سبقت رکھتے تھے۔ مگر جب ہم نے علم کو چھوڑ کر صرف گفتار پر اکتفا کیا تو زوال ہمارا مقدّر بن گیا۔ عمل کے بغیر علم صرف ایک خواب ہے، اور علم کے بغیر عمل اندھی کوشش۔ جب دونوں میں توازن قائم ہو جاتا ہے تو انسان کی شخصیت مکمل ہو جاتی ہے۔ ہر فرد معاشرے کے لئے مفید بن جاتا ہے اور قوم کے لئے مشعل راہ بنتا ہے۔

علم انسان کو سوچنے کا شعور دیتا ہے اور عمل اس سوچ کو حقیقت میں بدلتا ہے۔ اگر ہم ایک روشن، مضبوط اور کامیاب قوم بننا چاہتے ہیں تو ہمیں علم و عمل کے اس سنہرے رشتے کو سمجھنا ہوگا کیونکہ علم اور عمل واقعی میں سگے کے دو پہلو ہیں۔

ہمت

امیدوں کے دیئے جلتے ہیں
جب دل میں خواب پلتے ہیں
ہر تاریکی مٹ جاتی ہے تب
جب ارادے مضبوط بنتے ہیں

راہیں چاہے کتنی کٹھن ہوں
قدم جب حوصلے سے چلتے ہیں
آندھیاں کچھ نہیں بگاڑ سکتیں انکا
جو چراغ دل میں جلتے ہیں

وقت بدلتا ہے اُن کے حق میں
جو خود پہ ایمان رکھتے ہیں
منزل خود انکے گلے لگ جاتی ہے
جو تھک کر بھی نہیں رکتے ہیں

زندگی ایک سفر ہے سہانا
جسے باہمت لوگ طے کرتے ہیں
جو گرتے ہیں مگر اٹھ جاتے ہیں
وہی دنیا میں کچھ کر گزرتے ہیں

مصباح الہدی

آہستہ چل زندگی

آہستہ چل زندگی ابھی یہ فرض چُکانا باقی ہے
کچھ درد مٹانا باقی ہے، اک فرض نبھانا باقی ہے

رفقار میں تیرے چلنے سے کچھ روٹھ گئے کچھ چھوٹ گئے
روٹھوں کو منانا باقی ہے، روتوں کو ہنسانا باقی ہے

کچھ حسرتیں ادھوری ہیں، کچھ کام بھی ضروری ہیں
خواہشیں جو گھٹ گئیں اس دل میں، انھیں دفنانا باقی ہے

کچھ رشتے بن کر ٹوٹ گئے، کچھ جڑتے جڑتے چھوٹ گئے
اُن ٹوٹے چھوٹے رشتوں کے زخموں کو مٹانا باقی ہے

گفتگو

بات کرنے کا سلیقہ چاہئے
گفتگو کا بھی طریقہ چاہئے

گفتگو کا اک حسین انداز ہو
نرم لہجہ، دل نشیں آواز ہو

اختلاف آپس میں ہو جائے اگر
بات میں آئے نہ تلخی کا اثر

پیار کا اظہار ہو ہر گفتار سے
غیر بن جاتے ہیں اپنے پیار سے

خوشیوں کی کنجی

محنت وہ چابی ہے جو کامیابی کے راستے کھولتی ہے۔ جو شخص سچے دل سے کوشش کرتا ہے، وہ کبھی ناکام نہیں ہوتا۔ خوشیوں کا اصل مزہ اسی کو ملتا ہے جس نے اس کے لئے جدوجہد کی ہو۔ جو خوشیاں قسمت سے آتی ہیں وہ لمحاتی ہوتی ہیں، مگر جو خوشیاں محنت کے پسینے سے حاصل ہوتی ہیں وہ زندگی بھر کا سکون بن جاتی ہیں۔

اس بات کی مثال یہ واقعہ ہے کہ۔۔ ایک چھوٹے سے گاؤں میں علی نام کا لڑکا رہتا تھا۔ اُس کے پاس وسائل کم تھے، مگر خواب بہت بڑے۔ دن ہو یا رات وہ پڑھتا، کام کرتا اور کبھی ہار نہیں مانتا تھا۔ لوگ اُس پر ہنستے مگر وہ جانتا تھا کہ محنت کا پھل ہمیشہ میٹھا ہوتا ہے۔ آخر کار اُس کی لگن نے رنگ دکھایا۔ وہ اسکول کا بہترین طالب علم قرار پایا۔ اُس دن جب اُس نے اپنے والدین کی آنکھوں میں فخر دیکھا تو سمجھ گیا کہ یہی اصل خوشی ہے۔ اس طرح یہ بات پورے طور پر واضح ہوتی ہے کہ خوشیاں قسمت سے نہیں محنت سے ملتی ہیں۔ جو شخص محنت کرتا ہے یقیناً ایک دن دنیا سے سلام کرتی ہے۔

باپ کا احترام

ماں باپ وہ عظیم ہستیاں ہیں جن کی بدولت ہماری زندگی میں روشنی، سکون اور خوشیاں ہیں۔ ماں کی آغوش پہلی درس گاہ ہے اور باپ کا سایہ زندگی کی سب سے بڑی نعمت۔ والدین ہماری کامیابیوں کی بنیاد رکھتے ہیں، اپنی خواہشات کو قربان کر کے ہماری خوشیوں کو ترجیح دیتے ہیں۔ ماں کی دعا اور باپ کی محنت انسان کو آسمان کی بلندیوں تک پہنچاتی ہے۔ جو اولاد والدین کا ادب و احترام کرتی ہے، دنیا و آخرت دونوں میں سرخرو ہوتی ہے۔ قرآن میں بھی والدین کے ساتھ حسن سلوک کرنے کا حکم دیا ہے۔ آؤ ہم عہد کریں کہ کبھی ان کے دل کو نہیں دکھائیں گے۔ ان کی خدمت اور دعاؤں کو اپنی زندگی کا سرمایہ بنائیں گے کیونکہ ماں باپ کی مسکراہٹ میں ہی اللہ کی رضا چھپی ہے۔

امتحان کا بھوت

سال بھر میں وقت کھوتا ہی رہا
بیچ کر گھوڑے میں سوتا ہی رہا

اہمیت میں علم کی سمجھا نہیں
وقت پر اسکول جو پہنچا نہیں

دل پڑھائی میں کہاں اپنا لگا
ہاں شرارت میں سدا اول رہا

گھر پہ پڑھنے کی جرت کس کو تھی
کھیل اور ٹی وی سے فرصت کس کو تھی

آ رہے ہیں دن میں تارے اب نظر
گھر پہ ابو جان لیں گے جب خبر

امتحان کا بھوت ہے سر پر سوار
پاس کر دے اے میرے پروردگار

عظمتِ نسواں

اس بات میں کسی شک و شبہ کی گنجائش نہیں ہے کہ تاریخِ بشریت میں عورتوں پر جو مظالم ڈھائے گئے اس سے انسانیت آج بھی اشکبار و شرمسار ہے۔ لیکن آج کے اس جدید دور میں عقل کا گلا گھونٹنے والوں نے عورت کے مفہوم کو ہی بدل کر رکھ دیا ہے۔ عورت کو جذباتی اور مرد کو عقلی کر دار سمجھا۔ مرد جذباتی نہیں ہوتا وہ عقل سے کام لیتا ہے اور عورت جذباتی ہوتی ہے اور عقل پر جذبات کو ترجیح دیتی ہے۔ اس لئے عورت کو ناقص العقل ٹھہرا دیا گیا۔ یہ تصور نہایت ہی بیوقوفانہ اور غیر عاقلانہ ہے کیونکہ اس بات پر یقین کرنا کہ عورت ناقص العقل ہے حقیقت میں عدالتِ خداوندی کو ٹکڑ دینا ہے۔ امام جعفر صادقؑ سے روایت ہے کہ خدا روزِ محشر انسانوں کا حساب انہی عقلوں کے مطابق کریگا۔ اس سے یہ بات ثابت ہوتی ہے کہ ایسا نہیں ہو سکتا کہ خدا روزِ محشر عقل کے مطابق حساب کرے اور دنیا میں مرد کو عورت سے زیادہ عقل دے کر بھیجے۔ مرد اور عورت درحقیقت عقلی معیار پر برابر ہیں اور لازم ہے کہ برابر ہوں۔

پھر بھی اگر یہ مان لیا جائے کہ عورت خود میں ایک جذباتی کر دار ہے تو یہ ہرگز ممکن نہیں ہے کہ وہ اپنے بھائیوں، بھتیجیوں اور بیٹوں کو روزِ عاشور شہید ہوتا دیکھنے کے باوجود جلتے ہوئے خیمے سے امامت کو بچائے اور اسیر ہونے کے باوجود تماشائیوں سے بھری کوفہ و شام کی گلیوں میں ایسے خطبے دے کہ چاروں طرف سناٹا چھا جائے اور نظام بے نقاب ہو جائے۔ جنابِ زینبؓ اسی بات کی دلیل ہیں کہ عورت جب عقل کی بلندی پر پہنچتی ہے تو ثنائی زہراؓ ہو جاتی ہے۔

میٹھی زبان

کہا جاتا ہے کہ کمان سے نکلا ہوا تیر اور زبان سے نکلی ہوئی بات واپس نہیں جاتی۔ زبان کا استعمال خود اُس کے مالک پر منحصر ہوتا ہے۔ ہر شخص اپنے منفرد انداز سے اسکا استعمال کرتا ہے۔ کوئی میٹھی بولی بولتا ہے تو کوئی کڑوی۔ کسی بادشاہ کا واقعہ ہے کہ اُس نے ایک رات خواب دیکھا جو کافی عجیب تھا۔ اُس نے دربار میں اپنا خواب بیان کیا اور خواب کی تعبیر دریافت کی۔ ایک عالم نے بتایا کہ اس خواب کی تعبیر یہ ہے کہ آپ اپنے تمام عزیز و اقرباء کو گتوال دیں گے۔ یہ سنکر سلطان کو غصہ آگیا۔ دوسرے درباری نے کہا۔ خاکسار کی عاجزانہ درخواست ہے کہ اپنی بزرگواری سے مجھ ناچیز کو اجازتِ سخن عطا فرمائیں۔ اجازت ملنے پر درباری نے تعبیر سنائی۔۔۔ حضورؐ والا، اعلیٰ مقام آپ پر خدا کی خاص عنایت اور رحمت ہے، جس کے آپ حقیقتاً حقدار ہیں۔ پروردگار نے آپ کو بصد حمد طویل عمر عطا کی ہے، ہم جیسے ناچیز اس دنیا میں باقی رہیں یا نہ رہیں مگر آپ جیسے عظیم حاکم کا سایہ ہمارے سروں پر مدتوں قائم رہے گا۔ یہ سن کر حاکم بہت مسرور ہوا اور اسے ہیروں سے نوازا۔

دربار میں تمام لوگ حیرت زدہ تھے کہ اس شخص نے بھی وہی تعبیر بتائی، بس فرق یہ تھا کہ اسکی زبان میں مٹھاس تھی اور پہلا شخص نہایت سادگی سے تعبیر بتا گیا۔ یہی فرق ہے میٹھی زبان کا۔ ہمیں بات کہنے کا سلیقہ آنا چاہئے کیونکہ الفاظ کی ادائیگی بہت اثر انداز ہوتی ہے۔ کوئی اپنی زبان کی چاشنی سے اپنی زندگی کو فرش سے عرش تک پہنچا دیتا ہے اور کوئی خود کو برباد کر لیتا ہے۔ لہذا ہمیں اپنی زبان اور الفاظ کا سوچ سمجھ کر استعمال کرنا چاہئے۔

سیکھنا ہو تو..... دریا بھی بہت کچھ سکھاتے ہیں

خداوند عالم نے قرآن مجید میں بہت سی نشانیوں کا ذکر فرمایا ہے اور یہ حکم دیا ہے کہ ہم ان پر غور و فکر کریں، ظاہر ہے کہ یہ حکم بلا وجہ نہیں ہے، بلکہ ہماری زندگی کے ارتقاء، منظم اور بہتر ہونے کے لئے ہی ہوگا۔ چنانچہ اس کی بے شمار نعمتوں میں سے ایک نعمت دریا بھی ہے جس سے ہم بہت کچھ سیکھتے ہیں۔ مثلاً دریا کبھی واپس نہیں بہتے، ہمیشہ آگے ہی آگے بڑھتے ہیں۔ ماضی کو بھول کر آپ بھی مستقبل سنوارنے کی کوشش کریں۔

- دریا اپنا راستہ خود بناتے ہیں۔ لیکن کوئی بڑی رکاوٹ سامنے آجائے تو آرام سے اپنا رخ موڑ کر نئی راہوں پر چل پڑتے ہیں۔ یعنی مشکلوں اور رکاوٹوں سے لڑنا، بحث کرنا اور ضد کرنا دراصل وقت ضائع کرنا ہے۔
- آپ گیلے ہوئے بغیر دریا پار نہیں کر سکتے..... اس طرح آپ کو دکھ سکھ کے ساتھ ہمت اور حوصلے سے ہی زندگی گزارنا ہوگی۔
- جہاں سے دریا زیادہ گہرا ہوتا ہے وہاں خاموشی اور سکوت بھی زیادہ ہوتا ہے۔ علم والے اور گہرے لوگ بھی پرسکون ہوتے ہیں۔
- پیاسے شخص کا انتظار کئے بغیر اور پتھر پھینکنے والوں سے الجھے بغیر دریا بہتے چلے جاتے ہیں۔ روڑے اٹکانے والوں کی پرواہ کئے بغیر آپ بھی اپنی زندگی رواں دواں رکھیں۔
- ایک بڑا دریا چھوٹی ندیوں، نالوں اور چشموں کو اپنے ساتھ ملنے سے کبھی منع نہیں کرتا۔ آپ بھی اپنا ظرف بلند اور نگاہ سر بلند کر کے تو دیکھیں۔
- دریا اپنا پانی خود نہیں پیتے، اپنا پھل خود نہیں کھاتے۔ کیا آپ نے خدمتِ خلق کی اہمیت کے بارے میں کچھ سوچا.....؟ کچھ کیا.....؟؟
- دریا میں یہ دو خوبیاں بھی پائی جاتی ہیں۔ فراخ دلی اور روانی..... زندگی میں بھی فراخ دل لوگ کامیاب ہوتے ہیں۔
- دریا یہ بھی جانتا ہے کہ جلدی کی کوئی ضرورت نہیں، مستقل اور مسلسل حرکت سے ایک دن ہم منزلِ مقصود تک پہنچ ہی جاتے ہیں۔

Special assembly observes birth anniversaries of Prophet Muhammad & Imam Jafar As-Sadiq

The auspicious occasion of the birth anniversaries of Prophet Muhammad and Imam Jafar As-Sadiq was solemnly commemorated at Unity College through a special assembly. Students from the pre-primary section to class VI participated with great reverence.

The distinguished presence of principal Deepak Maryam Mathews, vice-principal Sachindra Sharti, and primary coordinator Taseen Rizvi lent grace and dignity to the event.

The programme, conducted by Ramiz Fatima of class VI-A, commenced with the recitation of the Basmala followed by a prayer for the well-being of the Prophet and Imam. The assembly was held in the school hall, where students performed various cultural programmes. The programme concluded with a moving qasida, recited by class V-B, setting a spiritual tone for the morning.

To mark the luminous birth of the Prophet, the girls of classes II and III presented a moving qasida, recited by class V-B, setting a spiritual tone for the morning.

Wrestlers triumph at play Padoo event

Students Excel at AMUOBA Inter-school quiz

The Aligarh Muslim University Old Boys Association (AMUOBA), Lucknow, recently organised an Inter-School Quiz Competition that witnessed spirited participation from over 200 students representing seven reputed schools from Lucknow and neighbouring regions. The felicitation ceremony took place at Indira Gandhi Pratishthan Gomtinagar, on the eve of Sir Syed Day.

Ayan Ali Mehdi, a class XII student from Unity College, Lucknow, secured the third position and was felicitated by Justice Augustine George Masih, Honourable Judge of the Supreme Court of India. The event was also attended by the college secretary, Najmul Hasan Rizvi, and AMU alumnus and history teacher, Mohd Mohiuddin.

On the occasion, AMU unveiled its annual magazine Bazm-e-Wafa, which includes four student-authored articles, in English by Mohammad Sajjad Bagri (XI) and Syed Mohd. Hussain Rizvi (XI), and in Hindi by Kaveel Rizvi (XI) and Aamina (IX).

Principal Deepak Maryam Mathews and vice principal Sachindra Sharti congratulated the students and Mohd Mohiuddin for bringing pride and recognition to the College.

Unity College Educator Honoured with Certificate of Appreciation

Mohd Mohiuddin, an educator of classes IX to XII, Unity College, was felicitated with a Certificate of Appreciation by EduCart for his contribution to teaching excellence. The certificate, recognises his dedication, hard work, and exemplary leadership in the classroom. Mohiuddin has been praised for the profound impact he creates

on students' academic growth and overall development, inspiring them to learn, think, and excel.

The award was presented by Ravi Agarwal, CEO of EduCart.

Principal, Deepak Mervyn Mathews and vice principal, Sachindra Bharti congratulated him on this well-deserved recognition.

An ode to History!

A history seminar was organised recently by the History Club of Unity College, in collaboration with history students of class XI-A, under the guidance of the teacher, Mohd Mohiuddin. The seminar aimed to strengthen students' conceptual understanding of the prescribed subject while enhancing their research, presentation, and analytical skills ahead of the Board examinations.

The seminar commenced with a presentation by Basim Fatima, who discussed the rise and early victories of the Achaemenids during the Second World War. She highlighted significant events such as Germany's invasion of Poland, the expansion into France, the occupation of Denmark and Norway, and Hitler's attempted assault on Britain. She concluded with the reflective lesson that wars are not merely fought through strategy and intellect, but are followed by an insightful presentation on the impact of the war on the lives of the people. She elaborated on the role of the military and political strategies employed by the Axis forces. The critical strategic decisions made by the Axis leaders, and the impact of the war on the lives of the people, were discussed. The seminar was a success, as it provided a platform for students to share their knowledge and insights, and to learn from each other. The seminar was a success, as it provided a platform for students to share their knowledge and insights, and to learn from each other.

Senior students conduct seminar on World War II

A seminar on World War II was conducted for History students of class XI-A at Unity College under the guidance of their teacher Mohd Mohiuddin. The session aimed to deepen students' knowledge and provide clearer insight into significant wartime events, with students presenting on selected themes.

The discussion centered on the Battle of Midway, emphasizing Japan's strategic aims following the attack on Pearl Harbor and the crucial role of Allied code-breaking efforts. Students highlighted how the successful decryption of Japanese naval communications enabled the United States to anticipate enemy movements and prepare an effective response. Presentations detailed the decisive carrier-based warfare, particularly the destruction of four major Japanese carriers—Akagi, Kaga, Soryu, and Hiryu—which resulted in a severe blow to Japan's offensive strength. The loss of the USS Yorktown was also noted, illustrating the asymmetrical nature of the battle and its long-term implications. Students further discussed the broader consequences of the Battle of Midway, including Japan's shift to defensive operations, limitations of its industrial capacity, and the beginning of the Allied Island-Hopping campaign. Ethical considerations regarding the use of intercepted intelligence were also explored, acknowledging its pivotal role in securing victory.

Principal Deepak Mervyn Mathews and vice principal Sachindra Bharti appreciated the innovative teaching approach, noting that such scholarly engagements enable students to delve deeper into the causes, developments, and far-reaching consequences of historical events. The seminar proved insightful and engaging, successfully enhancing students' understanding of one of the most significant turning points of World War II.

A marathon to remember

A media house organised the Inext Health Half Marathon at Janeshwar Mishra Park. The Lucknow Health Marathon emerged as a landmark event, beautifully blending the city's rich cultural heritage with a modern enthusiasm for fitness. The marathon featured various categories, including 21 km, 10 km, 5 km and 2 km, attracting participants from different age groups.

Two NCC cadets, Muniba Zainab (IX-B) and Zoya Zehra (IX-A), took part in the 2 km walk and brought pride to the Unity College by winning medals. Both cadets were felicitated during the morning assembly. Principal

Deepak Mervyn Mathews and Vice Principal Sachindra Bharti congratulated the participants for their achievement and for being a part of an initiative that encourages a healthy, fit, and active lifestyle.

Spiritual learnings for Lucknow students!

The QSchool Annual Programme and Exhibition, held at Unity College, showcased the work and performances of students from the QSchool classes of the college across both I and II shifts. The event was graced by college secretary and founder of QSchool Lucknow, Najmul Hasan Rizvi, accompanied by his wife and son, manager I shift, Dr. S. Kabir Sibtan Noor, principal, Deepak Mervyn Mathews, Vice Principal, Sachindra Bharti, and college counselor, Nisar Fatima Rizvi.

The programme began with a welcome address by the principal, who emphasised that QSchool was founded as a madrasah with a difference – one committed to nurturing understanding, reflection, and responsible behaviour. He highlighted QSchool's hands-on and child-centred methods that make Islamic learning meaningful, purposeful, and far from monotonous. The performances were spiritually rich, academically aligned, and creatively executed. An inspirational video of Dr. Kabir Sibtan Noor set the tone by reinforcing the importance of education, harmony, and the balance between modern and Islamic learning. This was followed by a Qirat recitation focused on verses related to the Ahlul Bayt. A visually engaging presentation titled Quran City – a Qratma concept – portrayed Surahs as buildings, captivating the audience. Amongst Noha dedicated to Sayyida Fatima added emotional depth, and the segment concluded with the display of knowledge in the interactive Risala Qat. A special video message from Sabira Taq underscored the value of experiential Islamic learning. She encouraged parents to foster a love for the Quran and to guide their children towards a life of understanding and reflection. Parents responded with appreciation, noting that QSchool helps children understand religion thoughtfully rather than memorising it superficially. Dr. Noor congratulated the team, with particular praise for the Qirat presentation, and acknowledged the efforts of QSchool Coordinator, Sakina Raza.

After the stage presentations, the guests visited the exhibition area, where students' models and displays – many of them larger-than-life models – were admired for their creativity, clarity, and thoughtful integration of Islamic concepts. Everyone went back with rich learnings of Islam and its teachings.

Why was this Republic Day felt special

It made me understand my duties as a citizen

This R-Day was special because it made me pause and reflect on what it truly means to be free. I realised that the rights I enjoy every day were earned through immense struggle, sacrifice, and courage. Each page of our Constitution carries the dreams of those who fought for a just and equal nation.

As I watched the celebrations, I felt elated. At the same time, I felt a deep sense of responsibility towards my country. Republic Day reminded me that freedom is meaningful only when it is protected by honesty, discipline, and respect for others. This day inspired me to become a better citizen and to work sincerely for the India our freedom fighters envisioned.

Syed Mohd Hussain Rizvi, class XI-C, Unity College, Lucknow

Commitment to organic living and holistic health!

Unity College, Lucknow, recently welcomed Dr. Sarah Musai, a health guru from Canada to the campus as part of its sustained commitment to healthy and sustainable living. Four years ago,

Dr. Musai introduced organic farming at the college, a pioneering initiative in Lucknow that has since expanded into a dedicated site – Unity Organic Farm at Chauri. The programme commenced with a visit to the Organic Garden, where Dr. Musai interacted with members of the Organic Farm Club, alongside teachers and students from primary to senior sections. She invited students to share the Club's objectives and achievements, and spoke about the importance of wholesome, natural food in maintaining good health. Encouraging a gradual shift towards healthier dietary habits, she advised reducing the consumption of junk and highly processed foods. She also discussed practical organic farming techniques, and highlighted simple naturalistic practices that promote lifelong well-being. Emphasising prevention, she urged the school community to adopt healthy routines and serve as health guides within their wider circles.

A subsequent session with teachers focused on the link between

personal well-being and effective teaching. Stressing that the healthiest is the wealthiest, she encouraged educators to prioritise their health and cultivate beneficial plants such as tulsi at home. She also underscored the importance of safeguarding natural food systems and recognised sunlight as a fundamental natural therapy.
